Dear Sirs:

It is with great pleasure that I recommend Oliver Olivar. I have known him for ten years and have enjoyed working with him on many occasions volunteering with my non profit.

Oliver is a bright and personable individual. He is highly self-motivated and well capable of achieving any goal he sets his mind to. He demonstrates his ability to manage and maintain the well known Border Cab Company founded by his father. Oliver is a tireless worker, continually keeping up with all the demands of his fast paced business.

Oliver finds time in his busy schedule to volunteer with our baseball league for children with disabilities. His care and concern for the youth in our community is of great importance to the work we do with the Miracle League of El Paso. Border Cab has been a donor to our league. Oliver is among some of the many business leaders who have rolled up their sleeves and taken on the task to fund raise for the new field. We believe anything he is involved with will surely be an attribute to the City of El Paso.

If you would like additional information about Oliver, you can telephone me at (915) 872-9249.

Sincerely,

Sandie Sparks

While you can use ATMs with The Bank of New York logo as of October 1 with no fee, the new branches won't be available to you for banking until they convert to our systems next spring and their signs change to Chase.

While it is always our intent to process your checks and other items as quickly as possible, we want you to be aware that in most cases, we will treat checks with The Bank of New York logo as those from a separate bank for purposes of funds availability and cashing checks until spring 2007.
