

FIRE DEPARTMENT STATISTICS

The El Paso Fire Department is a full-service department responding to all calls involving fire, medical emergencies, hazardous materials situations and other types of emergency events in the City of El Paso. Specialized teams respond to water, mountain and technical rescues. The Department provides mutual aid to the Fort Bliss Military Installation and the County of El Paso under the terms of the Mutual Aid Agreements. The Fire Department responds to over 63,000 emergency calls annually.

Revenue Generated:				\$306,942.00			

POLICE DEPARTMENT STATISTICS

The El Paso Police Department's hard work and commitment to the safety of the community is reflected in the preliminary year-end statistics showing a definite decrease in overall crime. The El Paso Police Department firmly believes in the Community Policing Philosophy and attributes these successes to the partnerships established not only with the community but also with the various law enforcement agencies also working in the El Paso area. A Community Policing Philosophy focuses not only on enforcement action but education. The El Paso Police Department's Safe Communities Program has conducted more than 100 traffic safety presentations to schools and civic groups to include our military base Fort Bliss. These presentations have resulted in reaching more than 5,000 community members.
