That we respectfully request that Hons Richard Coke and Sam Bell Maxey our Senators, to urge the passage of said bill through the Senate of the United States, believing that if early action is had, and said bill becomes a law, that it will secure the favorable consideration of another bill now before congress in which we are more largely interested providing for the appropriation of $200,000.00 for the erection of a Custom House at El Paso City, Texas.

That a Copy of these resolutions be sent to Hon S M T Landham, with the request that he show them to our Senators.
