

FIRE DEPARTMENT

The El Paso Fire Department was recently rated by the Insurance Services Office (ISO) and earned a Public Protection Classification of 1. El Paso is one of only 43 cities in the nation that have achieved this success.

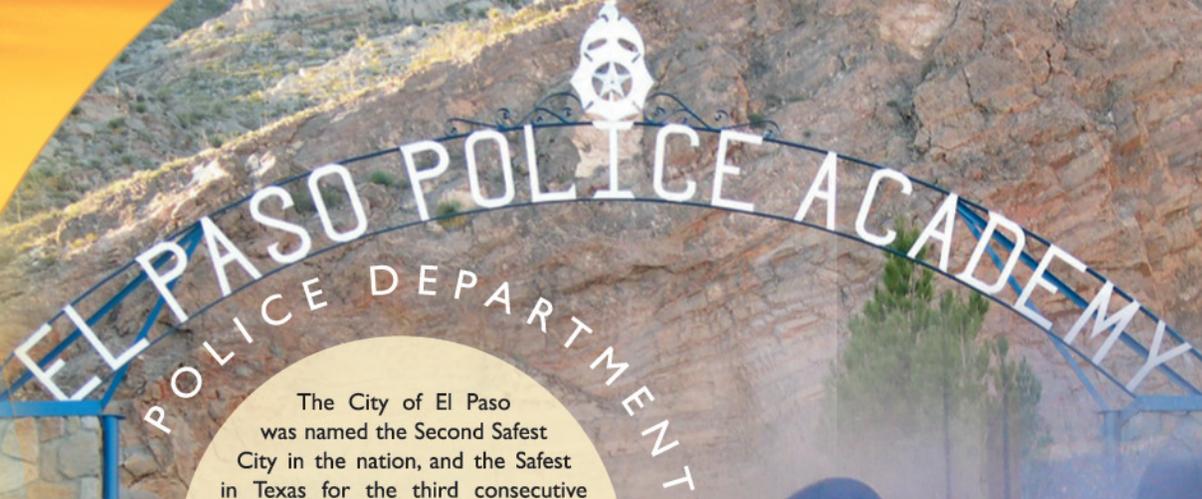

AIRPORT

The El Paso International Airport made \$8.3 million worth of lighting improvements to their airfield, keeping with their commitment to quality air service. 95% of the project cost was federally funded.

EL PASO POLICE ACADEMY

POLICE DEPARTMENT

The City of El Paso was named the Second Safest City in the nation, and the Safest in Texas for the third consecutive year by Morgan Quitno. The El Paso Police Department's dedication to keeping the El Paso community a safe place has helped to make this possible.

SUN METRO

Sun Metro secured \$4,700,000 in total funding from the Federal Transit Administration for the purchase of 13 new buses. These units will be 40', low-floor, fixed route buses that are natural gas powered and equipped with state-of-the-art equipment.
