The following ordinance read, viz:
An Ordinance requiring Side walks to be built on the north side of Myrtle Street between Stanton and Campbell Streets &c
Be it ordained by the City Council of the City of El Paso Texas,
That it is necessary for the public interest that good and substantial sidewalks be and the same are required to be made and built by the owners of property fronting on said northerly side of Myrtle Street, and to have the side walks in front of their property, made, built and completed within Sixty (60) days from the taking effect of this Ordinance, as follows:
That said side walks shall be made of plank one and one half (1 1/2) inches in thickness and 2 x 4 stringers, and laid according to the Grade of Myrtle Street as near as practicable in the discretion of the City

Engineer and Committee on Streets and public improvements

Beginning at the corner of Myrtle and Stanton Streets, where the southerly line of Stanton Street intersects the northerly line of Myrtle Street and of the width of twelve feet to the west line of Campbell Street, to be built of plank and stringers as aforesaid. All of said sidewalks to be secured by strong and sufficient fastenings on the inner side, and the outer line of said sidewalks shall be set by the City Engineer, in accordance with instructions of the Street Committee or the City Council, with crossings on the line of said sidewalk at the intersection of alleys, posts 4 x 4 and 6 feet in length to be sunk in the ground two feet, shall be placed at the corners of said alley and on the corners of Myrtle & Campbell Streets.

Sec II That the cost of the construction of said sidewalks, shall be defrayed by the owners of the lot, or part of lot or block or part of block fronting said sidewalk, and collected if necessary by the sale of the lot, or part of lot or block or part of block on which it fronts, together with the cost of collection.

Sec III It shall be the duty of the Marshal to notify the owners of property fronting on the northerly side of said Myrtle Street who are required to make and build sidewalks as set forth in Sec. No one of this ordinance. And after sixty days if they fail or refuse to comply with the provisions of this ordinance, they shall be reported to the Mayor, who shall summons them to appear before him and show cause why they fail to comply, and if they fail to appear, or appear and cannot show reasonable excuse for failing to comply with the ordinance, he shall fine them in the sum of fifty dollars, which fine shall be imposed as other fines, and in accordance with law. And should the owners of such property, fail or neglect to construct said sidewalks the City

Engineer shall estimate the cost of said side walks and report the fact to the City Council, who shall then contract for its construction and when completed shall render the cost to the City Assr & Collector who shall assess the same as a tax upon the property upon which said side walks fronts, and give notice to the owner thereof within one week after said side walks are completed by advertising in the official Journal of the City, and by posting that said taxes are due and payable and may be paid within ten days after such publication, and if not then paid, he shall proceed to collect the same,

That after the expiration of said last mentioned ten days, the said Assr & Collector, shall levy on so much property of such owner on which said tax has not been paid as will be sufficient to pay the same, and the notice of sale as is required in the sale of other property shall be given, and if the tax is not paid before the day of sale, the said Assr & Collector shall sell said property, in the same manner as required by law, for the sale of real Estate in the City of El Paso, charged with the payment of taxes imposed by said City, in all respects, and the City Assr & Collector shall execute a deed to the purchaser at any such sale, which shall convey a good title, and the balance of proceeds of sale, after paying the amount due the City and the cost of sale, shall be paid by the City to the owner. And the taxes so levied and assessed, shall be a lien upon the property until the payment of the same.

Sec V. The City Engineer and the Comr on Streets &c shall superintend the construction of all said side walks herein above required to be constructed
