We paid all the taxes on this property and hold the receipts, and I think your Mr. Jenkins, the City Tax Collector and Assessor, got this on the unknown roll by error of going by the City Map, which was never authorized by the owners of the

property in that locality, and as your City Engineer will tell you, the property shown as delinquent was unplated at the time, as shown by the first supplemental map of Franklin Heights Addition, by which the property was rendered and the taxes paid. Since we have explained this to your City Tax Collector we think he is satisfied that the taxes have been paid, and if you are in any doubt about the matter we will kindly refer you to Mr. Jenkins, and your City Engineer, Mr. Wimberly, and will ask you to please take the property off the delinquent rolls, on your tax book, and oblige, Yours Very respectfully, Franklin Heights Land Company
