MARIA CAROLINA NICOLETTE ROBINSON

I am seeking a position were both my education and back round can be utilized to benefit both the Co. I work for and to better myself with a fulfilling and challenging career

I have lived in El Paso for over thirty years Graduated from Eastwood High. Followed by 3 yrs at EPCC and 2yrs at UT Austin and continued education at UTEP

I have an extensive knowledge in fire and security systems to include design and wiring and installation I have worked both as a consultant and designer for over 14 years I've held licenses in fire and security and have worked on projects around town to include the El Paso International Airport , US Border Patrol and the El Paso Art museum as well as other independent businesses around El Paso.....

I hope that this provides you the information you my need in order to set me in place for your consideration. Thank you for the opportunity and I hope to hear from you soon

I currently hold a B.S. in electrical & computer engineering that i used as a basis for my certification in fire safety and security certification by the UL state board of certification i acquired my degree from UTEP in 1998
in addition to this I have a M.S. in business admin. from UT Austin.
This should be what you need but if you would like any further info please let me know.
