| **Email Details:** | Irene,<br>We have visited Las Palmas Medical Center on Oregon St. for the Business First! program. They are asking for help in controlling the vehicular and pedestrian traffic around the hospital for safety reasons. They are requesting two things. First, they are interested in knowing how to get a Fire Lane or No Parking Zone on the hospital side or both sides of Hague St. between Mesa and Oregon. This is the side where the new Emergency Room is located. Second, because there is more pedestrian traffic between the new ER and the hospital, they would like to know how they can have flashing lights and signage that would slow cars down on the Oregon street crosswalk that is there. Please contact Hank Hernandez, Chief Executive Officer at Las Palmas, at 521-1776 or email him at Hank.Hernandez@laspalmashealth.com<br>Thanks for your help |
