Regular Items:

IV. A request for rehearing of 5641 Beacon Avenue in the City of El Paso (legal description on file with the City Clerk). On July 30, 2008, the Building and Standards Commission ordered that the property be demolished. The owners of this property, Guadalupe Rincon, 5641 Beacon Ave, El Paso, Texas 79905, Hector Rincon, 111 Anita Circle, El Paso, Texas, 79905, Alford Rincon, 3604 Frankfort, El Paso, Texas 79930, Isela Rincon, 5641 Beacon Ave., El Paso, Texas 79905, Juan Arriola, P.O. Box 10570, El Paso, Texas, 79995, David

Santoscoy, 1405 Meadowview Drive, El Paso, Texas 79925, have requested a rehearing to provide evidence that the structure can be rehabilitated.

Bill Stern, Chief Building Official was present for discussion.

Discussion was held on whether the property owners were duly notified within the 20 days to set up the hearing and if not what were the circumstances for the delay to miss the 20 day deadline. Discussion also included on whether or not to hold the rehearing.

Mr. David Santoscoy, one of the property owners of the above reference property was present for discussion.

Motion made by Carl Robinson to deny the request for a rehearing was made with no second made to his motion.

Motion made by Tommy Razloznik seconded by Roman Hernandez to allow the rehearing passed with Carl Robinson voting against the motion.

Mr. David Santoscoy advised that the property had been cleaned, fire extinguishers installed and a structural engineer was hired to inspect the property.

Ruben Ponce, structural engineer hired by Mr. David Santoscoy was present for discussion.

Jorge Sanchez from the Fire Department was present for discussion.

Motion made by Carl Robinson to deny the appeal of the July 30, 2008 BSC order, seconded by Roman Hernandez, unanimously carried.

The owner has been notified of the violations at this property, to date there has been no response or corrective action taken, and therefore the Department recommends that it be found:

On July 30, 2008, The Building and Standards Commission accepted the staff recommendations and found:

- 1) That the structure be condemned as substandard, and unfit for habitation or use and a hazard to the public health, safety, and welfare; and
- 2) That the structure is not in substantial compliance with the municipal ordinances regulating fire protection, structural integrity, and disposal of refuse; and
- 3) That the structure's certificate of occupancy be revoked; and
- 4) That the structure cannot be repaired; and
- 5) That the structure and accessory structures be demolished within 30 days; and
- 6) That the premises be cleaned and maintained clean of all weeds, trash, and debris within 30 days; and
- 7) That upon failure by the owner or any other interested party to comply with the order of the Building and Standards Commission the City may take whatever action is necessary to bring the property into compliance, and place a lien on the property for the work which will be done by the City.

- 8) The Building and Standards Commission Final Order of July 30, 2008 was sent certified mail to the owners and all interested parties on August 8, 2008. On October 22, 2008, Mr. David Santoscoy and Mr. Juan Arriola the owners requested a rehearing to present evidence to the Commission showing that part of the building can be made safe.
- 9) On November 4, 2008, the owners were notified of the rehearing scheduled for November 25, 2008 and advised that the commissioners will need a **full set of plans and a completion schedule** for the reconstruction or rehabilitation of the structure, **that a bonded and insured contractor must be hired to obtain the required permits and an engineer must provide a complete structural analysis of the portion of the building planned to be rehabilitated.** The owners were also advised that **the structural analysis must include the size and condition of the footings, condition of the adobe walls and all wood framed structural members for loading, size, spacing and span.**
