Regular Items:

- VI. A request for rehearing of 4510 Arlen Ave. in the City of El Paso (legal description on file with the City Clerk). On December 20, 2006, the Building and Standards Commission ordered that the property be rehabilitated. The new owners of the property, Lyle L Raymond & Esther Raymond, 849 River Oaks Drive, El Paso, Texas, 79912 (**the "Owners"**), have requested a rehearing to provide evidence that the structure can be rehabilitated.

Bill Stern and Tom Maguire, Chief Building Inspectors were present for discussion.

Lyle Raymond, property owner and Nick Haggerty, property manager were present for discussion.

The commission was given an update on the rehabilitation of the property. Buildings A, B & C are 75% complete and would remain vacant until certificates of occupancy are obtained; building E would be maintained secured until rehabilitated and all vacant properties will be maintained secured and clean until certificates of occupancy are issued.

Michael Bray, Chair joined the commission at 5:44 p.m.

Motion made by Tommy Razloznik, seconded by Gregory Bowling to accept staff recommendations with the noted amendments to the recommendations unanimously carried.

The Department will reschedule this item to report on the progress of this project and to recommend to the commission an alternate order for the rehabilitation of the property.

The department recommends that it be found:

1. That building D has been rehabilitated to meet the requirements of the building codes and a certificate of occupancy has been issued; and
 2. That buildings A, B and C are 75% complete and shall remain vacant until certificates of occupancy are obtained; and
 3. That building E be maintained secured until rehabilitated; and
 4. That all vacant properties be maintained secured and clean until certificates of occupancy are issued, vacant and will remain vacant until certificates of occupancy are obtained; and
 5. That due to the scope, complexity and unforeseen complications of this project and in light of the fact that substantial completion has been obtained, the department is recommending that the owner and his contractors be permitted to continue with the project and report back to the commission at each meeting of Panel A with a progress report
- VII.
