PBK Project No.: 0982

Dear Mr. Estala:

The purpose of this letter is to request that the City of El Paso approve the stairwell air conditioning system as currently installed at Del Valle Elementary School for Ysleta ISD.

PBK believes the design is in compliance with the 2003 IBC. If there are still questions regarding the design, PBK would like to meet at your convenience to review the drawings.

Please contact PBK to confirm if the city would be available for a meeting.

Sincerely,
