North: R-4 (Residential)
South: R-4 (Residential)
East: R-4 (Marian Manor Elementary School)
West: R-3 (Residential)

THE PLAN FOR EL PASO DESIGNATION: G3, Post-War

APPLICATION DESCRIPTION

The applicant is proposing to subdivide 3.4527 acres of land into 3 duplex lots. Access to the subdivision is proposed from Marfil Drive and San Jose Road. San Jose Road is currently substandard and the applicant is dedicating an additional 10 feet of ROW. This development is being reviewed under the current subdivision ordinance.

DEVELOPMENT COORDINATING COMMITTEE

The Development Coordinating Committee recommends **Denial** of Silvas Estates on a **Major Combination** basis subject to the following comments:

Planning & Inspections Department-Planning Division:

Planning Staff recommends **Denial** of Silvas Estates on a **Major Combination** basis.

1. A proper access point to Lot 3 must be provided from Marfil Drive.

2. See comments from 911. Fire approval will be required for accessibility to Lot 3.
3. The turnaround at Marfil Dr. does not comply with Sections 19.15.090 (Cul-de-sac Streets) or 19.15.100 (Dead-end Streets).
4. San Jose is in the City's Bikeway Plan. Additional right-of-way will be required or a waiver of ROW dedication and improvements shall be submitted.
5. Include additional right-of-way dedication in plat dedication statement.

Planning & Inspections Department-Land Development:

We have reviewed subject plats and recommend **Approval**.

Parks and Recreation Department:

We have reviewed **Silvas Estates**, a minor plat map and offer Developer / Engineer the following comments:

Please note that this subdivision is composed of three lots zoned "R-4" meeting the requirements for Single-family & Two-family dwelling use and Applicant has submitted a copy of the preliminary covenants restricting the use to Two-family dwelling use therefore, Applicant shall be required to pay "Park fees" in the amount of **\$8,220.00** based on Residential Subdivision requirements calculated as follows:

$$3 \text{ (R-4) Two-family dwelling lots} = 6 \text{ Dwellings @ } \$1,370.00 / \text{ Dwelling} = \mathbf{\$8,220.00}$$

Please allocate generated funds under Park Zone: **MV-3**

Nearest Parks: **Marian Manor** & **Lomaland**

If density/acreage is increased /decreased or the property zoning /use changes, then "Park fees" will be re-assessed based on applicable conditions.

El Paso Water Utilities:

We have reviewed the above referenced subdivision and provide the following comments:

1. El Paso Water Utilities (EPWU) does not object to this request.

Water:

2. There is an existing 4-inch diameter water main extending along Marfil Dr. cul-da-sac. This main is available for service.
3. There is an existing 12-inch diameter water main extending along San Jose Rd. This main is available for service.
4. EPWU records indicate a 3/4-inch water meter serving the subject property. The service address for this meter is 8275 San Jose Rd.

Sanitary Sewer:

5. There is an existing 8-inch diameter sewer main extending along San Jose Rd. located along the centerline of the street. This main is available for service.
6. There is an existing 8-inch diameter sewer main that extends along Marfil Dr. located approximately 5 feet west of the cul-da-sac centerline. This main is available for service.
7. Sanitary sewer service to lot 3 is critical. The sewer main that extends along Marfil Dr. is approximately 5 feet deep. The EPWU requires that lot 3 be graded to allow for positive flow toward the sewer main. Grinder pump systems are not allowed by EPWU rules and regulations

General:

EPWU requires a new service application to provide service to the property. New service applications are available at 1154 Hawkins, 3rd floor and should be made 6 to 8 weeks in advance of construction to ensure water for construction work. A site plan, utility plan, grading and drainage plans, landscaping plan, the legal description of the property and a certificate-of-compliance are required at the time of application. Service will be provided in accordance with the current EPWU – PSB Rules and Regulations. The applicant is responsible for the costs of any necessary on-site and off-site extensions, relocations or adjustments of water and sanitary sewer lines and appurtenances.

Sun Metro:

Sun metro does not oppose to this request.

El Paso Fire Department:

Denial. El Paso Fire Department has expressed concerns reference access to Lot 3, Block 1. Proper access point to Lot 3 must be provided from Marfil Drive.

911:

No comments received.

El Paso Independent School District:

No comments received.

Additional Requirements and General Comments:

1. Submit to the Planning & Inspections Department – Planning Division the following prior to recording of the subdivision.
 - a. Current certified tax certificate(s)
 - b. Current proof of ownership
 - c. Release of access document, if applicable
 - d. Set of restrictive covenants, if applicable
 - e. Deed for property to be dedicated as parkland.
2. Every subdivision shall provide for postal delivery service. The subdivider shall coordinate the installation and construction with the United States Postal Service in determining the type of delivery service for the proposed subdivision. In all cases, the type and location of delivery service shall be subject to the approval of the United States Postal Service
