APPLICATION DESCRIPTION

The applicant is requesting the ninth, six-month extension to submit recording maps in accordance with Section 19.08.060.H of the previous subdivision code (*a six-month extension to submit the recording plat may be granted by the City Plan Commission in the event that a delay is caused by action of the City, a public utility, or other governmental entity*) for Canutillo Heights Unit Two as the County of El Paso will only approve the final plat for filing after all subdivision improvements have been constructed and accepted by the County of El Paso.

CASE HISTORY

The City Plan Commission approved Canutillo Heights Unit Two on a Major Final basis on July 17, 2008.

- The first six-month extension was approved on January 29, 2009.
- The second sixth-month extension was approved on July 16, 2009.
- A third six-month extension was approved on January 28, 2010.
- A fourth six-month extension was approved on July 15, 2010.
- A fifth six-month extension was approved on January 27, 2011.
- A sixth six-month extension was approved on July 14, 2011
- A seventh six-month extension was approved on January 12, 2012
- A eighth six-month extension was approved on July 12, 2012

All extensions were premised on the fact that the County of El Paso will not approve the final plat for filing until all improvements have been constructed and accepted by the County.

CURRENT REQUEST:

The applicant is now requesting the ninth, six-month extension to submit recording maps in accordance with Section 19.08.060(H) of the previous subdivision code.

DEVELOPMENT COORDINATING COMMITTEE

The Development Coordinating Committee recommends *approval* of the six month extension request for Canutillo Heights Unit Two to submit recording maps per Section 19.08.060.H. - Submission for Recording of the former Subdivision Ordinance, as the delay is being caused by the El Paso County, a governmental entity.

If approved, the extension will be valid until **July 17, 2013**. Failure to submit the recording maps by the expiration date of the extension will necessitate the resubmittal of the subdivision plat.

Planning Division Recommendation
