Planning Division Recommendation:

Pending revisions to the plat.

City Development Department - Land Development

We have reviewed subject plans and recommend **Approval**.

El Paso Department of Transportation

No comments received.

Parks and Recreation Department

We have reviewed **Pebble Hills Extension**, a major combination plat map and offer Developer / Engineer the following comments:

Please note that this subdivision is located with-in the City of El Paso **ETJ** and within an area of potential annexation by the City, thus subject to the calculation for "Park fees" as per ordinance Title 19 – Subdivision & Development Plats, **Chapter 19.20 - Parks & Open Space** as noted below.

Section 19.20.020 - Dedication Required

- A. Dedication Required.** All subdivisions located within the corporate limits of the City of El Paso and with-in those areas designated in the City’s extra territorial jurisdiction (ETJ), as identified on an official map kept in the Development Services Department.

Also, please note that applicant has submitted copy of the preliminary covenants restricting the use to general commercial purposes and prohibiting the construction of residential dwellings therefore, we offer the following comments:

- 1. **If** gross density waiver is granted by the Planning Department or designee and a copy of the final recorded covenants is provided restricting all residential uses, then applicant shall be required to pay "Park fees" in the amount of **\$5,220.00** based on Non-residential subdivision requirements calculated as follows:

Non-residential acreage 5.22 (rounded to two decimals) @ \$1,000.00 per acre = **\$5,220.00**

Please allocate generated funds under Park Zone **E-7**:

Nearest Parks: **Tierra Del Este #27** & **Salvador Rivas**

If density/acreage is increased /decreased or the property zoning /use changes, then "Park fees" will be re-assessed based on applicable conditions.
