North: R-1 (Residential)/Single-family development
South: R-1 (Residential)/Montoya Spur Drain
East: R-1 (Residential)/Single-family development
West: R-1 (Residential)/Montoya Spur Drain

THE PLAN FOR EL PASO DESIGNATION: G3, Post-War

APPLICATION DESCRIPTION

The applicant is proposing to replat 1.17 acres of land into 2 single family lots. Access to the subdivision is proposed from Sunset Road. This development is being reviewed under the current subdivision ordinance.

In accordance with Section 19.48 the applicant is requesting an exception to waive ROW improvements along Sunset Road. Sunset Road is a collector on the MTP and the standard ROW is 56' and pavement width is 36'. The current ROW 50' and pavement width varies from 25' to 42'.

Lot 2 features a 200' panhandle. Section 19.34.040.C. states panhandle lots shall be discouraged in residential areas except when, due to unique parcel configuration it is the only way to develop the property, and it shall be considered an exception. The maximum length of the panhandle shall be one hundred feet. The minimum width of the panhandle shall be twelve feet to serve one dwelling unit. The applicant has submitted an exception request for the panhandle lot and an exception request for a panhandle exceeding 100'.

NEIGHBORHOOD INPUT

Notice of a Public Hearing was mailed to all property owners within 200 feet of the subject property on February 26, 2014. The Planning Division did not receive any phone calls or comments from residents.

DEVELOPMENT COORDINATING COMMITTEE

The Development Coordinating Committee recommends **Approval** of the exception and **Approval** of Country Club Place Southside Replat "A" on a **Resubdivision Preliminary** basis subject to the following conditions and requirements:

City Development Department-Planning Division:

Staff recommends approval of the exception request as the existing street improvements are in character with the neighborhood and have sufficient capacity to handle the increase in traffic to be generated by the proposed development.

Staff recommends **Approval** of Country Club Place Southside Replat "A" on a **Resubdivision Combination** basis.

City Development Department-Land Development:

We have reviewed subject plats and recommend **Approval**.

The Developer/Engineer address the following comments.

1. Mutual drainage and maintenance agreement between lots 1 and 2 for drainage into private pond in lot 1.
2. Provide sidewalk on Sunset Road typical cross section.
3. Storm-water management inspection and maintenance agreements for private facilities is required between lots 1 and 2 per code 19.19.040.
4. Applicant shall comply with FEMA requirements.

Parks and Recreation Department:

We have reviewed **Country Club Place Southside Replat "A"**, a major combination plat map and offer Developer / Engineer the following comments:

Please note that this subdivision is zoned "R-1/sp" and is composed of 2 Single-family residential dwelling lots.

This subdivision is required to comply with the parkland dedication ordinance Title 19 – Subdivision & Development Plats, **Chapter 19.20 - Parks & Open Space** in the form of "Park fees" based on requirements for residential subdivisions.

Applicant shall be required to pay "Park fees" in the amount of **\$2,740.00** calculated as follows:

$$2 \text{ (R-1/sp) Single-family dwelling lots @ } \$1,370.00 / \text{ dwelling} = \mathbf{\$2,740.00}$$

Please allocate generated funds under Park Zone: **NW-4**

Nearest Park(s): **White Spur** & **Braden Aboud**

If density/acreage is increased /decreased or the property zoning /use changes, then "Park fees" will be re-assessed based on applicable conditions.

El Paso Water Utilities:

We have reviewed the subdivision referenced above and provide the following comments:

1. EPWU does not object to this request.

EPWU-PSB Comments

Water

2. There is an existing 8-inch diameter water main that extends along Sunset Dr. The main is located approximately 12 feet north of the street centerline. This main is available for service.
3. EPWU records indicate active ¾-inch water meters serving the subject properties. The service addresses for these meters are 918 & 920 W. Sunset Dr.

Sanitary Sewer:

4. There is an existing 12-inch diameter sanitary sewer main that extends along Sunset Dr. The main is located approximately 1-foot north of the street centerline. This sewer main is available for service.
5. There is an existing 8-inch diameter sanitary sewer main that extends along Sunset Dr. The main is located approximately 1-foot north of the street centerline. This sewer main is available for service.
6. EPWU records indicate active sewer services to the subject properties. The service addresses for these services are 918 & 920 W. Sunset Dr.

General:

7. Application for new water and sanitary sewer services should be made 6 to 8 weeks prior to construction to ensure water for construction work. New service applications are available at 1154 Hawkins, 3rd Floor. A site plan, utility plan, grading and drainage plans, landscaping plan, the legal description of the property and a certificate-of-compliance are required at the time of application. Service will be provided in accordance with the current EPWU – PSB Rules and Regulations. The applicant is responsible for the costs of any necessary on-site and off-site extensions, relocations or adjustments of water and sanitary sewer lines and appurtenances.

El Paso Fire Department:

In the event that a property cannot be developed whatsoever without an exception being granted by the city plan commission to allow a panhandle exceeding one hundred feet, any buildings served by such panhandle will be required by the fire marshall to be sprinklered and have a hard wired alarm system. A note shall be added to the recording plat and the subdivision improvement plans indicating whether buildings are required to be sprinklered within the subdivision, and which lot numbers have such requirement.

Additional Requirements and General Comments:

1. Submit to the City Development Department – Planning Division the following prior to recording of the subdivision.
 - a. Current certified tax certificate(s)
 - b. Current proof of ownership
 - c. Release of access document, if applicable
 - d. Set of restrictive covenants, if applicable
 - e. Deed for property to be dedicated as parkland.
2. Every subdivision shall provide for postal delivery service. The subdivider shall coordinate the installation and construction with the United States Postal Service in determining the type of delivery service for the proposed subdivision. In all cases, the type and location of delivery service shall be subject to the approval of the United States Postal Service.
