APPLICATION DESCRIPTION

The applicant is proposing to resubdivide .259 acres in the City's eastside. The reason for this replat is to remove a front and side building setback line from the existing plat to allow for the construction of a residential addition. All existing and proposed structures will meet the requirements of the current zoning district. This resubdivision is being reviewed under current subdivision ordinance and the applicant has not requested any exceptions or waivers.

NEIGHBORHOOD INPUT

Public and personal notice of this hearing was given in accordance with 19.38.010 and 19.38.020. Staff received no correspondence in support or opposition to this request.

DEVELOPMENT COORDINATING COMMITTEE

The development coordinating committee recommends approval of Eastridge Unit 4, Replat A on a resubdivision combination basis.

Planning Division Recommendation

Planning recommends approval.

Planning and Inspections Department - Land Development

No objections to proposed replat.

Capital Improvement Program – Parks

We have reviewed **Eastridge Unit Four Replat “A”**, a major combination plat map and on behalf of CID Parks Planning Division we offer Developer / Engineer the following comments:

Please note that this subdivision replat is composed of one Single-family residential lot zoned “R3” which is not increasing density as evidenced by the original subdivision plat and this replat therefore, this replat meets the requirements to be excluded from the calculation for parkland dedication ordinance Title 19 – Subdivision & Development Plats, **Chapter 19.20 Parks and Open Space** as noted below:

19.20.060 - Exclusions from Dedication Requirements.

Exclusions. The following shall be excluded from the calculation for parkland dedication. In all instances, the burden of proof shall be on the subdivider to demonstrate that the plat meets the requirements of this chapter:

- A. A residential replat of an area where the density has not been increased from the original subdivision, as evidenced by the original subdivision and replat. In the case of a replat where parkland was not originally provided, the parkland requirements shall prevail;

El Paso Water Utilities

EPWU has reviewed the above described subdivision and provides the following comments:

Water:

There is an existing 6-inch diameter water main extending along the north side of Ridgewood Avenue, approximately 20-feet south of and parallel to the northern right-of-way line of Ridgewood Avenue. This water main is available for service.

There is an existing 6-inch diameter water main extending along the east side of Woodfin Drive, approximately 20-feet west of and parallel to the eastern right-of-way line of Woodfin Drive. This water main is available for service.

EPWU records indicate an active 3/4-inch water meter serving the subject property. The service address for this meter is 10228 Ridgewood Avenue.

Sanitary Sewer:

There is an existing 8-inch diameter sanitary sewer main that extends along the south side of Ridgewood Avenue, approximately 25-feet north of and parallel to the southern right-of-way line of Ridgewood Avenue. This sewer main is available for service.

There is no sewer main along Woodfin Drive.

General:

EPWU requires a new service application to provide additional service to the property. New service applications are available at 1154 Hawkins, 3rd floor and should be made 6 to 8 weeks in advance of construction to ensure water for construction work. A site plan, utility plan, grading and drainage plans, landscaping plan, the legal description of the property and a certificate-of-compliance are required at the time of application. Service will be provided in accordance with the current EPWU – PSB Rules and Regulations. The applicant is responsible for the costs of any necessary on-site and off-site extensions, relocations or adjustments of water and sanitary sewer lines and appurtenances.
