

## *City of El Paso – City Plan Commission Staff Report*

**Case No:** SUSU15-00024 Edgemere Subdivision Extension  
**Application Type:** Major Preliminary  
**CPC Hearing Date:** May 21, 2015  
**Staff Planner:** Jeff Howell, (915) 212-1607, [howelljb@elpasotexas.gov](mailto:howelljb@elpasotexas.gov)  
**Location:** South of David and East of Tim Floyd  
**Acreage:** 9.222 acres  
**Rep District:** ETJ (Adjacent to District 5)  
**Existing Use:** Vacant  
**Existing Zoning:** N/A  
**Proposed Zoning:** N/A  
**Nearest Park:** Tierra Del Este #67B (.66 miles)  
**Nearest School:** James P. Butler Elementary (1.45 miles)  
**Park Fees Required:** N/A  
**Impact Fee Area:** Eastside Impact Fee Service Area  
**Property Owner:** Ranchos Real XV, LLC., El Paso County  
**Applicant:** Conde, Inc.  
**Representative:** Conde, Inc.

### **SURROUNDING ZONING AND LAND USE**

**North:** ETJ (Extraterritorial Jurisdiction) / Vacant  
**South:** ETJ (Extraterritorial Jurisdiction) / Vacant  
**East:** ETJ (Extraterritorial Jurisdiction) / Vacant  
**West:** R-5 (Residential) / Vacant

**PLAN EL PASO DESIGNATION:** O6, Potential Annexation

### **APPLICATION DESCRIPTION**

The applicant proposes to subdivide approximately 9.222 acres of vacant land and dedicate it as right-of-way. Primary access to the subdivision is proposed from Edgemere and Tim Floyd. The applicant has submitted an alternative design request for Edgemere Blvd. This subdivision is being reviewed under the current subdivision code.

The applicant is requesting the following modification:

- To allow for the use of 1"=1000' scale for the location map.

## **DEVELOPMENT COORDINATING COMMITTEE**

The Development Coordinating Committee recommends **denial** of Edgemere Subdivision Extension on a Major Preliminary basis subject to the following comments.

### **Planning Division Recommendation:**

Staff recommends **denial** of Edgemere Subdivision Extension based on pending revisions that have not been submitted in order to meet the requirements of the Subdivision Code, as well as missing approvals from El Paso County.

### **Planning & Inspections Department - Land Development**

We have reviewed subject plats and recommend **Approval**.

### **Parks and Recreation Department**

We have reviewed **Edgemere Subd. Extension**, a major preliminary plat map and offer no objections to this plat application.

Please note that proposed use for this Subdivision is for the right-of-way extension of Edgemere Blvd. which under the Municipal Code definitions is considered a "Public facility" therefore, meeting the requirements to be excluded from the calculation for parkland dedication ordinance Title 19 – Subdivision & Development Plats, **Chapter 19.20 Parks and Open Space**.

### **El Paso Water Utilities**

The El Paso Water Utilities – Public Service Board (EPWU) does not object to this request.

EPWU-PSB Comments:

*Edgemere Subdivision Extension is located within the Eastside Impact Fee Service Area.*

*Impact fees are due at the time of new service application for individual water meters within Edgemere Subdivision Extension.*

*The deep sanitary sewer main along Edgemere Boulevard will be designed by the EPWU-PSB's engineering consultant.*

### **Water**

Water storage improvements to the existing system are required to enable service to the subject property.

The subject subdivision is located within the EPWU's East Montana Water Distribution pressure zone.

Water service to the subject development will require the construction of a sixteen (16) inch diameter water transmission main along Vista Del Este Street. The main will connect to the existing twenty-four (24) inch diameter water transmission main that is located along Montana Avenue's north right-of-way line. A bore procedure and installation of steel casing pipe across Montana Avenue will be required in order to enable the connection of this proposed 16-inch main to the described 24-inch main that extends along Montana Avenue. The proposed 16-inch water main will also extend along Edgemere Boulevard from Tim Floyd to Vista Del Este Street.

No direct service connections are allowed to this proposed sixteen (16) inch diameter water

transmission main as per the El Paso Water Utilities - Public Service Board Rules & Regulations.

### **Sanitary Sewer**

Along Edgemere Boulevard between John Hayes Street and Nevil Shed Street there is an existing thirty (30) inch diameter deep sanitary sewer interceptor. This main dead-ends at approximately 145 feet east of Nevil Shed Street.

The developments located east of TDE 67, Tierra Del Este Unit Seventy One ( 71 ) [ TDE 71 ], as well as Tierra Del Este Unit Seventy Seven ( 77 ) [ TDE 77 ] will include the extension of the described thirty (30) inch diameter deep sanitary sewer interceptor main along their respective portions of the proposed Edgemere Boulevard extensions.

The development of Edgemere Subdivision Extension will require the extension of the described thirty (30) inch diameter deep sanitary sewer interceptor along Edgemere Boulevard east of Tim Floyd Street along the entire length of Edgemere Subdivision Extension.

No direct service connections are allowed to this proposed thirty (30) inch diameter deep sanitary sewer interceptor main as per the El Paso Water Utilities - Public Service Board Rules & Regulations.

EPWU-PSB requests master grading plans of the entire land study area to aid in the design of the sewer system to serve the property.

### **General**

Coordination with the Developer is required to ascertain that the water transmission mains, storage improvements, and sewer interceptors are constructed in parallel with development.

EPWU requires a new service application to initialize design of the water and sanitary sewer main extensions to serve the subject property. New service applications are available at 1154 Hawkins, 3<sup>rd</sup> Floor. The following items are required at the time of application: (1) hard copy of subdivision plat; (2) finalized set of street improvement plans, including storm sewer; (3) digital copy of subdivision plat; (4) benchmark check; and (5) construction schedule. Service will be provided in accordance with the current EPWU – PSB Rules and Regulations. The owner is responsible for the costs of any necessary on-site and off-site extensions, relocations or adjustments of water and sanitary sewer lines and appurtenances.

**Additional Requirements and General Comments:**

1. Submit to the Planning & Inspections Department – Planning Division the following prior to recording of the subdivision.
  - a. Current certified tax certificate(s)
  - b. Current proof of ownership
  - c. Release of access document, if applicable
  - d. Set of restrictive covenants, if applicable
2. Every subdivision shall provide for postal delivery service. The subdivider shall coordinate the installation and construction with the United States Postal Service in determining the type of delivery service for the proposed subdivision. In all cases, the type and location of delivery service shall be subject to the approval of the United States Postal Service.

Re: Modification Request – Edgemere Subdivision Extension

Dear Jeff,

As per your request and as per Title 19 Subdivision, Chapter 19.04 General Provisions, Sub-section 19.04.170 Modification of Conditions, we are submitting a revised formal request for the following modifications to the above mentioned subdivision as follows:

- Subdivision Improvement Design Standards Section 19.08-06 to allow for a location map scale of 1" = 1,000' instead of 1"=600' to provide a more legible location map.
- Design Standards for Construction, Section 3-1, to allow for a modified cross-section of a Major Arterial with Bike lanes.

If you have any questions or comments on the above please let me know. Thank you for your time and consideration in this matter.

Sincerely,

Conrad Conde  
CONDE, INC.
