Property Owner: Border Loop Dialysis, LLC
Representative: Eric T. Hardesty
District: 2
Staff Contact: Andrew Salloum, (915) 212-1613, salloumam@elpasotexas.gov

Andrew Salloum, Planner, gave a presentation and noted that there is a revised staff report for this item.

The applicant is requesting to rezone the subject property from R-4 (Residential) and A-2 (Apartment) to C-1 (Commercial) in order to allow a parking lot for a dialysis clinic. Staff recommends approval of rezoning the subject property from R-4 (Residential) and A-2 (Apartment) to C-1 (Commercial) with a condition: *That "Design of the Alabama Street ingress/egress access be reviewed and approved by the City Traffic Engineer prior to the issuance of any permits for a proposed driveway on Alabama Street frontage.* The recommendation is based on compatibility with surrounding land uses and the existing C-1 (Commercial) zoned properties to the east of the subject property and supports the Plan El Paso Land Use Designations G-2, Traditional Neighborhood (Walkable).

Eric Hardesty, representing the owner, concurred with staff's recommendation except for the condition. He noted that the owners are not interested in the access to Alabama and are only interested in the access that already exists on Copia.

Ted Marquez, Director for the Department of Transportation, noted that the reason for the condition to access to Alabama is for safety concerns.

Commissioner Wright asked if there was anyone in the public who wished to speak in favor or against this request.

Jesus Visalazar suggested that there not be an ingress/egress onto a residential street.

Mr. Hardesty noted that there is a special condition on that property that restricts access to Keltner and the owners have not requested access to Keltner.

Alex Hoffman, Lead Planner, noted that the adjacent property has conditions on it that state that the access is limited.

ACTION: Motion made by Commissioner Madrid, seconded by Commissioner Ardivino, and unanimously carried to **APPROVE PZRZ14-00014.**

Motion passed.

PUBLIC HEARING Detailed Site Development Plan Applications:

6. **PZDS14-00004:** Kern View Estates Unit Two, City of El Paso, El Paso County, Texas
- Location: North of San Mateo Lane and East of Las Vegas Drive
Zoning: P-R I /C (Planned Residential I/Condition)
Request: Permit Single Family Attached Dwellings, Setback Reductions, Increase in Building Height, Lot Size
- Existing Use: Vacant
Proposed Use: Single Family Attached Dwellings
Property Owner: Piedmont Group, LLC.
Representative: Brock & Bustillos Inc., c/o Sergio J. Adame P.E.
District: 1
Staff Contact: Alex Hoffman, (915) 212-1566, hoffmanap@elpasotexas.gov

Alex Hoffman, Lead Planner, gave a presentation and noted that there is a revised staff report for this item. On May 7, 2014, a notice of the public hearing was mailed to all property owners within 300 feet of the subject property. Staff received two letters of inquiry and a petition with 107 signatures against the proposed development for the detailed site plan. Mr. Hoffman presented the case history and conditions imposed per Ordinance #011247 and noted that the condition imposed was to preserve the character of the mountain. All the conditions imposed on this ordinance have been complied with by the applicant in the detailed site plan or the current requirements of the code. Staff recommends approval of the detailed site development plan request as it meets all of the requirements of Section 20.04.150, Detailed Site Development Plan and 20.10.360 C., Planned Residential.

Roman Bustillos with Brock & Bustillos concurred with staff's comments.

Sergio Adame Design Engineer with Brock & Bustillos gave a power point presentation.

Commissioner Wright asked if there was anyone in the public who wished to speak in favor or against this request. The following people spoke.

- Bob Novick wanted to clarify that Procedure 20.04.150 (D-4) states that in no instance shall the City Planning Commission have authority to vary the yard standards applicable to the district.

Alex Hoffman, Lead Planner, noted that this application is before the commission for a recommendation only. He noted that Mr. Novick is correct in stating that the commission does not have the authority to vary the yard standards applicable to the district but only make the recommendation to council.

- Ed Vohn spoke in opposition to this request. He expressed concern about traffic and water running down directly onto Okeefe Drive
- Austin Cunningham spoke in opposition to this request
- Arturo Dominguez signed up to speak but instead gave his time to Mr. Jorge Angulo
- Jorge Angulo noted that the access street is not Metetuye but Bacerac which is a small street with no sidewalks and cannot be developed in the manner that the developer is suggesting. He had concerns about safety, traffic, statics, water, and a special condition
- David Rutledge showed some pictures and expressed traffic concerns and noted that he has no objection to the detailed site development request as long as it doesn't go through Las Vegas Street. If it does, than he requested that speed bumps be installed. He also addressed the issue of stilts
- Monica Benjamin spoke in opposition to this request
- Lee Schwartz spoke in opposition to this request and expressed concerns about traffic safety. He is concerned about the ability for emergency vehicles getting to the houses in case of an emergency
- Bob Halter spoke regarding the legality of the City Plan Commission. He feels the ordinance should have gone to City Council first and then to the City Plan Commission. He noted that the storm water report is not included in the staff report
- Henry Jurado expressed concerns about safety and water runoff
- Octavio Dominguez noted that no blasting will be allowed on the property according to the 1992 Agreement, Page 6

Roman Bustillos rebutted some of the comments expressed. He noted that the owners met with the Mission Hills Association and with Mr. Angulo, the engineer, and discussed these points. Although much of the public expressed concern about the safety issue he noted that they are under the threshold of the TIA in terms of the environmental impact. He also noted that they are increasing safety for Kern Estates plus the open space. He addressed Mr. Rutledge's concern regarding stilts and noted that they are not using stilts but will be doing retaining walls plus they will also be cutting and removing the unusable materials. He addressed the drainage issue and noted that the streets are already rated for drainage capacities. He addressed the water pressure issue and noted that they are extending the water line from the tank area and will not have the low pressure conditions. Regarding the statics situation he noted that the developer is going to restore and replant some of the vegetation to make it better. Mr. Bustillos also answered questions from the commission.

Mr. Joseph Nestor responded to some concerns expressed from the commission including the placement of mechanical units.

Jorge Angulo suggested that the commission consider the access from Piedmont because that would provide a secondary access and egress.

Monica Benjamin noted that there is a 90 degree turn from Metetuye to Medrock and asked how the water would get from Metetuye to Okeefe.

Sergio Adame responded that they are proposing to approach that problem by placing an energy disipation structure at the end of the discharge so that water will be released slowly to the street rather than having a stream hitting directly to Metetuye.

ACTION: Motion made by Commissioner Erickson, seconded by Commissioner Madrid, and carried to **APPROVE PZDS14-00004.**

AYES: Commissioner Loweree, Erickson, Wright, and Madrid

NAYS: Commissioner Brannon, Grambling, and Ardivino

ABSENT: Commissioner Amoriello

Motion passed. (4-3 vote)

RECESS:

The commission took a five (5) minute break at 3:10 pm and reconvened at 3:18 pm.

- 7. **PZDS14-00017:** Portion of Lot 1, Block 1, Miramonte Industrial Park Unit 1, Replat A, City of El Paso, El Paso County, Texas
 - Location: South of Montoya Lane and West of Lockett Court
 - Zoning: P-I/sc (Planned-Industrial/special contract)
 - Request: Detailed Site Development Plan Review
 - Existing Use: Vacant
 - Proposed Use: General Warehousing
 - Property Owner: Suntrack LTD
 - Representative: Roe Engineering
 - District: 1
 - Staff Contact: Michael McElroy, (915) 212-1612, mcelroyms@elpasotexas.gov

Michael McElroy, Planner, gave a presentation and noted that upon annexation the subject property was zoned to I-D (Industrial-District) by Ordinance 2926 on September 14, 1972, which included a special contract. The contract included platting, drainage improvements, and railroad improvement conditions. The conditions for platting and railroad improvements have been complied with. The condition for approval of drainage plans before building permits will be addressed at the building permitting stage and is not a requirement for this case. Staff recommends approval of the detailed site development plan request as it meets the requirements of Section 20.04.150, Detailed Site Development Plan.

Bradley Roe with Roe Engineering concurred with staff's comments.

Commissioner Wright asked if there was anyone in the public who wished to speak in favor or against this request. There was no response.

ACTION: Motion made by Commissioner Ardivino, seconded by Commissioner Brannon, and unanimously carried to **APPROVE PZDS14-00017.**

Motion passed.

Representative: Juan Ulloa
District: 1
Staff Contact: Michael McElroy, (915) 212-1612, mcelroyms@elpasotexas.gov

Michael McElroy, Planner, gave a presentation and noted that the request is for a special permit for infill development and detailed site plan approval to allow for an assisted living facility of four or more persons, and to allow a reduction in rear and cumulative setbacks to permit a patio to within 10' of the rear lot line.

Juan Ulloa concurred with staff's comments.

Commissioner Wright asked if there was anyone in the public who wished to speak in favor or against this request.

Monica Benjamin asked for clarification as to what the use of the house will be and if it is going to be used as a business or not.

Mr. Ulloa responded that it will be part business and part residential.

ACTION: Motion made by Commissioner Brannon, seconded by Commissioner Ardovino, and unanimously carried to **APPROVE PZST14-00002.**

Motion passed.

Proposed Use: Expansion of single-family dwelling
Property Owner: Hal Marcus
Representative: Spectrum Engineering
District: 8
Staff Contact: Andrew Salloum, (915) 212-1613, salloumam@elpasotexas.gov

Andrew Salloum, Planner, gave a presentation and noted that the applicant is requesting a special permit for infill development and detailed site development plan review. The applicant is requesting the following reductions in yard setback: from the required 10-foot rear yard setback to 0 feet and from the required 4-foot side yard setback to 0 feet. Staff recommends approval of the request for special permit and detailed site development plan review for infill development.

Gerardo Herrera concurred with staff's comments.

Commissioner Wright asked if there was anyone in the public who wished to speak in favor or against this request. There was no response.

ACTION: Motion made by Commissioner Madrid, seconded by Commissioner Ardivino, and unanimously carried to **APPROVE PZST14-00010.**

Zoning: R-4/sp (Residential/special permit)
Request: Personal Wireless Service Facility (PWSF)
Existing Use: Church
Proposed Use: Personal Wireless Service Facility (PWSF)
Property Owner: Trinity Lutheran Church
Representative: Les Gutierrez on behalf of Verizon Wireless
District: 2
Staff Contact: Michael McElroy, (915) 212-1612, mcelroyms@elpasotexas.gov

Michael McElroy, Planner, gave a presentation and noted that there is a revised staff report for this item reflecting that staff received four letters, five phone calls and a petition with 137 signatures in opposition to the special permit request. The applicant is requesting a special permit to allow for the placement of a ground-mounted personal wireless service facility (PWSF) on the church property. The antennas and support structure will be camouflaged to resemble a pine tree. The applicant submitted verification that co-location is not possible as required by Section 20.10.455(D)(1)(iii), necessitating a new tower. Staff recommends approval of the special permit for a personal Wireless Service Facility (PWSF), as it meets all the requirements of Sections 20.04.320 Special Permit, Section 20.04.160 Detailed Site Development Plan, and 20.10.455 PWSF.

Les Gutierrez concurred with staff's comments.

Commissioner Wright asked if there was anyone in the public who wished to speak in favor or against this request.

The following people spoke in opposition to this request.

- Sarai Davila spoke in opposition
- Norma Deering spoke in opposition
- Ruth Pearson spoke in opposition and displayed a letter and a petition with signatures against this request
- Clifford Wallace spoke in opposition
- Judy Gutierrez, Administrative Assistant for Representative Romero, noted that Rep. Romero is against the placement of this cell tower at this location. She noted that their office has received about 25 phone calls and a couple of emails against this request
- Deborah Sillig spoke in opposition to this cell tower and noted that approximately 90% of the residents that were polled do not want a cell tower at this location
- Henderick Uhrmacker also spoke in opposition

Hamey Alladin RF Design Engineer for Verizon Wireless noted that Verizon always looks at every available option. He noted that the equipment going into this place is very low powered equipment and will be fiber fit which goes into the tower and is only 40 watts that are coming out of those antennas.
