SURROUNDING ZONING AND LAND USE

North: R-4 (Residential)/ Single-Family Development

South: R-4 (Residential)/ Border Highway

East: R-5 (Residential) / Single-Family Development & SD/sc (Special Development/ special contract) Single-Family Development

West: R-4 (Residential) / Single-Family Development

PLAN EL PASO DESIGNATION: G2 Traditional Neighborhood (Walkable)

APPLICATION DESCRIPTION

This is an application to replat approximately 2 acres of vacant land into 10 residential lots. The lots are approximately 7,000 square feet and are intended for 10 duplex/two family dwelling units. Previously, the applicant was granted a special permit for infill development, in which they requested reduced lot width, cumulative front and rear yard setbacks. Access to the subdivision is proposed from Glenwood Drive. The subdivision is being reviewed under the current subdivision code. The applicant is proposing the following exception:

- To allow a 97.18-foot minimum offset distance in accordance with Section 19.15.120-(Street offsets).

DEVELOPMENT COORDINATING COMMITTEE

The Development Coordinating Committee’s recommendation is **pending** submittal and review of the alternative design for the proposed cul-de-sac.

Planning Division Recommendation:
Pending.

City Development Department - Land Development

We have reviewed subject plan recommend **Approval**; no objections.

Parks and Recreation Department

We have reviewed **Glenwood Circle Place**, a resubdivision combination plat map and offer Applicant / Developer / Engineer the following comments:

Please note that this subdivision is zoned "R-4" allowing the construction of Single-family & Two-family dwelling units, therefore, we offer the following comments:

This subdivision consists of 10 lots & Applicant is proposing 10 duplexes for a total of 20 dwelling units; per proposed number of units, this replat is increasing density as evidenced by the original subdivision and this replat therefore, subject to re-calculation of the "Park fees".

Applicant shall be required to pay "Park fees" in the amount of **\$24,660.00** based on the following calculations:

10 Two-family dwellings for a total of 20 dwelling units @ \$1,370.00 per dwelling = **\$27,400.00**

Less "Park fees" credits already paid for the "original subdivision on 1/12/07 = **\$2,740.00**

Balance = \$24,660.00

Please allocate generated funds under Park Zone: **C-4**

Nearest Parks: **De Vargas** & **Modesto Gomez**

El Paso Water Utilities

1. EPWU does not object to this request.
2. In May of 2007, EPWU designed water distribution and sanitary sewer collection systems to serve the subject property. A design fee invoice and a blank Development Agreement were forwarded to the Owner on May 16, 2007 under the subdivision name of San Angelino Estates. No water or sanitary sewer lines were installed to serve the subject subdivision.
3. EPWU requests the current Owner to submit a new application for water and sanitary sewer service along with a new set of city-approved improvement plans.

Water

4. There is an existing 8-inch diameter water main along Glenwood Street. A water main extension along the proposed Dario Court is required. The Owner is responsible for all water main extension costs.
5. Previous water pressure reading from fire hydrant # 3118 located at the northwest intersection of Glenwood Street and Chesak Circle, have yielded a static pressure of 102 (psi) pounds per

square inch, a residual pressure of 86 (psi) pounds per square inch and a discharge of 1163 (gpm) gallons per minute

6. The owner should, for his own protection and at his own expense, install at the discharge side of each water meter a pressure regulator, strainer and relief valve, to be set for pressure as desired by the customer. The Lot owner shall be responsible for the operation and maintenance of the above-described water pressure regulating device.

Sanitary Sewer

7. There is an existing 8-inch diameter sanitary sewer main along Glenwood Street. A sewer main extension along the proposed Dario Court is required. The Owner is responsible for all sewer main extension costs.

General

8. Application for water and sanitary sewer services should be made 6-8 weeks prior to any construction to ensure water for construction work. A site plan, a utility plan, grading & drainage plans, landscaping plan (if applicable), the legal description of the property, and a certificate-of-compliance are required at the time of application. The Owner/Developer is responsible for the costs of any necessary on-site and off-site extensions, relocations or adjustments of water and sanitary sewer lines and appurtenances.

911

The name of the street in itself currently exists, therefore, even if connected to, and even if it has a different suffix, constitutes duplicity.

- The El Paso County 911 District **Requests** that another name be chosen for this street.
- The El Paso County 911 District requests that addressing is displayed on the plat for review while still in the preliminary stage.

Additional Requirements and General Comments:

1. Submit to the City Development Department – Planning Division the following prior to recording of the subdivision.
 - a. Current certified tax certificate(s)
 - b. Current proof of ownership
 - c. Release of access document, if applicable
 - d. Set of restrictive covenants, if applicable
2. Every subdivision shall provide for postal delivery service. The subdivider shall coordinate the installation and construction with the United States Postal Service in determining the type of delivery service for the proposed subdivision. In all cases, the type and location of delivery service shall be subject to the approval of the United States Postal Service.

RE: Glenwood Circle Place Subdivision

This is a request for a modification of the El Paso City Code Title 19.15.120, which requires a minimum street offset distance of 125 feet distance between centerline intersections of Glenwood Circle and Flower Drive. Our request is to modify the code to 97.18 feet.

If additional Information is necessary please call me.

Thank you,

Fermin Dorado, P.E.
