**PLAN EL PASO DESIGNATION:** G2, Traditional Neighborhood (Walkable)

**APPLICATION DESCRIPTION**

The applicant seeks to vacate 52' wide portions of Hernandez Drive, Fox Drive, and Jaffe Street as well as a 65' wide section of Abdou Road totaling 2.917 acres. The area to be vacated totals 2.917 acres and is requested in order to privatize the streets. The applicant is the owner of the property. The surrounding apartment complex will be demolished and re-constructed.

## **NEIGHBORHOOD INPUT**

Notices of the Public Hearing were mailed on June 15, 2016, and published as per Section 19.15.040. The Planning Division did receive ~~two~~ three phone calls. One was in support of the application and proposed project, the other ~~two~~ were ~~was~~ to inquire about the application and proposed project. No opposition was received.

## **DEVELOPMENT COORDINATING COMMITTEE**

The Development Coordinating Committee recommends ~~pending resolution of utility company comments.~~ **approval** of Abdou Road, Hernandez Drive, Jaffe Street, and Fox Drive Right-of-Way Vacation subject to the following condition:

- That the applicant files Sherman Subdivision Replat A at the time of City Council approval in order to ensure that utility and access easements are maintained.

## **Planning Division Recommendation:**

Staff recommends ~~pending resolution of utility company comments.~~ **approval** of Abdou Road, Hernandez Drive, Jaffe Street, and Fox Drive Right-of-Way Vacation **with the condition as stated above.**

## **Plan El Paso Goals & Policies:**

The applicant's proposal meets goals 6.1 and 6.4 of Plan El Paso:

Goal 6.1: Maintain a sustainable and efficient housing supply for all residents of El Paso.

Policy 6.1.1: Strive to distribute a variety of housing types throughout the City to expand choices available to meet the financial, lifestyle, and cultural needs of El Paso's diverse population. Strongly encourage housing types that take into account non-traditional households and multi-generational families.

Goal 6.4: Expand opportunities for affordable housing through new tools, technologies, and partnerships.

Policy 6.4.2: Expand the availability of affordable housing throughout the City of El Paso and preserve existing affordable housing opportunities.

## **Planning and Inspections Department - Land Development**

We have reviewed subject plats and recommend **Approval**.

The Developer/Engineer shall address the following comments.

1. No objections. At the improvement stage make sure that the historic runoff continues its path throughout the subdivision.

## **Parks and Recreation Department**

We have reviewed **Abdou, Hernandez Jaffe & Fox Street – Right of Way Vacation**, survey map and on behalf of CID Parks & Planning Division we offer no objections TO these street right-of-way vacations.

### **El Paso Water Utilities**

The replat and vacation applications will need to run concurrently, and the replat shall include the easements.

EPWU's has reviewed the above reference street vacation request and provide the following comments:

EPWU requires the dedication of a PSB easement to accommodate the existing water main along Hernandez Drive and a portion of Abdou Road.

#### **Water:**

There is an existing 12-inch diameter water main extending along Hernandez Drive, the water main is located approximately 10 feet east from the center line of the right-of-way.

EPWU records indicate there are no water mains along Abdou Road, Jaffe Street and Fox Drive.

Previous water pressure reading from fire hydrant #1899 located at Hernandez Drive and SE Corner of Paisano Drive, yield a static pressure of 100 (psi), a residual pressure of 50 (psi), and the discharge of 1592 gallons per minute.

A private water pressure regulating device will be required at the discharge side of each water meter within the property.

#### **Sewer:**

EPWU records indicate there are no sanitary sewer mains along Hernandez Drive, Abdou Drive, Jaffe Street and Fox Drive.

#### **General:**

Easement grantor shall indemnify, defend, and hold harmless the EPWU from and against any and all claims, liability, actions, and damages for bodily injury and property damage to third parties or to EPWU which may be caused by or arise out of the maintenance and existence of water main in the easement area.

No building, reservoir, structure or other improvement, other than asphaltic paving (HMAC), shall be constructed or maintained on the above references easement without the written consent of EPWU.

EPWU requires access to the existing water facilities, appurtenances, located within the easement 24 hours a day, seven (7) days a week.

The fire hydrant located at Hernandez Drive and SE Corner of Paisano Drive shall be protected by placing it on a raised parking island.

### **Time Warner Cable**

We have completed your request. We have reviewed your plans and there is a cost estimated to be \$9,710.44 that would be involved with this relocation.

Time Warner Cable (TWC) has aerial and underground facilities within the Property Description shown on the documents provided by the requestor, within the city of El Paso, TX. TWC does reserve the right to have access to any applicable utility easements on the property for the purpose of future construction or maintenance. The owner and/or lessee of said property may also be responsible for the relocation/removal of any structure interfering with access to these easements, if necessary.

If it has not already taken place, please call 1-800-DIG-TESS to have facilities marked and located within affected easements before any excavations are begun.

For future reference, please send all utility coordination, abandonments, encroachments, plat signatures, or serviceability requests, or notices of relocation to [west-engineering-relo@twcable.com](mailto:west-engineering-relo@twcable.com). Please share this information with whoever needs these services.

**AT&T**

~~We currently have cable feeding this complex. Is it being torn down? Rebuilt? We can vacate, but will need new conduit placed to the cable point so we can refeed, once it's been rebuilt.~~

No objection if a new easement will be provided to AT&T to place new structure/Cable within the property.

**El Paso Electric Company**

~~No comments received.~~

“If this vacation case is approved, El Paso Electric will either, (1) need to acquire easements for the existing facilities if they are to remain in their current locations (since street ROW will convert to private property) or, (2) El Paso Electric will need to relocate the existing facilities to other locations at the customer’s expense. Since most of these facilities (highlighted areas on attached map) provide street lighting, relocation may be coordinated with EPE’s John Waters, (915) 543-2285”.

**Central Appraisal District**
