APPLICATION DESCRIPTION

The applicant is proposing to replat 57.0342 acres of land into 240 single family lots. Access to the subdivision is proposed from Borderland Road and Westside Drive. This development is being reviewed under the current subdivision ordinance. Rio Valley Subdivision was previously approved by CPC on August 23, 2012.

DEVELOPMENT COORDINATING COMMITTEE

The Development Coordinating Committee recommends **pending** of Rio Valley Subdivision Replat A on a **Resubdivision Combination** basis until the following comments have been addressed:

City Development Department-Planning Division:

Staff recommends **pending** of Rio Valley Subdivision Replat A on a **Resubdivision Combination** basis until the following comments have been addressed.

1. Reason for replat.
2. Approval of revised master zoning plan.

City Development Department-Land Development:

We have reviewed subject plats and recommend **Approval**. Developer/Engineer shall address the following comments.

Update typical street ROW cross sections on preliminary plat.

Parks and Recreation Department:

We have reviewed **Rio Valley Subdivision Replat "A"**, a resubdivision combination plat map and offer Developer / Engineer the following comments:

Please note that this subdivision density is not being increased, as evidenced by the original subdivision and replat, therefore meeting the requirements to be excluded from the calculation for parkland dedication as per ordinance Title 19 – Subdivision & Development Plats, **Chapter 19.20 – Parks & Open Space** as noted below.

Section 19.20.060 - Exclusions from dedication requirement.

Exclusions. The following shall be excluded from the calculation for parkland dedication. In all instances, the **burden of proof shall be on the subdivider** to demonstrate that the plat meets the requirements of this chapter:

- A. A residential replat of an area where the density has not been increased from the original subdivision, as evidenced by the original subdivision and replat. In the case of a replat where parkland was not originally provided, the parkland requirements shall prevail.

El Paso Water Utilities:

We have reviewed the above referenced subdivision and provide the following comments:

1. EPWU does not object to this request.
2. The Owner/Developer has entered into a Development Agreement with the El Paso Water Utilities – Public Service Board (EPWU-PSB) to construct the water and sewer mains that will provide service to the subdivision. The Developer’s utility contractor is currently installing the required water and sanitary sewer mains which will be available for permanent service after EPWU-PSB issues a Letter of Final Acceptance of the facilities.
3. EPWU is interested in leasing the water rights of the subject property. Please contact Ms. Alma De Anda at 594-5513.

El Paso Fire Department:

El Paso Electric Company:

No comments received.

Additional Requirements and General Comments:

1. Submit to the City Development Department – Planning Division the following prior to recording of the subdivision.
 - a. Current certified tax certificate(s)
 - b. Current proof of ownership
 - c. Release of access document, if applicable
 - d. Set of restrictive covenants, if applicable
2. Every subdivision shall provide for postal delivery service. The subdivider shall coordinate the installation and construction with the United States Postal Service in determining the type of delivery service for the proposed subdivision. In all cases, the type and location of delivery service shall be subject to the approval of the United States Postal Service.
3. This property is subject to impact fees. The table and respective language shall be included on the face of the final approved and recorded plat. Impact fees shall be calculated based on the table below:

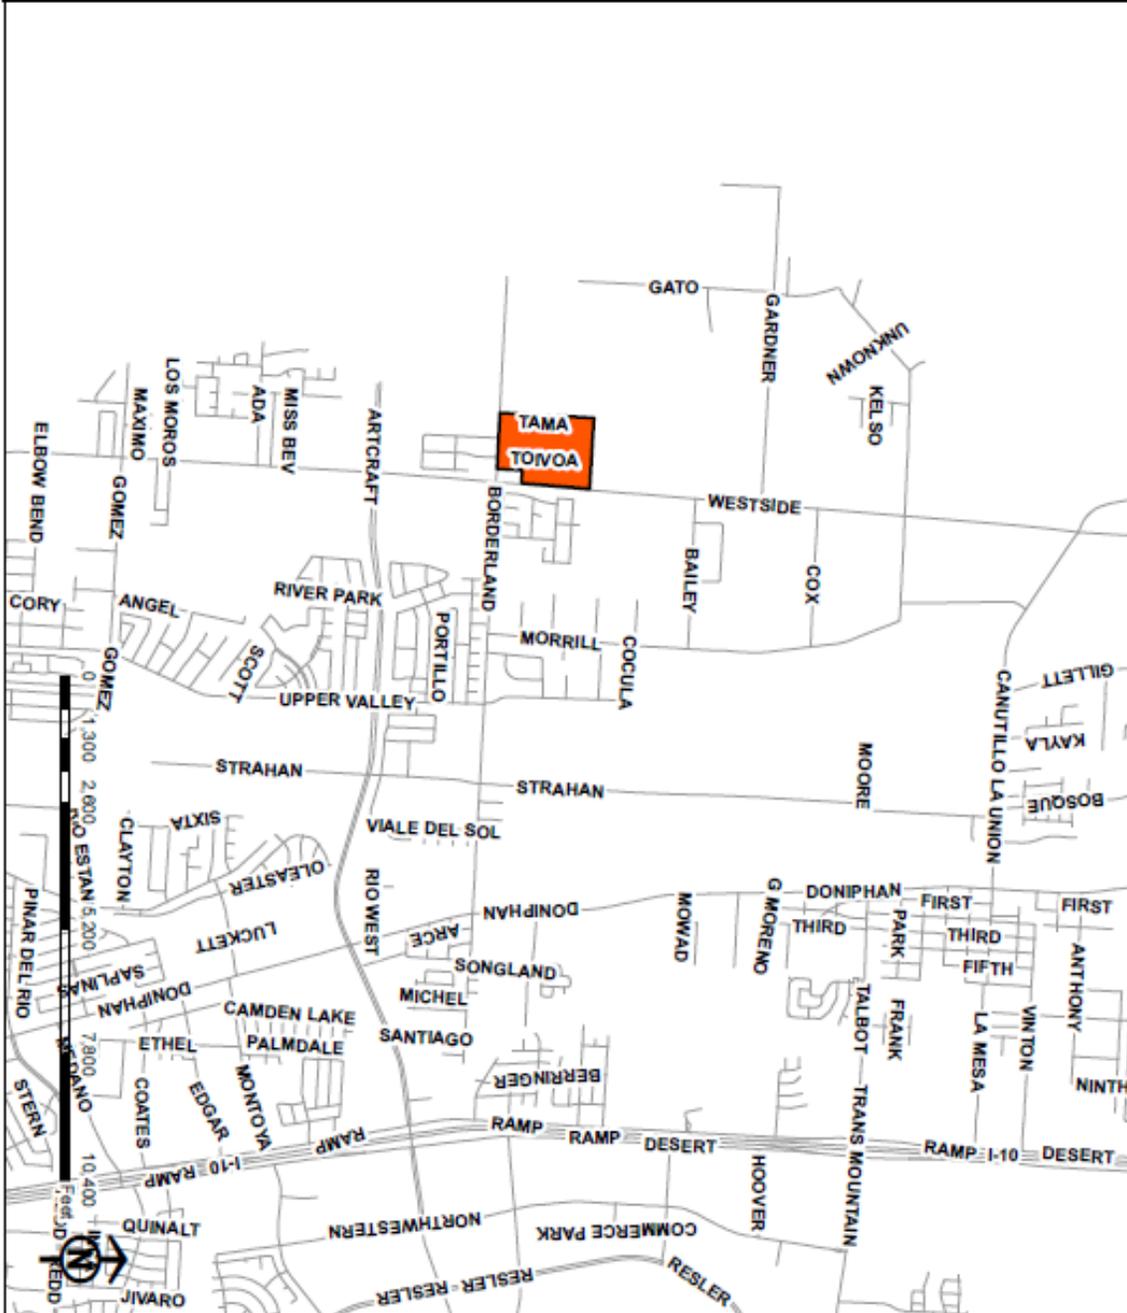

Chapter 395 of the Texas Local Government Code authorizes the City of El Paso to adopt and impose water and wastewater impact fees. This plat note fulfills an obligation mandated by Chapter 395 and sets the assessment of the impact fees in accordance with the impact fee schedule adopted by City Council as set forth below. The collection of the impact fee for this subdivision shall be prior to the time a building permit is issued if development is within the city limits or at the time of the meter connection if development is outside the city limits.
