NEIGHBORHOOD ASSOCIATIONS

Eastside Civic Association

NEIGHBORHOOD INPUT

Notice of a Public Hearing was mailed to all property owners within 300 feet of the subject property on July 29, 2015. The Planning Division has not received any communications in support or opposition to the rezoning request.

APPLICATION DESCRIPTION

The property owner is requesting a rezoning from C-1 (Commercial) to C-3 (Commercial) to permit the construction of an automobile dealership lot. The property is currently vacant. Access is proposed from Zaragoza Road.

Planning and Inspections Department – Planning Division Recommendation

Pending.

Plan El Paso-Future Land Use Map Designation

All applications for rezoning shall demonstrate compliance with the following criteria:

G-4 – Suburban (Walkable): This sector applies to modern single use residential subdivisions and office parks, large schools and parks, and suburban shopping centers. This sector is generally stable but would benefit from strategic suburban retrofits to supplement the limited housing stock and add missing civic and

commercial uses.

The purpose of the C-3 (Commercial) district is to provide goods or render services which are used in support of the community's trade and service establishments and serving multi-neighborhoods. Permit intensities designed to be compatible with each other and to provide for a wide range of types of commercial activity, including light automobile related uses.

COMMENTS:

Planning and Inspections Department – Planning Division - Transportation

Pending TIA/TIA Waiver letter.

Note: All existing / proposed paths of travel (accessible sidewalks, wheelchair access curb ramps and driveways) within public rights-of-way shall be in compliance with current ADA/TAS rules and regulations and the current City of El Paso Design Standards for Construction.

Planning and Inspections Department - Land Development

No objection.

Planning and Inspections Department – Plan Review

Conceptual plan submitted was not reviewed for conformance with zoning or landscape requirements. At the time of submittal for building permits the project will need to comply with all applicable provisions of the IBC, TAS, local municipal code and landscaping requirements.

Planning and Inspections Department - Landscaping

Conceptual plan submitted was not reviewed for conformance with zoning or landscape requirements. At the time of submittal for building permits the project will need to comply with all applicable provisions of the IBC, TAS, local municipal code and landscaping requirements.

El Paso Fire Department

Rezoning request does not adversely affect the fire department.

El Paso Water Utilities

EPWU-PSB Comments

1. EPWU does not object to this request

Water:

2. There is an existing 12-inch diameter water distribution main located within a 10-foot easement along Zaragoza Rd. The water main is approximately 15 to 25 feet from the east right-of-way. This water main is available for service.
3. There is an existing 36-inch diameter water transmission main located along Zaragoza Rd. No direct service connections are allowed to this main as per the El Paso Water Utilities – Public Service Board Rules & Regulations.

Sanitary Sewer:

4. There is an existing 8-inch diameter sanitary sewer main that extends along Zaragoza Rd. located approximately 9-feet from the west right-of-way. This main is available for service.

General:

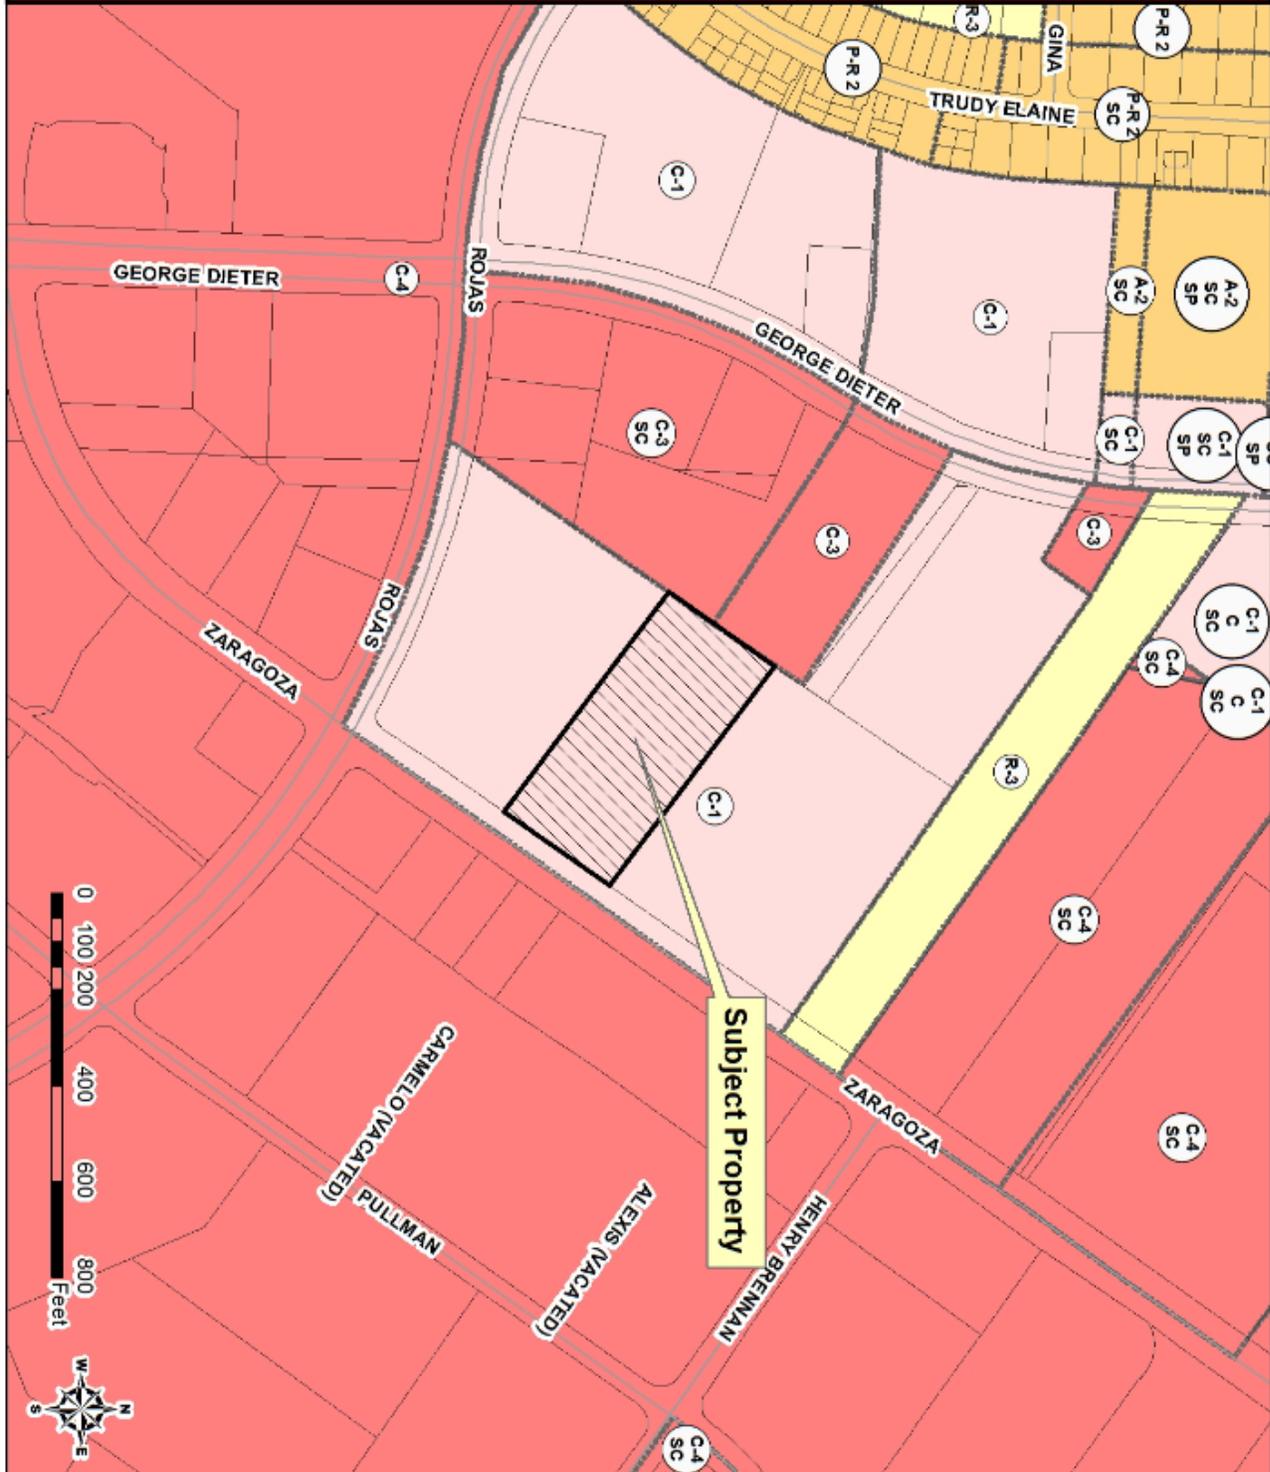

5. Zaragoza Rd. is a Texas Department of Transportation (TxDOT) right-of-way. All proposed water and sanitary sewer work to be performed within Zaragoza Rd. right-of-way requires written permission from TxDOT.
6. Depending on the size and number of water services, a water main extension across and along Zaragoza Rd. within an easement might be required.
7. EPWU-PSB requires a new service application to provide additional services. New service applications should be made 6-8 weeks in advance of construction to ensure water for construction work. The following items, if applicable, are required at the time of application: (1) hard copy of site plan with street names and addresses; (2) finalized set of improvement plans, including grading

& drainage plans; (3) digital copy of site plan; (4) benchmark check; (5) construction schedule; and (6) a certificate of compliance. Service will be provided in accordance with the current El Paso Water Utilities – Public Service Board (EPWU-PSB) Rules and Regulations. The owner is responsible for the costs of any necessary on-site and off-site extensions, relocations or adjustments of water and sanitary sewer lines and appurtenances.
