APPLICATION DESCRIPTION

The applicant is requesting a third six-month extension to submit recording maps in accordance with Section 19.08.060.H of the former subdivision code (*a six-month extension to submit the recording plat may be granted by the City Plan Commission in the event that a delay is caused by action of the City, a public utility, or other governmental entity*) for Mission Ridge Unit Nine as the County of El Paso will only approve the final plat for filing after all subdivision improvements have been constructed and accepted by the County of El Paso.

CASE HISTORY

The City Plan Commission approved Mission Ridge Unit Nine on a Major Final basis on April 5, 2012, with the following modifications:

- To allow for a 76-foot right-of-way with 44 feet of pavement, a 12-foot landscaped median, with 5-foot parkways, and 5-foot sidewalks along Emerald Park Drive.
- To allow for a 52-foot right-of-way with 32 feet of pavement and 5-foot parkways, and 5-foot sidewalks as in the current subdivision code.

On October 4, 2012, the City Plan Commission approved a six-month extension to submit recording maps for Mission Ridge Unit 9.

On March 21, 2013, the City Plan Commission approved a second six-month extension to submit recording maps for Mission Ridge Unit 9.

Both extensions were based on the County's requirement to have the subdivision improvements completed prior to recording of the plat.

CURRENT REQUEST

The applicant is now requesting a third six-month extension to submit recording maps, based on the County's requirement to have the subdivision improvements completed prior to recording of the plat. Below is information provided by the applicant:

- The percentage of public improvements completed is approximately 80%.
- The estimated date of completion in November/December 2013.
- The pending public improvements to complete are street improvements, traffic signage, and street name signs.
- The installation of electrical lines and gas main lines is currently under construction.

DEVELOPMENT COORDINATING COMMITTEE COMMENTS:

The Development Coordinating Committee recommends *approval* of a third six month extension requested for Mission Ridge Unit Nine to submit recording maps in accordance with Section 19.28.060.H. - Submission for Recording of the former subdivision code, as the delay is being caused by the El Paso County, a governmental entity.

If approved, the extension will be valid until **April 5, 2014**. Failure to submit the recording maps by the expiration date of the extension will necessitate the resubmittal of the subdivision.

Planning Division Recommendation

Approval as the delay is being caused by the El Paso County, a governmental entity.

City Development Department - Land Development

No Objection.

El Paso County

Without a performance bond or letter of credit, the County of El Paso will only approve the final plat for filing after all subdivision improvements have been constructed and accepted by the County of El Paso.

ADDITIONAL REQUIREMENTS AND GENERAL COMMENTS:

1. Prior to recording, please submit to City Development Department—Planning Division the following, if applicable:
 - a. tax certificates
 - b. release of access document
 - c. set of restrictive covenants
2. Every subdivision shall provide for postal delivery service. The subdivider shall coordinate the installation and construction with the United States Postal Service in determining the type of delivery service for the proposed subdivision. In all cases, the type and location of delivery service shall be subject to the approval of the United States Postal Service.

Plat Filing Extension-3rd Extension Request

Dear Mrs. Forsyth:

On behalf of the developer, we respectfully request for another 180-day extension for the filing of the plat maps for the above mentioned subdivision. The final plat extension expires on September 21, 2013. Our time extension is based on the County of El Paso requirements for completion of the subdivision improvements prior to the filing of the plat. The development is currently under construction and the improvements will be completed by November/December, 2013.

As part of our request for the plat filing extension for Mission Ridge Unit Nine, we offer the following information in support:

- The percentage of public improvement completed is approximately 80%.
- The estimated date of completion is November/December, 2013
- The pending public improvements to complete the subdivision are street improvements, traffic signage, and street name signs.
- The installation of electrical lines and gas main lines is currently under construction.

If you have any questions regarding this issue, please do not hesitate to contact me at 915.544.5232 or mobile number 915.355.0583.

Sincerely,
CEA Group
