9. Discussion and action on an ordinance amending Title 20 (Zoning), Chapter 20.12 Density and Dimensional Standards; Section 20.12.020 Table of Density and Dimensional Standards, Appendix B of the El Paso City Code, to amend the minimum district area for Residential, General, and Industrial Mixed Use Districts. The penalty is as provided for in Chapter 20.24 of the El Paso City Code.
Staff Contact: Alex Hoffman, (915) 212-1566, hoffmanap@elpasotexas.gov

Alex Hoffman, Lead Planner, gave a presentation and noted that this is a zoning amendment to Appendix B, Table of Density and Dimensional Standards. Staff is particularly looking at the minimum district area for G-MU, R-MU, and I-MU. This recommendation is to have conformity within the ordinance. The way the ordinance reads, for an RMU the minimum district area is 1 acre and for G-MU and I-MU it has to be three acres. Right now council only has the ability to waive that acreage requirement if it's a multi-level development. Many times applications may be good examples of R-MU, G-MU or I-MU but many times they don't have that multi-level development; therefore, council cannot waive the minimum acreage. Staff is proposing to delete the section that reads **where there is multi-level development**, so it reads consistently for all three zoning districts. City Council may approve the reduction in the minimum district area for mixed use development.

Commissioner Wright asked if there was anyone in the public who wished to speak in favor or against this request. There was no response.

ACTION: Motion made by Commissioner Loweree, seconded Commissioner Brannon, and unanimously carried to **APPROVE AN ORDINANCE AMENDING TITLE 20 (ZONING), CHAPTER 20.12 DENSITY AND DIMENSIONAL STANDARDS; SECTION 20.12.020 TABLE OF DENSITY AND DIMENSIONAL STANDARDS, APPENDIX B OF THE EL PASO CITY CODE, TO AMEND THE MINIMUM DISTRICT AREA FOR RESIDENTIAL, GENERAL, AND INDUSTRIAL MIXED USE DISTRICTS.**

Motion passed.

10. Planning Report:
Review City Plan Commission Chapter 2.08 of the City's Municipal Code, Chapter 211 Municipal Zoning Authority of the Texas Local Government Code, and by laws.
Staff Contact: Carlos Gallinar, (915) 212-1559, gallinarrc@elpasotexas.gov

Carlos Gallinar, Deputy Director for City Development, gave a presentation on Section 2.08 and noted that the commission had asked staff to look at the enabling language that gives authority to the City Plan Commission on many issues. He noted that he has a slide for Section 2.12 of the Texas Municipal Government Code but since it's not stated as such on the agenda, he will bring this item back.

Mr. Gallinar requested 30 days for staff to come back with a presentation outlining suggestions for implementing provisions in Section 2.08 of the City Municipal Code. The commission can then decide which course of action they want to follow. He will coordinate with Engineering, MCAD, Parks, and other departments and will let them know that this is something that the commission has asked staff to work on.

No action was taken.
