APPLICATION DESCRIPTION

The applicant is requesting the third six-month extension in accordance with Section 19.08.060 Subsection H (Submission for Recording) of the previous subdivision code for Painted Sky at Mission Ridge subdivision plat, approved by the City Plan Commission on May 8, 2014.

Subsection H reads as follows:

Within six (6) months following the date of final plat approval of the major subdivision application, the subdivider shall submit a recording plat subject to the requirements of Section 19.08.100 (Recording Plat Submission) to the Subdivision Coordinator; provided, however, that a six (6) month extension to submit the recording plat may be granted by the City Plan

Commission in the event that a delay is caused by action of the City, a public utility, or other governmental entity. A request for extension shall be made in writing by the subdivider on or before the initial expiration, and shall include a detailed explanation as to the reasons which merit the granting of an extension. Subsequent extensions shall meet the same requirements as the initial six (6) month extension.

CASE HISTORY

The City Plan Commission approved Painted Sky at Mission Ridge on a Major Combination basis on May 8, 2014.

The first six-month extension was granted and approved by City Plan Commission on November 20, 2014, extending the deadline to record to May 20, 2015.

The second six-month extension was granted and approved by City Plan Commission on May 21, 2015, extending the deadline to record to November 21, 2015.

CURRENT REQUEST

The applicant is now requesting the third six-month extension to submit recording maps in accordance with Section 19.08.060(H) of the previous subdivision code.

The completion of all subdivision improvements are currently being delayed as a result of the commencement of the installation of all dry utilities (i.e. Texas Gas Service Co., AT&T, El Paso Electric Co.) that will serve the subdivision. As per County's regulations, acceptance of the subdivision improvements is required in order to facilitate approval of the subdivision plat.

DEVELOPMENT COORDINATING COMMITTEE COMMENTS:

The Development Coordinating Committee recommends *approval* of the six month extension requested for Painted Sky at Mission Ridge to submit recording maps per Section 19.08.060.H – Submission for Recording of the former Subdivision Ordinance, as the delay is being caused by a governmental entity.

If approved, the extension will be valid until **May 21, 2016**. Failure to submit the recording maps by the expiration date of the extension will necessitate the resubmittal of the subdivision or an additional extension.

Planning Division Recommendation

Approval.

El Paso County Comments

The County does not have an objection to the 3rd extension request for Painted Sky at Mission Ridge.

ADDITIONAL REQUIREMENTS AND GENERAL COMMENTS:

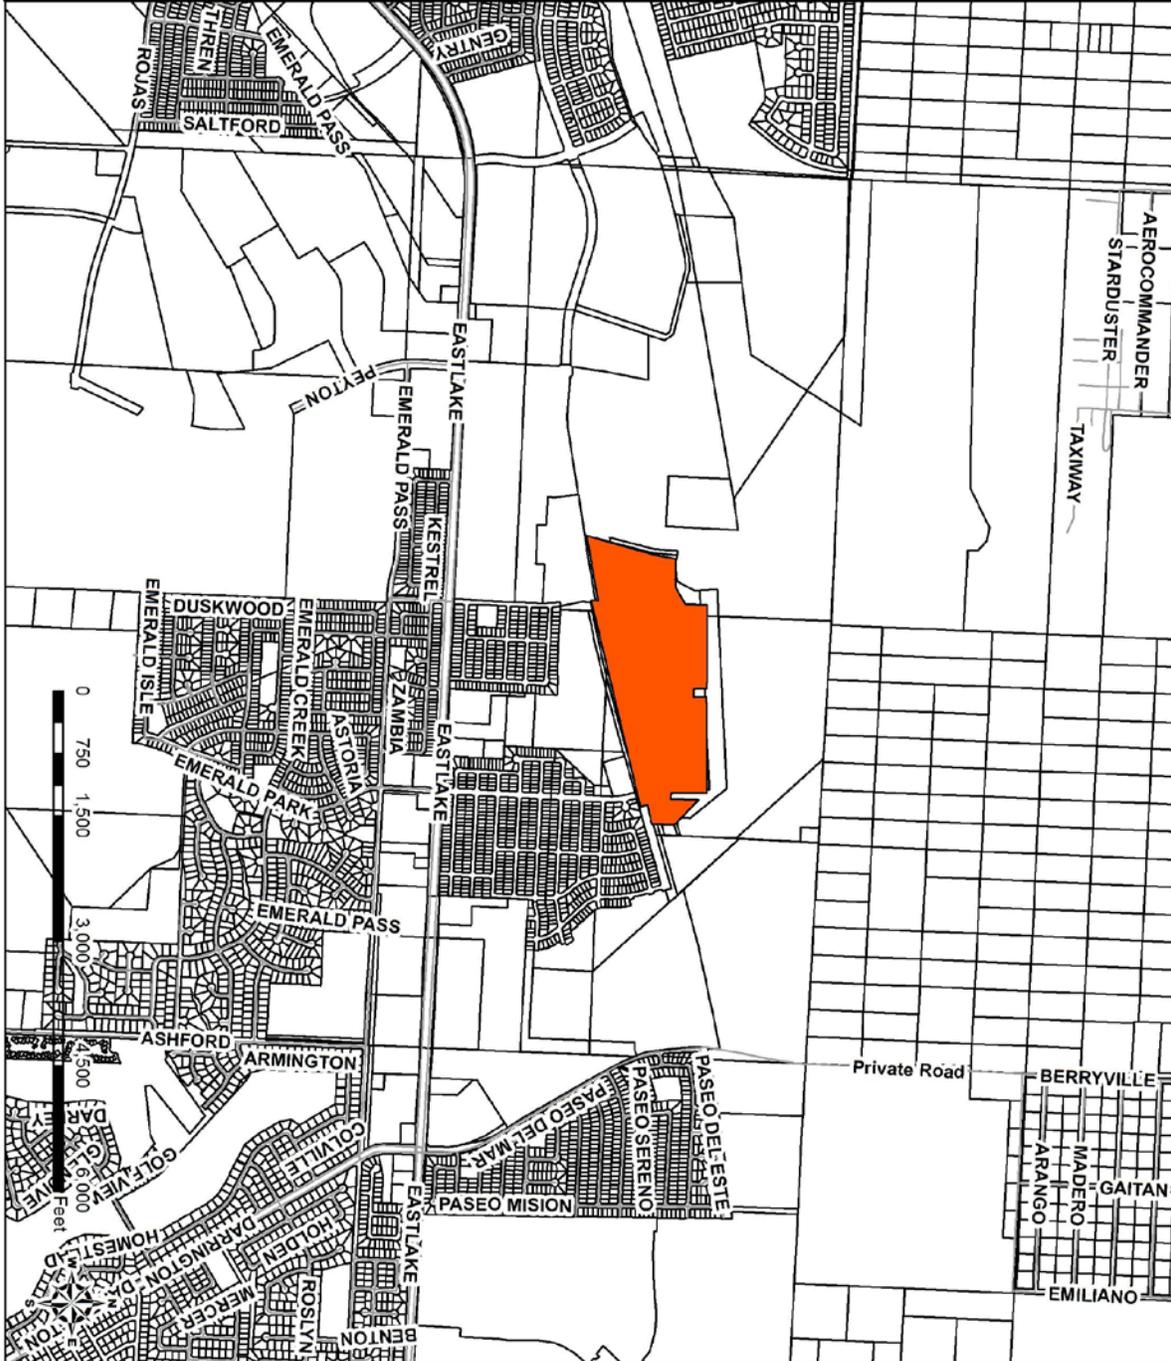

1. Prior to recording, please submit to Planning and Inspections Department—Planning Division the following, if applicable:
 - a. Current certified tax certificates
 - b. Current proof of ownership
 - c. Release of access document
 - d. Set of restrictive covenants
2. Every subdivision shall provide for postal delivery service. The subdivider shall coordinate the installation and construction with the United States Postal Service in determining the type of delivery service for the proposed subdivision. In all cases, the type and location of delivery service shall be subject to the approval of the United States Postal Service.

Re: Painted Sky at Mission Ridge
3rd Plat Extension Request

Dear Mr. Howell,

Our client, Hunt Communities, has a major combination plat for Painted Sky at Mission Ridge which was granted approval by CPC on May 8, 2014 and a 2nd-six month extension on May 21, 2015. This subdivision is located in El Paso County and is also within the City of El Paso ETJ. This subdivision is subject to three government agencies (City of El Paso, El Paso County, Paseo Del Este Municipal Utility District, as well as an independent 3rd party review).

As the County is the governing agency for this subdivision review, acceptance of the subdivision improvements is required in order to facilitate approval of the plat. Completion of all subdivision improvements are currently being delayed as a result of the commencement of the installation of all dry utilities (i.e. Texas Gas Service Co., AT&T, El Paso Electric Co.) that will serve the subdivision.

The Painted Sky at Mission Ridge plat is due to expire on *November 21, 2015*. Our client would like to humbly request a third extension of the plat based on the aforementioned reasons. Hunt Communities postponed this request as long as possible and would like to avoid having to discard any progress made on approving this subdivision through the City of El Paso.

If you have any questions or need further information, please feel free to contact me at (915) 877-4155, ext. 121. Thank you for your time and assistance with this matter.

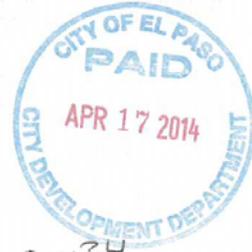

Sincerely,

CSA Design Group, Inc.
