Year 2025 Designation: Mixed Use (Lower Valley)

General Information:

The applicant is requesting a rezoning from R-F/h (Ranch Farm/historic) to C-1/h (Commercial/historic) in order to permit Retail. The property is 0.44 acres in size and is currently residential. The proposed site plan shows a single family dwelling to be located on the site. Access is proposed via **Socorro Road**.

As per Ordinance No. 011481 dated July 20, 2008, the subject property is part of the Mission Trail Historic District and is subject to review by the Historic Land Commission.

Case was presented at the Historic Land Commission on May 5, 2008. The HLC recommended approval/denial of request.

Staff Recommendation:

The Development Coordinating Committee (DCC) recommends **approval** of this request for rezoning from R-F/h (Ranch-Farm/historic) to C-1/h (Commercial/historic) with conditions restricting convenience stores with gas pumps and automotive service stations.

The recommendation is based on the following:

The Plan for El Paso City-Wide Land Use Goals recommend that El Paso “provide designated locations for commercial development that do not adversely affect the health, safety and welfare of the community and where essential infrastructure is available to serve the development.”

“provide a wide range of housing types that respond to the needs of all economic segments of the community.”

The General Planning Area Land Use Concepts/Policies for the Lower Valley along the historic Ysleta Mission and Mission Trail area is to “encourage the revitalization and redevelopment of the historic district through the creation of a central tourist district.”

“Create a mixed use corridor for the section of Socorro Road, which runs from Zaragoza Road to the Tigua Indian Cultural Center, which maintains strict considerations for zoning to preserve the historic setting of the area”

The Year 2025 Projected General Land Use Map for the Lower Valley Planning Area designates this property for **Mixed-Use** land uses.

C-1/h (Commercial/historic) **zoning** permits commercial and **is compatible** with adjacent development.

Findings:

The Commission must determine the following:

1. Will the C-1/h (Commercial/historic) zoning protect the best interest, health, safety and welfare of the public in general?
2. Will Retail be compatible with adjacent land uses?
3. What is the relation of the proposed change to the city’s Comprehensive Plan?
4. What effect will the C-1/h (Commercial/historic) rezoning have upon the

natural environment social and economic conditions and property values in the vicinity and in the City as a whole?
