Application Filed: 7/09/2012
45 Day Expiration: 8/23/2012

ITEM #2

GENERAL INFORMATION:

The applicant seeks approval for:

The construction of a two story apartment/office building.

STAFF RECOMMENDATION:

The Historic Preservation Office recommends APPROVAL, with a modification, of the proposed scope of work based on the following recommendations:

The Magoffin Historic District Design Guidelines recommend the following:

- Any new construction must be compatible in size, texture, color, design, proportion and detail to adjacent buildings and streetscapes.
- New structures should respect the integrity of existing buildings.
- Setbacks, proportion, rhythm, and building elements should all be addressed.
- Maintain the predominant existing building line.
- All new construction should preserve and enhance the streetscape.

The Secretary of the Interior's Standards for Rehabilitation recommend the following:

- New construction will not destroy historic materials, features, and spatial relationships that characterize the property.

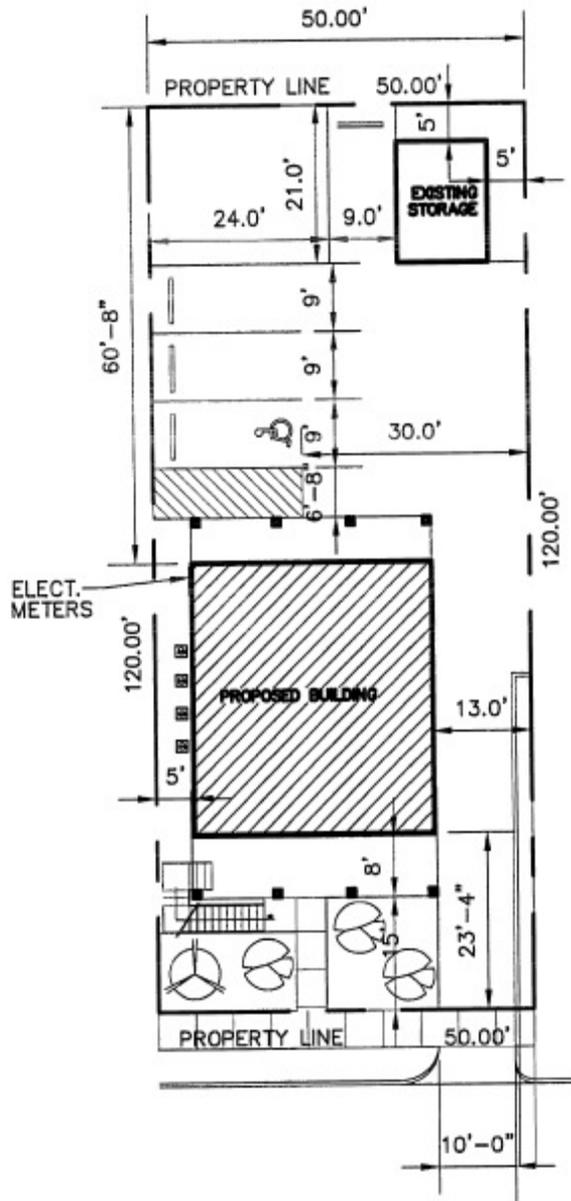

The modification being requested is that the stucco bands be removed from around the side and rear windows.
