5. Planning Report:
Update Report on the Implementation Plan for Open Space Preservation
Staff Contact: Marcia Tuck, (915) 541-4020, tuckmj@elpasotexas.gov

Marcia Tuck with Parks and Recreation Department gave a brief presentation and presented the Commission with two lists, one of which is the Open Space Preservation – Implementation Plan and noted that this is an action plan. The second list is the Open Space Master Plan: Project Progress Report (as of 7/2010). This is a more detailed list pulled from the project as listed in the Open Space Master Plan. She noted that these documents were vetted through OSAB during a workshop in July 2012. She has taken their comments and added them to the documents being presented to the Commission today. She noted that regulation methods are going to fall under the Planning purview and other action items will fall under other departments.

Commissioner Nance reminded Mr. Gallinar that the Commission had requested an update from the Engineering Department regarding drainage and ponding. He requested that this item be placed on the next City Plan Commission agenda.

Mr. Gallinar noted that he will ask Mr. Dallo and see if he is prepared to present something at the next meeting.

No action was taken.

6. Legal Report:
Discussion and action on placement of new language in the agenda concerning Commission's approval of subdivision plats.

Lupe Cuellar, Assistant City Attorney, noted that some new language has been added to the agenda under Subdivision Map Approval. She noted that as long as this paragraph is read into the record prior to all the subdivision cases, it is understood by the applicant that the Commission's approval is subject to staff's comments or staff's report. Whatever staff recommends, conditions, or requires, it is getting approved with those conditions, requests, or

requirements. It is important for the Commission, that if staff is requiring that a condition or requirement be placed on the plat for approval and the Commission disagrees with staff then the Commission needs to say so on the record, otherwise it is approved according to the staff's report.

Legal's recommendation was unanimously accepted.

.....

Commissioner Nance gave Commissioner Reveles the opportunity to introduce himself to the Commission and staff.

ADJOURNMENT:

Motion made by Commissioner Wright, seconded by Commissioner Reveles, and unanimously carried to adjourn this meeting at 3:20 p.m.
