Petition of H Lesinsky & Co Excavate Side walk

Chairman Fewel to whom was refered the following petition recommended that it be granted.

To The Hon Mayor and City Council of El Paso Texas

Your petitioner, the H Lesinsky Company, a corporation duly encorporated under the laws of the State of Texas, respectfully represents;

That it is about to erect a large building on its premises fronting on the south line of Main Street, and on the west line of North Santa Fe Street, in El Paso, El Paso County, Texas, which said building will have a large basement or cellar;

That it will be necessary to properly light and ventilate the said basement or cellar,

That in order to provide for said lighting and ventilation, petitioner desires to excavate a strip of said North Santa Fe street immediately adjoining its premises on the east for a width of fourteen (14) feet, and for the length of seventy seven (77) feet, being a strip seventy seven (77) feet long beginning on the south line of Main Street.

That said excavation when completed will be covered and protected by a pavement on proper support, erected by, and at the expense of the petitioner.

(over)

Regular Meeting Thursday Dec 14th 1905—

That to further light and ventilate said basement or cellar petitioner desires to excavate a strip of land immediately north of its said premises, and bring a part of said main Street, said strip to be four feet wide, and eight feet long said length to be computed from the west line of North Santa Fe Street westwardly.

That said excavation when completed will be covered by petitioners with an iron grating, the bars of which will be about an inch apart. Said grating to be erected twenty inches above the grade line of said main Street; and at each end thereof, there will be cement steps,

That said grating will serve all the purposes of a pavement, and to the north immediately adjoining the same, petitioners will erect a cement Curbing to serve as a curbing, and to prevent the said cellar from being overflowed and filled by storm waters.

That neither said main street, nor said north Santa Fe street are now paved, or have side walks, and are little used by pedestrians.

Wherefore, premises Considered, petitioner prays that it be granted the power to make the excavations aforesaid, and to cover and protect them in the manner aforesaid, and to erect said Curbing and Cement steps.

Petitioner attaches hereto a plan showing the nature and location of the works it desires permission to perform. And petitioner further prays your immediate action

Petition of A Hoffman to grade N Florence St

Chairman Fewel to whom was refered the following petition recommended that it be granted

To the Hon Mayor and City Council of the City of El Paso
Gentlemen

Regular Meting Thursday Dec 14th 1905-

The undersigned respectfully represents that that part of Florence street between Nevada and California streets is not completed in its grading; that some work has been done on it by private parties but that more work needs to be done on it, and the undersigned respectfully asks the permission of your Hon Body to finish the grading of said street between Nevada and California street, and that he be permitted, either by him self or with the assistance of those interested, such as adjoining property holders, to finish the grading of said street between said points, at his, or their own expense, and that he be permitted to use any adjacent dirt found in or near said street for said purposes, and that said dirt in or near said street is not necessary to the grading of his own land. The undersigned represents that he is about to grade one quarter (1/4) block facing upon said street, namely Lots numbers 6, 7, 8, 9 + 10, in block 14 Alexanders add.

Your petitioner further requests that after due investigation by your Hon Body through your Committee on streets and Grades, that the City Engineer be authorized and ordered to give said street grades between said points to said petitioner or his representative.

Respectfully submitted

Adolph Hoffman
