Report of Fire Dept for 1905 referred

City Clerk read report from El Paso Fire Dept on election of Officers for 1906.
On motion the report was laid over for one week.

City Clerk read the following report

El Paso Texas Jan 3rd 1906

Hon Florence J Hall
Chief of Police
El Paso Texas

Dear Sir

Report of City Detective for 1905

I herewith submit a report of the operations of this Department during the year 1905-
Letters received 410. Letters answered 315; Telegrams received 185- Telegrams answered 81. Postal Cards and Circulars received 392 Postal Cards and Circulars answered 150. Complaints registered and attended to 101. Stolen property recovered and returned to rightful owners $603.00

This represents a portion of the work performed by this department.

During the past year there have been many large gatherings

# Regular Meeting Thursday Jan 4th 1906

in this City Conventions, etc, which attracted thiefs of all classes, as a fruitful field in which to ply their vocation. Many of the thiefs were arrested and committed to jail until after the Ceremonies, while others, frightened by the rigorous measures adopted towards them, fled the City in haste before securing any booty. As a result of these measures there were a very small number of robberies committed, in fact less than in previous years.

There has not been one case of confidence men arrested for the simple reason that they have all been driven across the river. During the year there has been 15 Criminals measured and photographed.

Respectfully submitted

Billie Smith

Special Detective

On motion the report was received and ordered filed.

Report of Chief of Police on Bridges over Canal

Chief of Police reported that he had notified the Canal Co to build the bridges on Stanton and Santa Fe streets across the Canal the full width of the streets, he stated that Mr C.O. Coffin the local manager state that he would come before the Council and explain the condition and then if the Council still insisted he would build the bridges the full width of the streets.

City Atty instructed to report to Council forfeiture Canal Co Franchise

Alderman Caples moved that the matter be referred to the City Attorney for him to investigate the feasibility of the City forfeiting the Canal franchise if the Canal Co refused to carry out the order of the City Council and to report back at next regular meeting.

The motion was duly seconded and carried.

Capt Chas Davis Mayor

El Paso Texas

Dear Sir

I have just received a letter from J M Dean, attorney at law of your City asking me for a fee of one hundred dollars

# Regular Meeting Thursday Jany 4th 1906

in the case of Author Roberts, vs. R. L. Hooton, H. Jaffe & H. F. Price.
Roberts was arrested, and he was supposed to be a murderer, who had killed 3 men in Oklahoma, Reynerson and Briggs made the arrest and placed him the City Jail until the authorities of Oklahoma Could be notified, Photographs of Roberts were forwarded to the Sheriff and I was requested to hold Roberts as he had been identified as the right man,
The Sheriff of Oklahoma came to El Paso and brought with him a daughter of the old man and a sister to the two brothers who Roberts was supposed to have murdered But the girl failed to identify Roberts as the right man, stating that he resembled him, with the exception that he was taller. So she being the only person who could identify him, the Sheriff did not take him back and he was given his liberty, Inasmuch as I acted in an official capacity as Chief of Police, I think that the City of El Paso should make a settlement with Judge Dean for his services, as I cannot see wherein I should be made to pay such charges, when I was acting simply in such a capacity, I trust you will take this matter up at once, I enclose you a copy of Judge Deans letter, and I wish to add further that it would be impossible for me to settle the Judges charges as I am not able to do so, as I have not done any business of any consequence here.

I remain, very truly yours
R. L. Hooton

On motion the recommendation was ordered carried out.

Special meeting for sale of Bonds

Council met in Special Session pursuant to call issued by Mayor Davis. Mayor Davis present and presiding and the following aldermen answered roll call, Caples, Fewel, Grant, Hammitt, Hitt, Look & Rand. J. Absent Badger.

City Clerk read the following.

To the Honorable J.B. Badger, Geo Look, W.J. Fewel, G.L. Hitt, B.F. Hammitt, J.T. Grant, Richard Caples, and W.J. Rand, Composing the board of Aldermen of the City of El Paso, Gentlemen;

You are hereby called to meet in special session at the City Hall in the City of El Paso, Tuesday Jan 16th 1906, at 3 oclock P.M. relative to the sale of El Paso Street Improvement Bond of Improvement District No, 1.

(signed) Charles Davis
Mayor of the City of
El Paso

The City Clerk read the following proposition from T.S. Johnson relative to sale of Bonds.

Proposition of T.S. Johnson to Sell Bonds

El Paso Texas Jany 16th 1906

Hon Mayor and City Council.
City of El Paso, Texas.

Gentlemen.

I submit to you the following proposition in regards to the sale of the El Paso Street Improvement Bonds, District No 1. $175.000, bearing 5% interest and dated November 1st, 1905.

I will undertake to sell said bonds for you upon the following terms and conditions,—

1st, That said bonds shall not be sold for less than par and accrued interest from their date to date of delivery to the purchaser.

2. That before paying for said bonds the purchaser are to be furnished with a complete legal transcript evidencing the legality of said bonds to the satisfaction of their attorneys.

It is possible that a new bond ordinance will be necessary and that new bonds be printed, and if such be required it is understood that such ordinance will be

will be passed and such new bonds printed and duly executed, provided, that the New Ordinance and the form of the new bonds be such as conform to the law and approval by the Attorney General of Texas. If this be found necessary I will see to the proper preparation of the ordinance and will furnish the new bonds free of Expense or cost to the City and I will first secure the approval of the form of ordinance and bonds by the Attorney General before you are called upon to pass said ordinance and issue said new bonds. I agree also to attend to everything to be done in Austin in regards to cancellation of the present bonds and securing the approval of the new bonds by the Attorney General and their registration by the Comptroller.

3, That immediately upon the ascertainment of the sufficiency of the transcript to the purchaser and notification to the mayor, if the present bonds are acceptable, they are at once to be delivered by you in New York City to any bank selected by you, and after inspection by the purchaser and found to be properly executed the purchaser will immediately cause one of the following named banks to be selected by them. That is either the Seaboard National Bank. The National Park Bank, the Hanover National Bank, the Chemical National Bank or the National Bank of Commerce to pass to the Credit of your city Treasurer upon its book the full amount of the proceeds of said bonds. When money is needed as the work of paving progresses the City Treasurer will draw his draft upon the bank so selected for the amount of money needed equal to the amount of work done, attaching to such draft the certificate of the supervising engineer as to the work done, upon which certificate said bank shall honor such draft.

Immediately upon passing the Credit mentioned to the account of the City Treasurer the bonds are to be at once delivered to the purchaser.

It is also understood that said bank is to allow and pay the City interest at the rate of 2% per annum upon the amount, or balance, due the City from the time of the entry of Credit until drawn out.

If the new ordinance and bonds are required, then immediately upon execution, approval, and registration they shall be forwarded and the Course as above indicated pursued and carried out.

If the new bonds are required they shall be printed and furnished with all possible dispatch.

4 - It is understood that the purchaser shall make known to your Mayor by the first day of February, 1906. whether or not

# Special Meeting Tuesday Jany 16th 1906

they will take said bonds, and if they decide that they will take the bonds provided a new ordinance is passed and new bonds printed or other requirements met, they will must make known to the Mayor within the time stated that they will do so upon such conditions being complied with, and in this event they shall at once deposit with the Mayor a certified check for $2500.00 to be forfeited to the City in case they fail to take such new bonds when printed, executed &c, and ready for delivery, such other conditions if any, also being complied with.

5th. In consideration for the services performed and to pay attorneys fees and such other expenses as may fall upon me in the transaction, the City is to pay me a commission of 2% of the principal sum of said bonds, and that concurrent with the giving of credit to your Treasurer as mentioned and the delivery of the bonds to the purchaser, the City through your Honorable Body is to cause the bank so giving such credit to your Treasurer to pass to my credit the amount herein agreed upon as my commission to be drawn upon and against by me at my pleasure.

In the event I do not effect the sale of the bonds the City is to be under no obligations to me what soever

Respectfully Submitted

P. S. Johnson.

After discussion of the proposition, the following resolution being introduced. Motion made and duly seconded for its adoption. The Mayor ordered the vote upon the adoption to be taken by roll call which when taken resulted as follows, Yeas Caples, Pearl, Grant, Hammett, Kett, and Rand 6. Nays, Cook, absent - Badger.

Resolution authorizing T. S. Johnson Sale of St Imp Bonds

When upon Mayor Davis declared that a majority of the votes of the City Council having been cast in favor of the resolution, the same be, and is hereby adopted.

The resolution above referred to is in words and figures as follows, to wit:

Whereas, P. S. Johnson has made a written proposition of this Council, of date January 16th 1906, the same now on file with the City Secretary, in which he proposes to sell City of El Paso Street Improvement Bonds, District No 1. $75.000. dated November the first 1905: at not less than par accrued interest according to the terms and conditions in said

## Report of Officers

City Attorney to whom was refered the following petition recommended that it be disallowed.

State of Texas
County of El Paso

To the City Council of El Paso
El Paso County, Texas.

Petition of J J Riggs disallowed

Gentlemen.

Your petitioner, James, J. Riggs would respectfully represent that prior to the first of may, since and now he is the owner of lot numbred Eight (8) in block numbered 170 Campbells addetion to said City of El Paso; That for a long time prior to the first day of may, 1905 and until the occurrance hereinafter stated, he owned an adobe house, standing upon said lot, fronting Twenty six (26) feet on Durango street by one hundred twenty (120) feet on San Antonio street; that said house had a large number of rooms all of which were rented at all of the times hereafter stated, and that it was of the value of $2500.00; Your petitioner further alleges that some Considerable time prior to the first day of may, 1905. the City of El Paso by and through its officers and agents having power and authority so to do, authorized and permitted the G. H. & S. A. Railroad Company to negligently and carelessly dig a ditch begining on the north side of the tracks of said railroad Company at the intersection of Oregon street and said railroad tracks, said ditch running westwardly along the north side of said railroad tracks across the streets known as El Paso, Santa Fe, Chihuahua, Leon and Durango streets and thence onward towards the river; that said ditch was made for the purpose of diverting

the flow of water from the Mesa on the north side of the City which flows at the time of rains down Oregon and the other streets mentioned and across the tracks of said G.H. Railroad Company; that plaintiffs property is much lower than the tracks of the G.H. & S.A. Railroad Company and that above Plaintiffs said property and at the intersection of Leon Street and the G.H. & S.A. tracks the G.H. Railroad Company constructed a culvert in said ditch, where the said Leon street crosses said ditch and said tracks; that said culvert was constructed too small to permit the large volume of water drained into the ditch to flow through and that it was so negligently and carelessly constructed by the G.H. & S.A. railroad company within the knowledge of the officers and agents of the City of El Paso, and that the City of El Paso and by and through its agents and officers permitted the said railroad company to so negligently construct said culvert in said ditch; that during the month of May or the earlier part of June, a heavy rain fell and large volumes of water flowed from the Mesa on the north side of the City down Oregon street, Santa Fe street and the other streets mentioned and into said ditch; that prior to said rain the culvert and ditch at the crossing of Leon street over the G.H. tracks had been negligently and carelessly permitted to be come stopped and closed with dirt and debris, and that the officers and agents of the City of El Paso well knowing the fact, negligently and carelessly permitted said culvert to remain stopped so that the volume of water carried by said ditch from the streets aforesaid could not pass through; that at the time of rain aforesaid, a large volume of water flowed through said ditch to said culvert, which was above the property of your petitioner hereinbefore described, and that by reason of the culvert being stopped and obstructed, the volume of water carried in said ditch was directed therefrom, and flowed down upon and against your petitioner's said house, washing the same down and completely destroying it. to your petitioner's damage in the sum of twenty five hundred ($2500.00) dollars.

Therefore your petitioner demands of the City of El Paso compensation for said damages aforesaid in the sum of

Proposition of T.S. Johnson for bonds

Refering to my proposition of date the 16th instant with reference to the sale of City of El Paso Street Improvement Bonds, District No 1, $175,000, dated November 1st, 1905, which proposition was accepted by your Honorable Body on said date.

I beg to state that I have sold said bonds to Mess Spitzer & Co of Toledo, Ohio, subject to your confirmation, at par and interest upon the terms and conditions stated in my said proposition, except that they are to have until February the 10th, 1906, to determine whether they will take said bonds, instead of February 1st 1906, as in said proposition stated, I attach hereto a copy of my telegram to said Spitzer & Co, making offer of said bonds to them, and also their telegram of acceptance dated January 21st 1906.

My time limit for selling said bonds having expired, I respectfully request that you pass a resolution waiving the same and also formally awarding the bonds to Mess Spitzer & Co.

Respectfully Submitted
T.S. Johnson

P.S. It is further understood that upon completion of the paving of the streets of the entire district, any remaining balance in the New York Bank to the credit of the City Treasurer may be drawn out by him upon presentation of the certificate of the supervising engineer to the effect that all such paving has been completed.

## Building Committee

Report of Building Com on Excessive Charges on water

Chairman Grant to whom was referred the matter of providing some some way to protect the Citizens in correct meter reading. reported as follows

El Paso Texas Jan 25th 1906

To the Hon Mayor and Members of the Council
Your Committee on Buildings to whom was referred the question of appointing an Inspector to read the water meters and to investigate the charges made against the International Water Co, of over charges made by them. Beg leave to make the following report, and recommendations.

While it is true a great many persons claim that they have been overcharged by the Water Co, your Committee has no way to prove that such is the case. others claim that their meters cannot be read on account of being covered with sand and rust, and for that reason be charged for more than 90 cents per month, some say

# Regular Meeting Thursday Jan 25th 1906

that this meters are not in working order.

We believe that these are questions for the Ordinance Com to take up. and would recommend that the Ordinance Committee in conjunction with the City Attorney be instructed to prepare a suitable ordinance covering the question not only of water meters, but gas and electric light meters as well

Respectfully submitted

J J Grant.
