Fire & Water build shed over pump.

Chairman Blumenthal stated that the sewer department had about completed the erection of sub-pumping station and recommended that a shed be built over this pump

On motion duly made and carried the matter was referred to Fire and Water Committee with power to act.

Street and Grade Committee.

Pet. of Rep. Coffee Co. relief from wagons in front of place. Granted

Chairman Robinson to whom was referred the following petition, reported that he had looked into the matter and made the proper changes to relieve them and recommended the petition be granted.

El Paso, Texas, June 30, 1909.

Honorable Mayor and City Council.
El Paso, Texas.

Gentlemen:- For at least the past six months the wagon drivers have made it almost impossible

Regular Meeting Thursday July 15, 1909.

for a lady to drive up to my place of business. My wagons can at times stand in front of my place or on the side long enough to load, when they have a chance. At almost any time of the day you can find a lot of Mexicans and negroes squatting along side the store on Texas street and it is almost impossible for a lady to pass. as the side walk tenants are busy expectorating.

As a business man and tax pdyer I ask and request of you gentlemen to abate this nuisance as soon as possible.

My place of business is located on the Corner of Texas and Stanton and is known as the Republic Coffee Company.

Respectfully
R. W. Welmore
Republic Coffee Company.

On motion duly made and carried the recommendation was ordered carried out.

Pet. M.B. Davis to remove tel. poles. Rio G. St denied

Chairman Robinson to whom was referred the following communication, recommended that it be denied and that the poles on Rio Grande Street and Mesa Avenue remain as now erected.

El Paso, Texas, June 25, 1909.

To the Honorable Mayor and City Council.

Gentlemen:-

Confirming notice of this committee given to the council yesterday, June 24th, when it filed the petition of property owners on Rio Grande Street for parking, viz. that we would subsequently file an amendment in reference to telephone and electric light poles. We hereby request your Honorable Body to have all telephone and electric light poles removed from the street, or from that portion of the street included in the petition for parking viz., between Oregon and Newman Streets, and erected in the alleys or placed underground the object of the parking being to improve and beautify the street, as well as to make it a more comfortable and pleasant

street for residences. The telephone and electric light poles along the street are unsightly in appearance and will greatly detract from and mar the appearance of the parking system to be inaugurated wherefore, we petition your Honorable Body to grant this request.

M. P. Davis, Chairman.

On motion duly made and carried, the petition was denied.

Fire and Water.

Chairman Hewitt to whom was referred the following petition, recommended that it be granted.

Pet. of A. T. Dameworth for leave of absence Granted.

El Paso, Texas, July 7, 1909.

The Honorable Mayor and Council
of El Paso.

Gentlemen:- I hereby ask permission for 15 days absence from the city. I have a competent substitute to act in my absence.

Thanking you in advance I am

Respectfully.
A. T. Dameworth.
City Electrician.

On motion duly made and carried, the petetion was granted.

Taxation and Finance.

Chairman Clayton to whom was referred the following bills and pay rolls, recommended that they be allowed and ordered paid.

Bills for June.

W. M. Coldwell.
City Attorney.

Clerk stated that the petition of Mrs. Mary M. Allen et al, for the changing of the name of Stewart St. to Stewart Place and the report of the city Engineer upon this petition was postponed at the last regular meeting for one week was now ready for investigation.

On motion duly made and carried the report of the City Engineer granting the petition and changing the name of Stewart Street to Stewart Place was adopted.

Regular Meeting, Thursday July 15 - 1909

El Paso, Texas, July 7, 1909.

Hon. Mayor and City Council
City of El Paso, Texas.

Report of City Engineer to change name of Stewart St.

Gentlemen:-

In the matter of changing the name of Stewart Street to "Stewart Place" which was referred to the City Engineer, I beg leave to report that by the tax roll there are about sixteen different lot owners on said street in the two blocks while only eight persons have signed the petition. According to the tax rolls, no owner of any part of Block 11 has signed the petition and some who have signed it are not on the tax roll, otherwise, I see no good reason why the name of Stewart Street could not be changed to "Stewart Place".

Very respectfully submitted
W. G. Rudell.
Acting City Engineer.

The petition referred to in above report is as follows:

El Paso, Texas, April 10th, 1909

To, The Hon. Mayor and City Council
of El Paso, Texas.

Pet. of Mrs. Mary M. Allen et al to change name of Stewart St. Granted

Gentlemen:- We, the undersigned, residents and owners of properties fronting on Stewart Street Sunset Heights Blocks 11 and 12, Mills map of the City of El Paso Texas respectfully ask that the name "Stewart Street" be changed to "Stewart Place".

Stewart Street is not strictly speaking, a street, as it extends one block only from Fisher Street to Putnam Street, and will be much easier identified by the naming of it "Place" instead of "Street".

Very respectfully.
Mrs. Mary M. Allen. et al.

This being the day advertised by the City Clerk for the receiving of bids to pave Texas Street the clerk opened and read the following bid.

El Paso, Texas, July 13, 1909.

Hon. Percy McGhee
City Clerk, El Paso, Texas.

Regular Meeting, Thursday July 15, 1909.

Bid Tex Bit. Co. to pave Texas St. Accepted

Dear Sir:

In compliance with your advertisement for bids for the paving of Texas Street, between the East line of Improvement District No. 1, and the West line of Cotton Avenue, we beg to submit the following proposition:

For earth excavation free haul of three thousand (3000) feet, twenty-six cents (26¢) per cubic yard; bitulithic pavement, bituminous base as per specifications, including ten (10) year maintenance bond, one dollar and eighty-seven and one half cents ($1.87½) per sqyard. Rock foundation spread and rolled, fifty-five cents (55¢) per sqyard. Extra concrete in place, one (1) part cement, two and one half (2½) parts sand, five (5) parts stone or gravel, coarse mixture, six dollars ($6.00) per cubic yard. Extra concrete one (1) part cement, two (2) parts sand, four (4) parts stone or gravel, fine mixture, seven and one half dollars ($7.50) per cubic yard. Concrete culverts sixty ($.60) cents per lineal foot. Concrete curbs, thirty (30) cents per lineal foot. Cast iron cover for culverts in place five (5) cents per pound. Corrugated cover plates, bolted or riveted in place, six (6) cents per pound. Steel angles and shapes punched, cut and placed, six (6) cents per pound. Bar iron, cut, punched and placed five (5) cents per pound. Carriage bolts five (5) cents per pound. Stone for protection to pavement at end of culvert set in concrete sixty five (65) cents per lineal foot. For concrete valley gutters, two dollars and seventy five cents ($2.75) per sqyard. Vitrified brick gutters, three dollars and twenty-five cents ($3.25) per square yard.

Accompanying this proposition you will find our certified check for one thousand ($1.000.00) dollars

Respectfully submitted

Texas Bitulithic Company
