"Report of Officers"

Resolution requiring Telephone Gas & Water Cos make all connections in paving dist

City Atty read the following resolution requiring all Telephone Companies and Gas Companies and Water Companies to make house connections in Improvement District No. 1.

It was moved and seconded that the resolution be adopted.

The Mayor ordered the vote upon the adoption of the resolution to be taken by roll call which when taken resulted as follows. Yeas, Badger, Caples, Frank, Grant, Hammett, Kitt, Look and Raad, 8. Nays, None, absent, none.

Whereupon Mayor Davis declared that a majority of the vote of the City Council having been cast in favor of the resolution the same be and is hereby adopted.

The resolution above referred to is in words and figures as follows, to wit:

Be it resolved by the City Council of the City of El Paso;

Section 1;

That it shall be the duty of all Telephone Companies, Water Companies, and Gas Companies doing business within the City of El Paso to forthwith and within thirty days from the date of the passage of this resolution, to make connections or lay Conduits wherever same may be needed now or in the future, to all lots and houses abutting on any street or plaza within the limits of Improvement District No 1 whether the lots so abutting on such street or plaza, be now

improved or occupied or not.

Section 2:

It is hereby declared to be the settled policy of this Council to permit no opening to be made in any street within paid improvement District for a period of at least two years next ensuing after the laying of the street pavement now contemplated for the purpose of making such connections, or for any other purpose except the necessary repairs of existing pipes or conduits in cases of absolute necessity, and no permit to make any such opening shall be granted by any agent or officer of the City except upon application in writing to the City Council.

Petition of El Paso & Southwestern to connect to Sewer granted

El Paso Texas February 8th 1906

To the Mayor and City Council
of the City of El Paso, Texas.

Gentlemen:

Your petitioner, the El Paso & Southwestern Railroad Company of Texas, represents to your honorable body that it proposes to construct an eight inch sewer main, connecting with its terminal shop buildings in Cotton and Bassett's addition. It will construct a large catch basin from each connection from each of the buildings in order to connect and retain all sludge and other material that would be in any way objectionable if introduced into a sewer, such sewer and the connections thereof which it proposes to construct, are shown according to the yellow lines of the blue print hereto attached.

Your petitioner, therefore, request that it be granted permission to connect the said eight inch sewer so to be constructed by it with the eighteen inch city out let sewer shown on the green lines drawn on such blue print.

"Ordinance Committee"

Chairman Look had read An ordinance granting permission to the El Paso & Southwestern Railroad Company to connect with the sewer. Motion made and duly seconded to adopt the ordinance.

Ordinance granting El Paso & Southwestern Ry Co permission to Connect Sewer

The mayor ordered the vote upon the adoption of the ordinance to be taken by roll call which when taken when taken resulted as follows: Yeas, Badger, Caples, Feuel Grant, Hammett, Kitt, Look, Paul, S. Mayo, None. Absent, None. Thereupon Mayor Davis declared that a majority of the vote of the City Council having been cast in favor of the Ordinance the same be and is hereby adopted. The Ordinance above

referred to is in words and figures as follows, to-wit:

Be it Ordained by the City Council of the City of El Paso:

Section 1

That the El Paso & Southwestern Railroad Company of Texas, be, and it hereby is, granted permission to connect, after same is built and constructed by it from its terminal shop buildings in the Cotton and Bassett additions to the City of El Paso, Texas, its eight inch sewer main with the eighteen inch City sewer main located across the reservation of the El Paso & Southwestern Railroad Company of Texas, in the Bassett Addition to said City of El Paso, and along the center line of Poplar Street, said connection to be made at the existing manhole on said eighteen inch City sewer main, located at a point in said Poplar Street about seventy five northerly from the intersection of said City sewer main with the center line of the Galveston, Harrisburg and San Antonio Railroad, across said Bassett addition; but subject to the conditions hereinafter set forth.

Section 2

It is expressly provided as a condition of this grant that no oil or other substance which is likely to clog or otherwise interfere with the operation of the City sewer herein mentioned shall be allowed to flow into said City sewer main, and it is further expressly provided as a condition to this grant that the City Council of the City of El Paso shall have the right to require the grantee herein or its assigns, to disconnect from said City sewer main, whenever in the judgment of the City Council it will be for the public interest so to do; but should the City Council require the grantee or its assigns to disconnect from said City sewer main, said grantee or its assigns will be allowed a reasonable time in which to make such disconnections and in which to make arrangements for otherwise emptying the eight inch sewer herein mentioned.

Section 3rd

This ordinance is to be in force and take effect from and after its passage and approval.

Passed and approved this 15th day of March 1906.

On motion the above petition was granted.

Petition of J F Williams for Sewer granted

Chairman Badger to whom was referred the following petition recommended that it be granted:

To the Hon. Mayor & City Council

of the City of El Paso, Texas.

Gentlemen-

Your petitioner, Jos. F. Williams, respectfully represents that he is now building, and will have completed in a short time, a residence to be occupied by himself, and located on the north side of Rio Grande St. and at the intersection of Rio Grande St with Los Angeles Ave. That the nearest point to which there is a sewerage pipe to said residence is at a point on Rio Grande St easterly of said residence, about two hundred & fifty feet therefrom and that the only sewerage main to which he could connect is the said line on Rio Grande St.

Wherefore, he respectfully requests your honorable body to have the line of sewer pipe now on Rio Grande St extended westerly to a point opposite his said residence in order that he may connect therewith, and that the same be done as speedily as possible, as he expects to need the use of same before another meeting of your honorable body.

It is therefore respectfully requested that this petition be referred to the proper committee with power to act in the premises.

Petition of T. H. Conklin reduced taxes granted

El. Paso, Texas, Mch. 13, 1906.

The Hon. Mayor & City Council
El. Paso, Texas.

Gentlemen—

I respectfully petition your honorable body to reduce the valuation of my property in the

west half of Block 98, Campbell, being lots 11-12-13 and the north 17 feet of 14 and the south 25 feet of 10, a total of 170 feet, from $5000 to 3600, at which valuation I rendered it, being at the rate of $30.00 per foot.

I ask this for the following reasons:

Mrs. Crosby renders 35 feet adjoining and including a part of lot 14, owned by me, and it appears on the rolls as valued at $700.00, or $20.00 per foot, and by referring to the rolls, you will find that the total valuation of the west half, not owned by me, being 140 feet, is fixed at $3400.00, an average of $24.00 per foot.

At a valuation of $5000.00 as now appears on rolls for my lots, the value per front foot would be $17.00. There is no property in the west half of said Block, aside from mine, that is assessed more than $30.00 per foot. It would be only just to make my valuation $3600.00.

Very Respt
