The City Marshals report of Fines collected by Mayors Court Month of Oct reported to the Police Court

The petition of G B Gandy, Jones & Childs and others read, asking Council to change the name of Utah St. north of San Antonio St.

Moved & Sec'd That the prayer of petitioners be granted, and that the ordinance Committee drop an ordinance covering the point of the petition, Carried.

The following petition presented and read To wit:

To the Mayor and City Council of the City of El Paso.

Your petitioners the undersigned, who are residents and property owners in the City of El Paso, would respectfully represent, that they desire a change of so much as what is known on the Mills Map of El Paso, as Seward Street, as lies between the East side of Santa Fe Street (also shown on said Mills Map) and the east side of the Alley running north and south through Blocks Nos 15 & 16, (also shown on said Mills Map) such change to conform to the diagram which is hereto attached, and prayed to be taken and construed in all things as a part of this petition

Your petitioners would further represent, that in consideration of a front of seventy (70) feet on said Street, (Santa Fe) now owned and enjoyed by the general public by a depth of ninety (90) feet, Your petitioners do hereby covenant to yield up to the City of El

Road for the use of the general public, all those three several streets indicated on the accompanying map, one being to the South of the block enclosed within the red lines and of the width of fifty (50) feet, by a depth of One hundred & twenty (120) feet the other being to the North of said block of ground (within the red lines) and having a width of fifty (50) feet by a depth of One hundred & twenty (120) feet and the other being to the East of said block (within the red lines) and of the length of Two hundred & twenty (220) feet, by a width of thirty (30) feet lying adjacent to said alley, so as to give the same further distance of round, a uniform width of fifty (50) feet, in place of twenty (20) feet, as is now shown on said Mills Maps,

And your petitioners would also further represent, that it is their purpose and present intention to extend said Lemon Street to Dixon Street, in the manner also shown on the accompanying maps, and in accordance with the Ordinance to that end passed heretofore by your Hon Body

Respectfully

(Signed) J P Stevens.

for Jesse Powell

City Clk.

Council Room Nov 29/86

Meeting of the City Council above date pursuant to adjournment, Present Mayor Lightbody Councilmen, Schutz, Krakauer Loomis, White, Shepard and Detwiler, the Com'te On Sewerage presented the following report, To wit;

El Paso Texas Nov 28/86

Your Com'te after careful investigation, are unanimous in the opinion, that a good city system of sewerage for the City of El Paso, that will cover the present needs of the City is impracticable they are however of the opinion, that a pumping system to cover not only the present, but to provide also, for the future growth of the City, is within the reach of the means at hand.

While such a system will entail a fixed expense upon the City, which your Com'te deeply regret, still in their opinion a system of sewerage for the health and welfare of the City is imperative and such expense must be borne

Would Com[illegible] would therefor recommend, that the City Engineer be instructed to immediately draw plans and specifications for a pumping station, and system of sewerage for the City of El Paso, segregating as much as possible the masonry labor and material so that each commodity may be bid upon separately or together. That the City Council after acceptance of such plans as may be presented, shall advertise for bids for construction, reserving the right in all cases to accept or decline any and all bids presented.

Yeas Reed
A Krakauer Chas
E J White
A L Schuler
A S Shepard

Moved & Sec'd that the report of the Com[illegible] on Sewerage be received and the recommendation therein contained adopted - Carried.
A motion Sec'd and Carried that the following advertisement be inserted in the Times and the Daily Republican until Dec 3 - 1886. To wit:

The City of El Paso, wants Engineers to submit plans, specifications and estimates of cost for the construction of a system of sewerage in the City of El Paso. Route of sewerage can be ascertained at the office of the City Engineer. Plans are to be submitted not later than Dec 17th 1886. An adequate compensation will be paid only to the party whose plans the Council will adopt and to no others.

Council adjourned.
