Joyce A. Wilson, City Manager

**FROM:** Arturo Rubio, Senior Planner

**SUBJECT:** ZON10-00103

---

The City Plan Commission (CPC), on December 16, 2010, voted 5-0 to recommend **APPROVAL** of rezoning subject property from C-OP (Commercial Office Park) to C-1 (Commercial).

The CPC found that the rezoning is in conformance with the Plan for El Paso. The CPC also determined that the rezoning protects the best interest, health, safety and welfare of the public in general; that the proposed use is compatible with adjacent land uses; and the rezoning will have no effect on the natural environment, social economic conditions, and property values in the vicinity and the city as a whole.

There were no letters or phone calls in support or opposition to this request.

The purpose of the C-1 (Commercial) districts is to serve the needs of surrounding residential neighborhoods by providing compatible neighborhood convenience goods and services that serve day-to-day needs. The regulations of the districts will permit location of business and professional offices and retail category uses within adjacent residential areas of medium and high densities.

### **Development Coordinating Committee**

The DCC reviewed and discussed the application for rezoning and offered no objections to Planning Staff's recommendation for **APPROVAL**.

1. A six (6) foot masonry screening wall is required between a C district and any A or R districts.
