WORK EXPERIENCE

1991 - Present

**Executive Director, Head Start Program
Education Service Center - Region 19
11670 Chito Samaniego
El Paso, Texas 79936**

Responsibilities:

The major responsibility of this position is the administration and supervision of the ESC Region 19 Head Start Program. The successful leadership and direction of this program has resulted in tremendous growth - from 1,200 pre-schoolers to 3,803 pre-schoolers and 213 infants and toddlers; from a staff of 198 to 800; from 11 child development centers to 35; from service to one county, El Paso, to two counties, El Paso and Hudspeth; from service to pre-schoolers to the inclusion of pregnant women, infants and toddlers. The program is recognized nationally as an exemplary early childhood model and is funded at 30 million dollars per fiscal year.

1987 - 1991

**Director, Special Populations Divisions
Region 19 Education Service Center
6611 Boeing Drive
El Paso, Texas 79925**

Responsibilities:

The major responsibility of this position was the administration and supervision of the El Paso County Head Start Program. This entailed management of services to over 2242 low-income families in 6 major areas: Education, Health, Social Services, Parent Involvement, Nutrition, and Services to the Disabled children. Additional responsibilities included managing a 5 million dollar budget, coordination and program implementation of 18 child development centers, supervision, coordination and networking with community agencies, linking of Head Start with the area public schools, and providing training to over 300 employees.

A second responsibility of this position involved the Male Involvement Project in the Head Start Program. This program focused on engaging male involvement participation in interacting with the children and activities in the Head Start Program as well as providing group sessions to the parents of the Head Start children.

A third responsibility was the Home Instruction Program for Preschool Youngsters (HIPPY); another program that was implemented under my direction. Parents of 4-5 year old children were provided the necessary educational materials for the continuous development of their children in their homes. These parents were also provided training and group sessions.

A final responsibility of this position involved conceptualizing and administering programs for children and adults who were non-English speaking. Two Title VII Bilingual Education Programs and one local Bilingual Education Program were funded and were successfully implemented under my direction. These programs provided services to children and adults in learning to speak, understand, read, and write English. One was geared toward family literacy in Head Start; while another project was geared to 3 school districts in Hudspeth.

1984-1987

**Director, Bilingual Program
Region 19 Education Service Center
6611 Boeing Drive
El Paso, Texas 79925**

Responsibilities:

The major responsibility of this position was the administration and supervision of the Bilingual Education Department. This entailed budget management, preparation of proposals and reports, coordination of local, state, and federal programs, evaluation of department activities and staff, and supervision of three professional staff members and one secretarial person.

A second responsibility of this position involved conceptualizing and writing instructional program designs, teacher training plans, and curriculum development for Bilingual and ESOL Programs at the elementary and secondary levels for 12 school districts. Specifically, was responsible for developing a Pre-Kindergarten Bilingual Summer Program, a Spanish Reading and English Transfer of Skills Program, a Fourth thru Sixth Grade ESOL Program, an Elementary Spanish Program, and a Pre-Kindergarten thru Sixth Grade Bilingual Education Program.

A third responsibility of this position involved providing staff development and technical assistance to districts in the various components of Bilingual Education, ESOL, and Reading. Conducted workshops for teachers and administrators in the following areas: Language Arts in Spanish, Reading in English, Transfer of Reading and Techniques, Language assessment and Achievement Testing, Instructional Materials Utilization, curriculum Development and Design. Provided technical assistance in the evaluation and instructional programs. This resulted in the development of a system for efficiently pre and post testing identified LEP students for oral language dominance.

A final responsibility of this position included training of area administrators in the Texas Teacher Appraisal system.

1976-1984

**Consultant, Bilingual Program
Region 19 Education Service Center
6611 Boeing Drive
El Paso, Texas 79925**

Responsibilities:

For the first five years, I was responsible for the design, implementation and evaluation of a Title VII Elementary Bilingual Education Program. This federally funded grant included three school districts and encompassed kindergarten thru sixth grade. Duties entailed proposal writing, teacher training, curriculum development, student evaluation, program evaluation, and fiscal management activities.

During the last three years, I was responsible for establishing and operating a Cooperative Staff Development and Technical Assistance Program for interested area school district. This included conceptualizing, coordinating, conducting, and evaluating teacher training and technical assistance activities for each participating school district.

1976

**Teacher Leader
El Paso Independent School District
6611 Boeing Drive
El Paso, Texas 79925**

Responsibilities:

Worked with the Director of Elementary Instruction and Bilingual Consultant of the district. Specified duties entailed teacher training and curriculum development in these areas of Language Arts in Spanish, ESOL, Language Assessment, and Transfer of Reading Instruction.

1975-1976

**Elementary School Teacher
El Paso Independent School District
6611 Boeing Drive
El Paso, Texas 79925**

Responsibilities:

I was responsible for teaching a self-contained first grade classroom. Also conducted pre-service and in-service workshops on Reading in Spanish.

1973-1974

Teacher Aide
Region 19 Education Service Center
6611 Boeing Drive
El Paso, Texas 79925

Responsibilities:

Duties of this position entailed instructing small groups, kindergarten and first grade, in English as a Second Language and Language Arts in Spanish and English. Also conducted in-service sessions on Reading in Spanish.

1970-1973

Assistant Reading Center
College of Education
University of Texas at El Paso
El Paso, Texas

Responsibilities:

Duties of this position involved organizing and operating the Reading Center. Also assisted the professors with the manuscript typing of various professional books.
