SUMMARY OF EXPERIENCE

Leadership skills began after graduating from UT El Paso with a minor in secondary education and BA in English Creative Writing degree. I taught language arts and coached a variety of sports: Wrestling, football, basketball and volleyball. The eight years within the Ysleta and El Paso Independent School Districts were comprised of several department chair positions, courtesy committee chair position, and outdoor committee chair position for after school programs. Since 2005, I have made real estate my career. Reaching multi-million dollar sales, listing with builders, and property managing homes was the first step to managing Success Realty. I next incorporated the company, increased sales production, increased staff and independent contractors, and increased property management by 300%. I am now owner and sponsoring Broker of Success Realty Inc.

KEY STRENGTHS

Leadership skills include communications, innovation, organization and control, strategic planning, team building, staff development and implementation. These skills have been applied successfully in both public and business sector positions.
