WHEREAS, Lessee has previously leased the property for 30 years beginning November 3, 1981 ("1981 Lease") for the use as a YWCA facility with supervised recreation, services and programs and has constructed improvements upon the property in accordance with the terms of that lease

WHEREAS, the 1981 Lease has expired and Lessee has indicated a desire to extend its lease of the property and has the willingness and ability to use the property accordance with the terms of this Lease and to properly keep, maintain and improve said grounds and improvements in accordance with standards established by Lessor.

WHEREAS, Lessor has determined that a public purpose will be served by leasing the property to Lessee in accordance with the terms specified herein, together with certain privileges, rights, uses and interests therein, as hereinafter set out; and

NOW THEREFORE, in consideration of the mutual covenants and agreements herein set forth, Lessor and Lessee agree and covenant as follows:

ARTICLE I - PREMISES AND PRIVILEGES

1.01 Description of Premises Demised. Subject to and on the terms, conditions, covenants, agreements and undertakings hereinafter set forth, Lessor does hereby demise and lease to Lessee and Lessee does hereby lease from Lessor the following described real property located in El Paso County, Texas:

Five acres of land, more or less, out of Lot 3, Block 1, Castner Range Subdivision No. 1 in the City of El Paso, El Paso County, Texas, as more fully described in **Exhibit "A"** attached hereto and incorporated herein by reference (the "Premises").

1.02 Right to Construct. Lessee shall have the right and privilege to maintain, and remove improvements it has previously constructed and any improvements it may construct during the Lease term upon the Premises subject to the terms, covenants, and conditions contained herein.

Prior to any modifications, additions, alterations or changes to the Premises, Lessee shall submit the plans and specifications for any modifications, improvements, additions, alterations or changes shall be submitted to the City Engineer or designee, with a copy to the Capital Assets Manager, for review and approval. No work shall commence until the City Engineer has given written approval, which permission shall not be unreasonably withheld.

All structures and other improvements constructed on the Premises shall be of substantial construction and good architectural design. Lessee shall employ competent engineers and architects to prepare architectural plans, construction plans and specifications.

All improvements and structures constructed under the 1981 Lease or under this Lease shall remain the property of Lessee until termination of this lease (whether by expiration of the term or otherwise) and shall then become the property of the City.

1.03 Restriction of Privileges, Uses and Rights. The rights and privileges granted Lessee hereunder are subject and expressly limited to use as a YWCA facility with supervised recreation, services and programs. The Premises shall be for the use of the public, and therefore, no person shall be denied entrance thereto, nor will anyone be refused the use of the same, although charges may be assessed by the Lessee for the use of said facilities in line with charges commonly fixed for other similar YWCA and other facilities in the community.

Any change of use will require the prior written approval of the City Council. Failure to obtain the prior written approval of the City Council prior to using the Premises for anything other than the purposes set forth herein shall constitute an event of default and may result in termination of the Lease.

1.04 Conditions of Granting Lease. The granting of this Lease and its acceptance by Lessee is conditioned upon the following covenants:

- A. That no functional alteration of the Premises or improvements located thereon or functional change in the uses of such Premises shall be made without the prior written consent of Lessor.
- B. That the right to use the Premises shall be exercised only subject to and in accordance with the laws of the United States of America and the State of Texas; the rules and regulations promulgated by their authority and all reasonable and applicable rules, regulations and ordinances of Lessor now in force or hereafter prescribed or promulgated by charter authority or by law.

ARTICLE II - OBLIGATIONS OF LESSOR

2.01 Quiet Enjoyment. Lessor agrees that upon Lessee's occupying the Premises and performing all of the covenants, conditions, and agreements set forth in this Lease, Lessee shall

and may peaceably and quietly have, hold, and enjoy the Premises. Lessor has no knowledge, nor any reason to believe, that there is any legal impediment to its full right to enter into this Lease and perform its obligations hereunder.

2.02 No Cost. This Lease shall be without any cost whatsoever to Lessor, including but not limited to any cost for construction, maintenance, or improvement of the property.

ARTICLE III - OBLIGATIONS OF LESSEE

3.01 Net Lease. This Lease shall be without cost to Lessor except for Lessor's obligations specifically set forth in Article II. Lessee shall:

- A. Keep and maintain the Premises and improvements located thereon in a good state of repair at all times; and
- B. Keep and maintain the landscaping for the Premises in a good state of repair at all times; and

- E. Pay all casualty, bond, and liability insurance premiums required in accordance with the terms of this Lease.

3.02 Condition of Premises. Lessee accepts the Premises in their present condition and agrees that the Premises are suitable for Lessee's business, activities, and operations proposed to be conducted thereon relying on its own inspection and judgment. Lessor has not made any warranties expressed or implied with regard to the condition of the Premises or improvements or their suitability for a particular use. Lessee accepts the Premises "As Is", with all faults, relying on Lessee's own inspection and judgment and not in reliance on any representations of Lessor. Lessor shall assume no responsibility as to the condition of the Premises and shall not assume responsibility for maintenance, upkeep, or repair necessary to keep the Premises in a safe and serviceable condition.

3.03 Annual Inspection. At least once each calendar year during the term of this lease, Lessor may conduct an inspection of the Premises and improvements in order to insure they are being properly maintained. Upon completion of the inspections, Lessor shall provide written notice of any repairs or maintenance which Lessor in its sole discretion determines must be made to the Premises and improvements in order to ensure compliance with all federal, state and local

laws and regulations and maintain the property to the standard set forth in Section 3.1. Failure to complete such repairs shall be an event of default and may result in termination of the Lease and a suit for collection of the sums necessary to make said repairs and court costs and attorney's fees for the collection action.

3.04 Compliance With Laws. Lessee, at Lessee's expense, agrees that it will operate and maintain, and to the extent applicable, construct, improvements on the Premises in accordance with the terms, conditions and processes contained herein, and in accordance with all laws, rules, orders, ordinances, directions, regulations and requirements of federal, state, county and municipal authorities, now in force or which may hereafter be in force, including, but not limited to, those which shall impose any duty upon the Lessor or Lessee, with respect to the use, occupation or alteration of the Premises and any improvements thereon.

Lessee, at Lessee's expense, specifically agrees to make or cause to be made all such alterations to the Premises, and any improvements thereon, including, without limiting the generality of the requirements of this sentence, removing such barriers and providing such alternative services, as shall be required by the Americans with Disabilities Act of 1990, as amended, and any other laws, rules, orders, ordinances, directions, regulations and requirements of federal, state, county and municipal authorities, now in force or which may hereafter be in force, which relate to the use or occupation of the Premises and any improvements thereon by disabled persons ("Disabilities Laws").

Lessee shall, at Lessee's expense, comply with all present and hereinafter enacted Environmental Laws, and any amendments thereto, affecting Lessee's use, operation, occupation or alteration of the Premises including any improvements thereon.

A. Definitions.

- (1) "Environmental Laws" means any one or all of the following as the same are amended from time to time: the Comprehensive Environmental Response, Compensation, and Liability Act, 42 Section 9601 et seq.; the Resource Conservation and Recovery Act, 42 U.S.C. Section 6941 et seq.; the Toxic Substances Control Act, 15 U.S.C. Section 2601 et seq.; the Safe Drinking Water Act, 42 U.S.C. Section 300h et seq.; the Clean Water Act, 33 U.S.C. Section 1251 et seq.; the Clean Air Act, 42 Section 7401 et seq.; and the regulations promulgated thereunder and any other laws, regulations and ordinances (whether enacted by the local, state or federal government) now in effect or hereinafter enacted that deal with the regulation or protection of the environment, including the ambient air, ground water, surface water, and land use, including sub-strata land.
- (2) "Hazardous Material" shall mean all substances, materials and wastes that are, or that become, regulated under or classified as hazardous or toxic

under any Environmental Law and all petroleum products, such as gasoline, kerosene, and diesel fuel.

- (3) "Release" shall mean any releasing, spilling, leaking, pumping, pouring, emitting, emptying, discharging, injecting, escaping, leaching, disposing, or dumping into the environment.

B. Compliance.

- (1) Lessee shall not cause or permit any Hazardous Material to be used, generated, manufactured, produced, stored, brought upon, or released, on, under or about the Premises, or transported to and from the Premises, by Lessee, its sublessees, agents, employees, contractors, invitees, or a third party in violation of any Environmental Law. Lessee shall indemnify, defend and hold harmless Lessor, its successors and assigns, its employees, agents and attorneys from and against any and all liability, loss, damage, expense, penalties and legal and investigation fees or costs, arising from or related to any claim or action for injury, liability, breach of warranty or representation, or damage to persons or property and any and all claims or actions brought by any person, entity or governmental body, alleging or arising in connection with contamination of, or adverse effects on, the environment or violation of any Environmental Law or other statute, ordinance, rule, regulation, judgment or order of any government or judicial entity which are incurred or assessed as a result (whether in part or in whole) of any activity or operation on or discharge from the Premises or any improvements thereon. This obligation includes, but is not limited to, all costs and expenses related to cleaning up the Premises, improvements, land, soil, underground or surface water as required under environmental law. Lessee's obligations and liabilities under this paragraph shall continue so long as Lessor bears any liability or responsibility under the Environmental Laws for any action that occurred on the Premises or any improvements thereon. This indemnification of Lessor by Lessee includes, without limitation, costs incurred in connection with any investigation of site conditions or any cleanup, remedial, removal or restoration work required by any federal, state or local governmental agency or political subdivision because of Hazardous Material located on the Premises or any improvements thereon, or present in the soil or ground water on, under or about the Premises. The parties agree that Lessor's right to enforce Lessee's promise to indemnify is not an adequate remedy at law for Lessee's violation of any provision of this Section. Lessor shall also have all other rights and remedies provided by law or otherwise provided in this Lease.

- (2) Without limiting the foregoing, if the presence of any Hazardous Material on, under or about the Premises or in any improvements thereon or

permitted by Lessee results in any contamination of the Premises or any improvements thereon, Lessee shall promptly take all actions, at its sole cost and expense, as are necessary to return the Premises or any improvements thereon to the condition existing prior to the introduction of any such Hazardous Material to the Premises or in any improvements thereon; provided that Lessor's approval of such actions shall first be obtained, which approval shall not be unreasonably withheld so long as such actions would not potentially have any material adverse long-term effect on the Premises or on any improvements thereon.

- (3) Lessee shall, at Lessee's own cost and expense, make all submissions to, provide all information to, and comply with all requirements of the appropriate governmental authority (the "Government") under the Environmental Laws. Should the Government determine that site characterization, site assessment and/or a cleanup plan be prepared or that a cleanup should be undertaken on the Premises or in any improvements thereon, then Lessee shall, at Lessee's own cost and expense, prepare and submit the required plans and financial assurances, and carry out the approved plans. At no cost or expense to Lessor, Lessee shall promptly provide all information requested by Lessor to determine the applicability of the Environmental Laws to the Premises or to respond to any governmental investigation or to respond to any claim of liability by third parties which is related to environmental contamination.
- (4) Lessee shall immediately notify Lessor of any of the following: (a) any correspondence or communication from any governmental entity regarding the application of Environmental Laws to the Premises or Lessee's operation on the Premises, and (b) any change in Lessee's operation on the Premises that will change or has the potential to change Lessee's or Lessor's obligations or liabilities under the Environmental Laws.
- (5) Lessee shall insert the provisions of this Section 3.03 in any lease agreement or contract by which it grants a right or privilege to any person, firm or corporation under this Lease.

3.05 Lessor's Approval of Plans. Lessor's approval of any plans, specifications and working drawings for Lessee's construction or alterations of improvements shall create no responsibility or liability on the part of Lessor for their completeness, design sufficiency or compliance with all laws, rules and regulations of federal, state, county and municipal authorities. It is specifically understood that the Engineering and Construction Management Department is only one of numerous departments of the Lessor and that, in addition to obtaining approval of the Engineering and Construction Management Department, Lessee may be required to obtain the approval of other departments as well, such as Capital Assets and Real Estate Manager.

3.06 Landscaping and Maintenance of Improvements. Lessee shall maintain the landscaping on the Premises and keep the improvements on the Premises in a good state of repair and condition. Lessee shall water, trim and maintain any landscaping installed by Lessee so that the same shall be kept in neat, orderly and attractive condition at all times.

Lessor agrees that attractive, low water usage landscaping is a desirable goal and agrees to consider and approve appropriate low water usage landscaping plans if improvements are made to the current landscaping. Before doing any such landscaping, Lessee shall submit to the City a plan showing such proposed landscaping and no work shall be done thereon until the City has given its approval, which permission the City agrees will not be unreasonably withheld.

Lessor shall be the sole judge of the quality of maintenance and, upon written notice by Lessor to Lessee, Lessee shall be required to perform whatever maintenance Lessor deems necessary. If said maintenance is not undertaken by Lessee within ten (10) days after receipt of written notice, Lessor shall have the right to enter on the Premises and perform the necessary maintenance, the cost of which plus ten percent (10%) shall be borne by Lessee.

3.07 Utilities. Lessee shall pay for all costs for utility services during the term hereof. Lessee is responsible for paying the cost of extending water, sewer, gas and electric lines to the boundary of the property and within the boundaries of the property (connecting to such lines and setting meters), if any.

3.08 Trash, Garbage, and Other Refuse. Lessee shall provide a complete and proper arrangement for the adequate sanitary handling and disposal, away from the Premises, of all trash, garbage and other refuse caused as a result of its use and occupancy of the Premises. Lessee shall provide and use suitable covered commercial type receptacles for all such garbage, trash and other refuse, and will maintain these receptacles, screened from view of adjoining properties or public streets in an attractive, safe, and sanitary manner. Piling of boxes, cartons, barrels or other similar items, in an unsightly or unsafe manner, on or about the Premises, shall not be permitted.

3.09 Outside Lighting. Outside Lighting on the Premises will not be operated at such hours or with such intensity as to constitute a public nuisance to the occupants of other property in the neighborhood. If this provision is violated, the City Council may require any such lighting to be extinguished, changed or removed at Lessee's expense.

3.10 Signs. All signs on the Premises shall comply with all building codes and other ordinances of the City of El Paso. The size, design and location of all signs shall be subject to approval by the Lessor prior to installation. No outdoor advertising signs, billboards or flashing lighting shall be permitted. Signs on the property shall be limited to those identifying the uses conducted on the Premises and those necessary for informational and directional purposes.

3.11 Cutting or Filling. No cuts or fills shall be done on the property nor any grubbing, grading or moving of earth performed, unless such work has received prior written approval of

the City Engineer and a grading permit obtained if required by the grading ordinance of the City of El Paso.

3.12 Permitted Uses. Lessee will not enter into any activity on the Premises other than those permitted in Paragraph 1.03. The Lessee shall not permit on the Premises any entertainment, amusement or other activity which violates any statute or ordinance, and will use Lessee's best efforts to prevent disorder and conduct amounting to a nuisance. The Premises shall not be used for any purpose except as contemplated by this Lease, unless written permission of the City Council is first obtained. Lessee may make reasonable rules for use of the Premises to protect the rights of the public and to provide for the proper, orderly and non-discriminatory use of the facilities thereon which shall be made available to every member of the community.

ARTICLE IV - TERM OF LEASEHOLD

4.01 Term. This Lease shall be for a term of fifteen (15) years, commencing on the Effective Date, as defined in Section 11.17. This shall hereinafter be referred to as the "Initial Term".

4.02 Option to Extend. In the event Lessee is not in default of any terms of this Lease, this Lease may be extended for three (3) additional five (5) year terms upon the mutual agreement of the parties. The Lease may be extended for each extension period ("Extension Period") by Lessee's notifying Lessor in writing of Lessee's election at least one hundred and twenty (120) days prior to the expiration of the previous term and Lessor's consent to such extension. In the event the election is so exercised, the Lease shall be extended for five years (the "Extended Term") on the same terms and conditions.

4.03 Holding Over. It is agreed and understood that any holding over by Lessee of the Premises at the expiration or cancellation of this Lease shall operate and be construed as a tenancy from month to month at a rent payable as defined in Section V, and Lessee shall be liable to Lessor for all loss or damage on account of any holding over against Lessor's will after the expiration or cancellation of this Lease, whether such loss or damage may be contemplated at this time or not. No receipt or acceptance of payment after expiration or cancellation of this Lease or after the service of any notice, or after the commencement of any suit, or after final judgment for possession of the Premises, shall reinstate, continue or extend the terms of this Lease, or affect any such notice, demand or suit or imply consent for any action for which Lessor's consent is required or operate as a waiver of any right of the Lessor to retake and resume possession of the Premises.

4.04 National Emergency. In the event the rights and privileges hereunder are suspended by reason of war or other national emergency, the term of this Lease shall be extended by the amount of the period of time of such suspension.

ARTICLE V - CONSIDERATION

5.01 Rent. As monetary consideration for this Lease, Lessee will deliver to the City the sum of ONE AND NO/100 DOLLARS (\$1.00) per year in advance on the first day of December in each year of the initial term of this Lease and each year of any extended terms in which the Lessee has exercised its option to extend pursuant to Section 4.02.

ARTICLE VI – INSURANCE AND INDEMNIFICATION

6.01 Fire and Other Risks Insurance. Lessee, at its sole cost and expense, shall throughout the term of this Lease, keep or cause to be kept all improvements now or hereafter located upon the Premises insured for the mutual benefit of Lessor and Lessee against loss or damage by fire and against loss or damage by other risks embraced by "extended coverage" and against civil commotions, riots, vandalism and malicious mischief, in an amount equal to the actual replacement cost of such improvements, including costs of replacing excavations and foundation, but without deduction for depreciation (hereinafter called "Full Insurable Value"). In the event a dispute arises as to the Full Insurable Value which cannot be resolved by agreement, an appraisal of the Premises and improvements thereon shall be made by an appraiser selected by Lessee and reasonably acceptable to Lessor to determine the Full Insurable Value, as defined in this Section, and the resulting determination shall be conclusive between the parties for the purpose of this Section. Should the appraiser Lessee selects be unsatisfactory to Lessor, the carrier of the insurance then in force shall be requested to determine the Full Insurable Value as defined in this Section. The expense of this appraisal shall be borne by Lessee.

6.02 Liability Insurance. Lessee, at its sole cost and expense shall, throughout the term of this Lease, provide and keep in force for the benefit of Lessor and Lessee, as their respective interests may appear, comprehensive general liability insurance in an amount not less than One Million Dollars (\$1,000,000.00) for bodily injury to one person for each occurrence, One Million Dollars (\$1,000,000.00) for bodily injuries to more than one person arising out of each occurrence and One Million Dollars (\$1,000,000.00) for property damage arising out of each occurrence, or in amounts equal to the maximum liability for damages for municipalities for

The following endorsements shall be added to the policy:

- B. A thirty (30) day Notice of Cancellation/Material Change in favor of the City.

LESSOR agrees that LESSEE may self-insure against the risks described in this Section 6.03 to the extent permitted by state law, providing that LESSEE shall provide evidence of such compliance with state law. LESSEE hereby waives its right of recovery against LESSOR and its officers, employees or agents of any amounts paid by LESSEE or on LESSEE's behalf to satisfy applicable worker's compensation laws.

6.04 Payment and Performance Bonds. In the event of any construction on the Premises in an amount over \$25,000, Lessee, at its own cost and expense, shall cause to be made, executed, and delivered to Lessor two (2) separate bonds, as follows:

- A. Prior to the date of commencement of any construction, a contract surety bond in a sum equal to the full amount of the construction contract awarded. Said bond shall guarantee the faithful performance of necessary construction and completion of improvements in accordance with approved final plans and detailed specifications; and shall guarantee Lessor against any losses and liability, damages, expenses, claims and judgments caused by or resulting from any failure of Lessee to perform completely the work described as herein provided.
- B. Prior to the date of commencement of any construction, a payment bond with Lessee's contractor or contractors as principal, in a sum equal to the full amount of the construction contract awarded. Said bond shall guarantee payment of all wages for labor and services engaged and of all bills for materials, supplies, and equipment used in the performance of said construction contract.

In accordance with Article 7.19-1 of the Texas Insurance Code, if a Performance bond is in an amount of excess of ten percent (10%) of the surety's capital and surplus, the Lessor will require, as a condition to accepting the bond(s), a written certification from the surety that the surety has reinsured the portion of the risk that exceeds ten percent (10%) of the surety's capital and surplus with one or

more reinsurers who are duly authorized, accredited or trusted to do business in the State of Texas. If any portion of the surety's obligation is reinsured, the amount reinsured may not exceed ten percent (10%) of the reinsurer's capital and surplus. In lieu of the payment and performance bonds described in Paragraph A and B, above, Lessee may, at Lessee's option, provide Lessor with an irrevocable letter of Credit in an amount equal to the full amount of the construction contract awarded. Such Letter of Credit shall be issued by a national banking association with offices in El Paso, El Paso County, Texas, shall provide for partial draws, and shall have an expiration date of at least ninety (90) days after the completion date provided in the construction contract. Such Letter of Credit shall be payable upon presentment accompanied by an affidavit by an authorized representative of Lessor indicating that the proceeds to be paid will be used by Lessor to either (i) pay sums due and owing pursuant to the construction contract awarded or (ii) complete construction of the improvement contemplated by the construction contract.

- C. Lessee acknowledges that these bonds are required for construction projects on city-owned property and state law prohibits divide a single project into separate, sequential or component projects in order to avoid the statutory requirements.

6.05 Authorized Insurance Companies. All such policies of insurance shall be written by insurance companies authorized to do business in the State of Texas and shall be written by companies approved by Lessor, such approval not to be unreasonably withheld. Certificates of insurance shall be delivered to Lessor at least ten (10) days prior to the effective date of the insurance policy for which the certificate is issued. Each such certificate shall contain:

- A. A statement of the coverage provided by the policy;
- B. A statement certifying the Lessor to be listed as an additional insured in the policy;
- C. A statement of the period during which the policy is in effect;
- D. A statement that the annual premium or the advance deposit premium for such policy has been paid in advance; and
- E. An agreement by the insurance company issuing such policy that the policy shall not be canceled or reduced in any amount for any reason whatsoever without at least fifteen (15) days prior written notice to Lessor.

6.06 Indemnification. Lessee agrees to indemnify and hold Lessor harmless against any and all claims, demands, damages, costs, and expenses, including investigation expenses and reasonable attorney's fees for the defense of such claims and demands, arising out of or attributed directly, or indirectly to the operation, conduct or management of Lessee's

business on the Premises, its use of the Premises, or from any breach on the part of Lessee of any terms of this Lease, or from any act or negligence of Lessee, its agents, contractors, employees, subtenants, concessionaires, or licensees in or about the Premises including claims and damages arising in whole, or in part, from the negligence of Lessor. In case of any action or proceeding brought against Lessor by reason of any such claim, Lessee, upon notice from Lessor, agrees to defend the action or proceeding by counsel acceptable to Lessor.

6.07 Waiver of Liability. Lessor shall not be responsible for any damage to any personal property placed on the Premises by Lessee, including but not limited to, office equipment, vehicles, inventory, etc. By signing this Lease Lessor acknowledges that the Lessor, its agents, employees and invitees will be on Premises and agrees to accept whatever risks come from the use of the Premises.

**ARTICLE VII - DESTRUCTION OF IMPROVEMENTS BY FIRE
OR OTHER CASUALTY**

7.01 Obligations of Lessee. During the term hereof, except as provided in Section 7.03 below, should the improvements on the Premises be damaged or destroyed in whole or in part by fire or other casualty, Lessee shall give prompt notice thereof to Lessor, and Lessor shall repair, replace and rebuild the same, at least to the same extent as the value and as nearly as practical to the character of the buildings and improvements existing immediately prior to such time. Such repairs, replacements or rebuilding shall be made by Lessor as aforesaid and Lessor shall bill Lessee for the repairs, replacements or rebuilding.

7.02 Insurance Proceeds. Upon receipt by Lessee of the proceeds of the insurance policy or policies, Lessee shall deposit same in an escrow account to pay for the cost of such repair, replacement or rebuilding. Such proceeds shall be disbursed by Lessee during construction to pay the cost of such work. If the amount of such insurance proceeds is insufficient to pay the costs of the necessary repair, replacement or rebuilding of such damaged improvements, Lessee shall pay any additional sums required, and if the amount of such insurance proceeds is in excess of the costs thereof, the amount of such excess shall be retained by Lessee.

7.03 Cancellation of Lease. Should the improvements on the Premises be damaged or destroyed in whole or in part by fire or other casualty during the last year of the initial term or last year of any renewal term of this Lease, Lessee shall be relieved of the obligation to repair, replace and rebuild the same and shall have the right to cancel this Lease by giving Lessor written notice of such election within thirty (30) days after the date of any such damage or destruction. In such event, this Lease shall terminate as of the date of such destruction and the insurance proceeds received or receivable under any policy of insurance shall be paid to and retained by Lessor, unless Lessor has elected to have the Premises returned to it clear of all improvements in accordance with Section 10.06 herein below, in which case Lessee shall be entitled to such insurance proceeds. All rents payable under this Lease shall be prorated and paid

to the date of such cancellation. The receipt of insurance proceeds by Lessor will relieve Lessee from any responsibility to restore the Premises to their former condition.

ARTICLE VIII – CONDEMNATION

8.01 Definitions. The following definitions apply in construing the provisions of this Lease relating to the taking of or damage to all or any part of the Premises, or improvements thereon, or any interest in them by eminent domain or condemnation:

- A. "Taking" means the taking or damaging, including severance damage by eminent domain or by condemnation for any public or quasi-public use under any statute. The transfer of title may be either a transfer resulting from the recording of a final order in condemnation or a voluntary transfer or conveyance to the condemning agency or entity under threat of condemnation and avoidance proceedings are pending. The taking shall be considered to take place the date actual physical possession is taken by the condemning authority.
- B. "Total taking" means the taking of the fee title to all of the Premises and improvements thereon.
- C. "Substantial taking" means the taking of so much of the Premises or improvements or both that one or more of the following conditions results:
 - 1. The remaining portion of the Premises and improvements thereon after such taking would not be economically and feasibly useable by Lessee;
 - 2. The conduct of Lessee's business on the Premises would be substantially prevented or impaired;
 - 3. The portion of the Premises not so taken cannot be so repaired or reconstructed, taking into consideration the amount of the award available for repair or reconstruction, as to constitute a complete rentable structure capable of producing a proportionately fair and reasonable net annual income after payment of all operation expenses including the rent and after performance of all covenants and conditions required of Lessee under this Lease.
- D. "Partial taking" means the taking of a fee title that is not either a total or substantial taking.
- E. "Improvements" includes, but is not limited to, all buildings, structures, fixtures, fences, utility installations, parking facilities and landscaping on the Premises.
- F. "Notice of intended taking" means any notice or notification on which a reasonably prudent person would rely and which such person would interpret as

expressing an existing intention of Taking as distinguished by a mere preliminary inquiry or proposal. It includes, but is not limited to, the service of a condemnation summons and complaint on a party to this Lease. The notice is considered to have been received when a party to this Lease receives from the condemning agency or entity a notice of intent to take in writing containing a description or map reasonably defining the extent of the Taking.

- G. "Award" means compensation paid for the Taking, whether pursuant to judgment, or by agreement, or otherwise.
- H. "Date of Taking" means the date that Lessee is required to vacate the Premises pursuant to a final order of condemnation or agreement between the parties hereto.

8.02 Notice of Condemnation. The party receiving any notice of the kind specified below shall promptly give the other party notice of the receipt, contents and date of the notice received:

- A. Notice of intended Taking;
- B. Service of any legal process relating to condemnation of the Premises or improvements; or
- C. Notice in connection with any proceedings or negotiations with respect to such a condemnation.

8.03 Rights of Parties During Condemnation Proceeding. Lessor and Lessee shall each have the right to represent its respective interest in each proceeding or negotiation with respect to a Taking or intended Taking and to make full proof of its claims. No agreement, settlement, sale or transfer to or with the condemning authorities shall be made without the consent of all parties. Each party agrees to execute and deliver to any other party hereto any instrument that may be required to facilitate the provisions of this Lease relating to the condemnation.

8.04 Taking of Leasehold. Upon a Total Taking, Lessee's obligation to pay Rent and other charges hereunder shall terminate on the Date of Taking, but Lessee's interest in the leasehold shall continue until the Taking is completed by deed, contract or final order of condemnation. If the Taking is substantial under the aforementioned definition, Lessee may, by notice to Lessor within ninety (90) days after Lessee receives Notice of the intended Taking, elect to treat the Taking as a Total Taking. If Lessee does not so notify Lessor, the Taking shall be deemed a partial Taking. Upon a partial Taking, this Lease shall remain in full force and effect covering the balance of the Premises not so taken, except that the Rent payable hereunder by Lessee shall be reduced in the same ratio as the percentage of the area of the Premises taken bears to the total area of the Premises.

8.05 Total Taking. All of Lessee's obligations under the Lease shall terminate as of the Date of Taking. Upon a Total Taking, all sums awarded for any Lessee-owned improvements and the leasehold estate shall be disbursed to Lessee. All sums awarded for the Premises, as unencumbered by any Lessee-owned improvements, but subject to the Lease, shall be disbursed to Lessor.

8.06 Partial Taking. Upon a Partial Taking, all Awards shall be disbursed as follows:

- A. To the cost of restoring the improvements on the Premises; and
- B. The balance, if any, to Lessor and Lessee as follows: Lessee shall receive all sums awarded for Lessee-owned improvements and the Leasehold estate. Lessor shall receive all sums awarded for the Premises, as unencumbered by the Lessee-owned improvements but subject to the Lease.

8.07 Obligations of Lessee Under Partial Taking. Promptly after any such Partial Taking, Lessee, at its expense, shall repair, alter, modify or reconstruct the improvements on the Premises so as to make them reasonably suitable for Lessee's continued occupancy for the uses and purposes for which the Premises are leased. Notwithstanding the foregoing to the contrary, should there be a Partial Taking in the last year of the initial term or any renewal term, Lessee shall be relieved of the responsibility to so repair or reconstruct the improvements on Premises as aforesaid by notifying Lessor of its intention to that effect; provided however, that all sums awarded for Lessee owned improvements and the Leasehold estate shall be disbursed to Lessor.

8.08 Taking of Temporary Use of Premises and Improvements. Upon any Taking of the temporary use of all or any part or parts of the Premises or improvements, or both, for a period of any estate less than a fee ending on or before the expiration date of the term, neither the term nor the rent shall be reduced or affected in any way and Lessee shall be entitled to any award for the use or estate taken. If a result of the Taking is to necessitate expenditures for changes, repairs, alterations, modifications or reconstruction of the improvements to make them reasonably suitable for Lessee's continued occupancy for the uses and purposes for which the Premises are leased, after the termination of such Taking, Lessee shall receive, hold and disburse the Award in trust for such work. At the completion of the work and the discharge of the Premises and improvements from all liens or claims arising therefrom, Lessee shall be entitled to any surplus and shall be liable for any deficiency.

If any such Taking is for a period extending beyond the expiration date of the term, the Taking shall be treated under the foregoing provisions for total, substantial and Partial Takings.

ARTICLE IX – ENCUMBRANCES

9.01 Encumbrance. Lessee may not permit any liens or encumbrances upon its leasehold estate and its interest in the improvements constructed and to be constructed on the Premises,

except as may be approved by the Lessor.

ARTICLE X - EXPIRATION, CANCELLATION, ASSIGNMENT AND TRANSFER

10.01 Expiration. This Lease shall expire sixteen (16) years from the Effective Date of this Lease, unless as extended pursuant to paragraph 4.02 above. Upon expiration or any termination of the Lease pursuant to the terms and conditions herein, Lessee shall peacefully surrender such Premises and improvements to the City free of all such liens or encumbrances. Lessee shall defend and indemnify the City against any liability and loss of any type arising from any such lien or encumbrance on the Premises or improvements, together with reasonable attorney's fees, costs and expenses incurred by the City in negotiating, settling, defending or otherwise protecting against such liens or encumbrances.

10.02 Cancellation. Subject to the provisions of Article IX above, this Lease shall be subject to cancellation by Lessor in the event Lessee shall:

- A. Fail to maintain the Premises and the improvements for a period of thirty (30) days after Lessor has notified Lessee that repairs are needed;
- B. Fail to maintain insurance and provide proof of said insurance;
- C. Fail to use the Premises for the purpose identified in paragraph 1.03;
- D. Be in arrears in the payment of the whole or any part of the amounts agreed upon hereunder for a period of ten (10) days after Lessor has notified Lessee in writing that payment was not received when due.
- E. File in any court a petition in bankruptcy or insolvency or for the appointment of a receiver or trustee of all or a portion of Lessee's property;
- F. Make any general assignment for the benefit of creditors;
- G. Abandon the Premises;
- H. Be in violation of any local, state, or federal rules and/or regulations or in default in the performance of any of the covenants and conditions required herein (except payments) to be kept and performed by Lessee, and such violation or default continues for a period of thirty (30) days after receipt of written notice from Lessor to cure such default, unless during such thirty-day period, Lessee shall commence and thereafter diligently perform such action as may be reasonably necessary to cure such default;
- I. Be adjudged bankrupt in involuntary bankruptcy proceedings; or

- J. Be made a party to any receivership proceeding in which a receiver is appointed for the property or affairs of Lessee where such receivership is not vacated within sixty (60) days after the appointment of such receiver.

In any of the aforesaid events, Lessor may take immediate possession of the Premises including any and all improvements thereon and remove Lessee's effects, forcibly if necessary, without being deemed guilty of trespassing.

Failure of Lessor to declare this Lease canceled upon the default of Lessee for any of the reasons set out shall not operate to bar or destroy the right of Lessor to cancel this Lease by reason of any subsequent violation of the terms of this Lease.

No receipt or acceptance of money by Lessor from Lessee after the expiration or cancellation of this Lease or after the service of any notice, after the commencement of any suit, or after final judgment for possession of the Premises, shall reinstate, continue, or extend the terms of this Lease, or affect any such notice, demand or suit or imply consent for any action for which Lessor's consent is required or operate as a waiver of any right of the Lessor to retake and resume possession of the Premises.

10.03 Repossessing and Reletting. In the event of default by Lessee hereunder which shall remain uncured after the required notices have been given pursuant to this Lease, and for such time as provided herein, Lessor may at once thereafter, or at any time subsequent during the existence of such breach or default:

- A. Enter into and upon the Premises or any part thereof and repossess the same, expelling therefrom Lessee and all personal property of Lessee (which property may be removed and stored at the cost of and for the account of Lessee), using such force as may be necessary; and
- B. Either cancel this Lease by notice or without canceling this Lease, relet the Premises or any part thereof upon such terms and conditions as shall appear advisable to Lessor. If Lessor shall proceed to relet the Premises and the amounts received from reletting the Premises during any month or part thereof be less than the rent due and owing from Lessee during such month or part thereof under the terms of this Lease, Lessee shall pay such deficiency to Lessor immediately upon calculation thereof, providing Lessor has exercised good faith in the terms and conditions of reletting. Payment of any such deficiencies shall be made monthly within ten (10) days after receipt of notice of deficiency.

10.04 Assignment and Transfer. Lessee may not assign or transfer any part of its interest in this Lease. Any attempt to transfer shall be void and an event of default which may result in immediate termination of the Lease.

10.05 Rights Upon Expiration. At the expiration of this Lease, at the sole option of Lessor, the Premises and all the improvements thereon will either be returned to its prior condition, reasonable wear and tear excepted or Lessor will agree to accept the improvements placed on the Premises by Lessee. Lessee shall peacefully surrender such Premises and improvements to the City.

10.06 Landlord's Lien. It is expressly agreed that in the event of default in the payment of rent or any other sum due from Lessee to Lessor under the terms of this Lease, Lessor shall have a lien upon all goods, chattels, personal property or equipment, save and except delivery vehicles or rolling stock belonging to Lessee which are placed in, or become a part of, the Premises, as security for rent due and to become due for the remainder of the Lease term, which lien shall not be in lieu of or in any way affect the statutory landlord's lien given by law, but shall be in addition to that lien, and Lessee grants to Lessor a security interest in all of Lessee's personal property placed in or on the Premises for purposes of this contractual lien. Provided, however, that the terms of this provision shall have effect only to the extent they are not inconsistent with the rules and regulations of the Interstate Commerce Commission and any other laws pertaining thereto and the Railroad Commission of the State of Texas. Lessor agrees that Lessor will not levy a landlord's lien against any delivery vehicle or rolling stock or any of the goods or personal property of third parties in the possession of Lessee, any sublessee or any assignee of the Lessee. In the event Lessor exercises the option to terminate the leasehold as provided herein, the Lessor, after providing reasonable notice to Lessee of its intent to take possession and giving an opportunity to cure the default, may take possession of all of Lessee's property on the Premises and sell it at public or private sale after giving Lessee reasonable notice of time and place of any public sale or of the time after that any private sale is to be made, for cash or credit, for such prices and terms as Lessor deems best. The proceeds of the sale shall be applied first the necessary proper expense of removing, storing and selling such property, then to the payment of any rent due or to become due under this Lease, with the balance, if any, to be paid to Lessee.
