SUBJECT:

Authorize the City Manager to sign the First Amendment to the Airline Operating Agreement and Terminal Building Lease by and between the City of El Paso and Frontier Airlines, Inc. This amendment extends the term of the agreement through August 31, 2009.

BACKGROUND / DISCUSSION:

The City entered into an Airline Operating Agreement and Terminal Building Lease effective February 1, 2002 granting Frontier Airlines the right to operate at El Paso International Airport.

The Department of Aviation recommends extension based on the following:

- The existing agreement continues to reflect state of the art thinking.
- Terminal construction is proposed for 2008 – 2009.
- Airlines have requested the extension.
- Facility use and airline space is balanced and meeting airline and community needs.

City Council previously approved similar amendments to the Airline Operating Agreement and Terminal Building Lease by and between the City and US Airways (September 25, 2007), by and between the City and Delta Airlines, Inc. (November 20, 2007) and by and between the City and Continental Airlines, Inc. (December 18, 2007). These amendments extended the term of agreements until August 31, 2009.

Amendments for remaining Airline Operating Agreements will be brought to City Council upon execution by respective airlines.
