(Solicitation No. 2009-089)**

Dear Mr. Gallegos:

Please consider this letter as your notice that on March 24, 2009, City Engineering will recommend to El Paso City Council that the above referenced contract for Bid No. 2009-089, be awarded to a bidder who is the lowest responsible bidder, but not the lowest bidder.

Although the lowest bid was submitted by your firm, Quest Contracting, Inc., your bid does not comply with the requirements specified in "Information to Bidders, Section 6." Engineering recommends that Quest Contracting, Inc. be deemed a non-responsible bidder because your company did not submit bid documents required by the City. Therefore City staff has determined that your bid is not a responsible bid and is recommending that your bid be disqualified.

Each lower bidder, such as your company, must also be given an opportunity, if they so wish, to appear before the City's governing body to present evidence concerning the bidder's responsibility.

Should you wish to appear before City Council, please sign up with the Municipal Clerk so you may be recognized when the item is to be considered by the City Council.

If you have any questions, do not hesitate to call.

Sincerely,
