The City Plan Commission (CPC), on January 17, 2008, voted **6-0** to recommend **APPROVAL** of rezoning the subject property parcel 1: from R-3 (Residential) to R-3A (Residential), parcel 2: from R-3 (Residential) to C-3 (Commercial) and parcel 3: from R-3 (Residential to A-2 (Apartment).

The CPC found that this rezoning is in conformance with The Plan for El Paso and the proposed use is in conformance with the Year 2025 Projected General Land Use Map. The CPC also determined that this rezoning protects the best interest, health, safety and welfare of the public in general; that the proposed use is compatible with adjacent land uses; and the rezoning will have no effect on the natural environment, social economic conditions, and property values in the vicinity and the city as a whole.

There was no opposition to this request.

CITY CLERK DEPT.  
08 MAR 21 PM 2:29

**General Information:**

The applicant is requesting a rezoning from R-3 (Residential) to R-3A (Residential) 73.738 acres on parcel 1, R-3 (Residential) to C-3 (Commercial) 6.204 acres on parcel 2 and R-3 (Residential) to A-2 (Apartment) 15.232 acres on parcel 3. The property is a total of 95.17 acres (4,145,605.2 square feet) in size and is currently vacant. The non-binding conceptual site plan shows proposed residential, commercial and apartment. Access is proposed via Desert Boulevard frontage street to I-10 and there are no zoning conditions on this property.

**Staff Recommendation:**

The Development Coordinating Committee (DCC) recommends **Approval** of this request for rezoning from R-3 (Residential) to R-3A (Residential), R-3 (Residential) to C-3 (Commercial) and R-3 (Residential) to A-2 (Apartment).

The maximum density on proposed districts for the three parcels is as follows:

Parcel 1: R-3A (single-family 642 units and 535 on existing R-3)

Parcel 2: C-3 (180 multi family units)

Parcel 3: A-2 (132 units on two-family, 189 units on single-family and 147 units other)

The recommendation is based on the following:

- **The Plan for El Paso City-Wide Land Use Goals** recommends that El Paso “Provide a wide range of housing types that respond to the needs of all economic segments of the community.”
- **The Plan for El Paso City-Wide Land Use Goals** recommends that El Paso “provide designated locations for commercial development that do not adversely affect the health, safety and welfare of the community and where essential infrastructure is available to serve the development.”
- **The Year 2025 Projected General Land Use Map** for the North West Planning Area designates this property for **Residential and Industrial** land uses.
- **R-3A (Residential), C-3 (Commercial) and A-2 (Apartment) zoning** permits single, multi family and commercial development and **is compatible** with adjacent development.

CITY CLERK DEPT.  
09 MAR 21 PM 2:30

**Findings:**

The Commission must determine the following:

1. Will the zoning protect the best interest, health, safety and welfare of the public in general?
2. Will single-family, multi-family dwellings and commercial be compatible with adjacent land uses?
3. What is the relation of the proposed change to the city’s Comprehensive Plan?
