RESOLUTION

WHEREAS, the City Council of the City of El Paso finds that it would be in the best interest of the public to authorize offset angle parking on the west side of Palm Street between Wyoming Avenue and the alley to the north at 2235 Wyoming Avenue; and

WHEREAS, the City Council of the City of El Paso further finds, in accordance with Section 12.44.050 of the El Paso Municipal Code, that said right-of-way is not upon a Federal-aid or State Highway; that passing traffic will not be required to drive upon the left side of the street or upon any streetcar tracks; that said parking will not be within the Central Traffic District nor the Five Points Traffic District; that said street does not carry more than 4,000 vehicles per average day nor more than 500 vehicles per hour for any consecutive three hours of an average day; and that adequate provision has been made for the free and unobstructed passage of pedestrian traffic thereof;

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF EL PASO:

THAT the City Engineer is hereby authorized and directed to designate six (6) offset angle parking spaces on the west side of Palm Street between Wyoming Avenue and the alley to the north at the address of 2235 Wyoming Avenue. Said right-of-way shall be used for public parking and cannot be used to satisfy the off-street parking required by City Ordinance for the adjacent property.
