It is therefore the recommendation of the Engineering Traffic Division that this ordinance be amended.

SUBJECT: Tierra Azteca Dr., Tierra Plata Dr. and Tierra Real Way - No Parking Ordinance

It is requested that an ordinance be drafted amending Title 12 (Vehicles and Traffic), Chapter 12.88 (Schedules), Section 12.88.041 (Schedule IV (A)-(Parking prohibited during certain hours, School Days Only), Paragraph A, (No parking, 7:00 a.m. to 4:00 p.m.) of the El Paso City Code, to include the following:

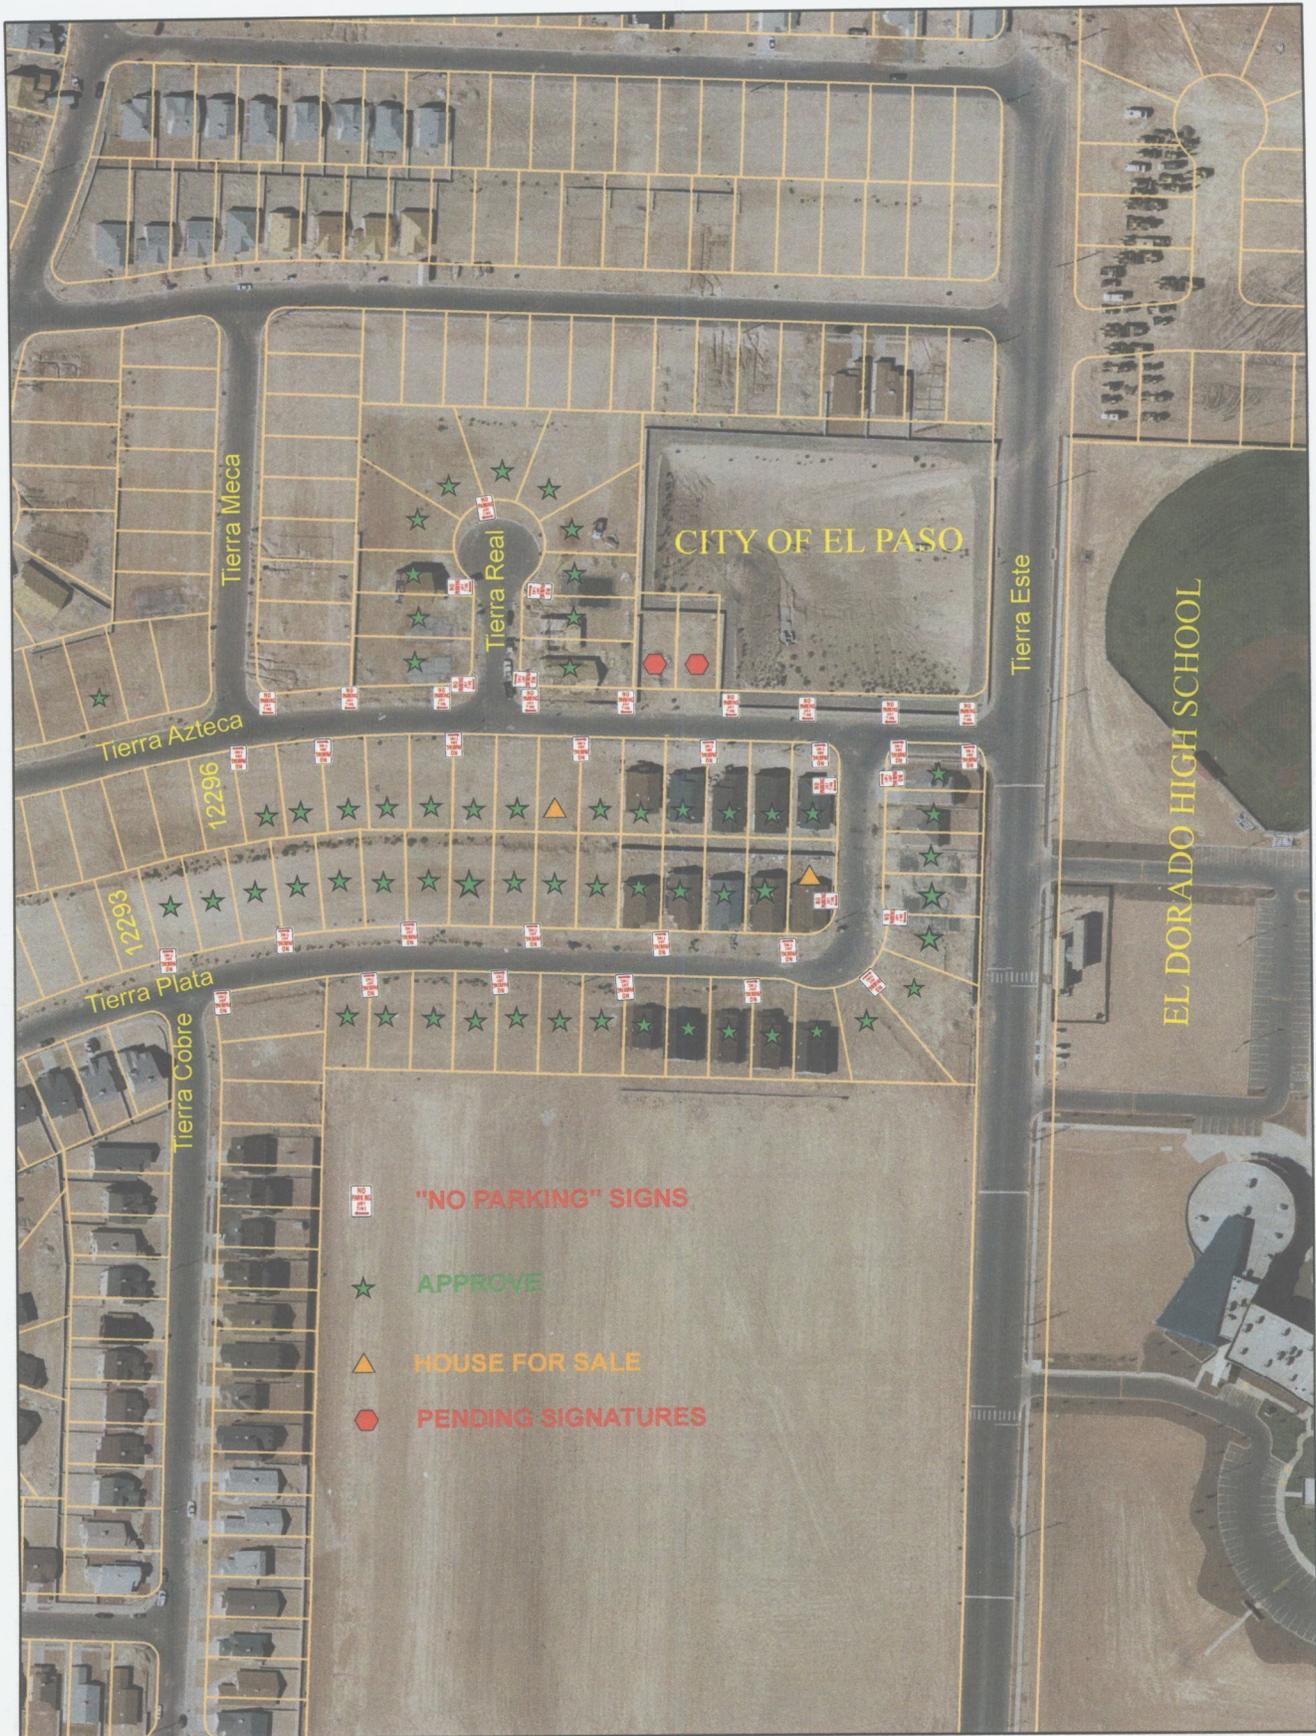

- Tierra Azteca Drive between Tierra Este Road and Tierra Meca Drive.
- Tierra Plata Drive between Tierra Azteca Drive and Tierra Cobre Drive.
- Tierra Real Way.

A resident of the neighborhood submitted a petition to restrict parking on sections of Tierra Azteca Drive, Tierra Plata Drive and all of Tierra Real Way. We have reviewed the petition and have concluded there is enough support from the neighborhood to draft the ordinance to prohibit parking during certain hours, "School Days only" between the hours of 7:00 a.m. to 4:00 p.m. along the sections of Tierra Azteca Drive, Tierra Plata Drive and Tierra Real Way. Therefore, we are requesting for the listed ordinance to be drafted.

Should you have any questions regarding this matter, please contact me at extension 4035.

Ms Davis,

We will add your support to the petition. Once we have a majority of support from the neighborhood we will proceed with drafting the ordinance to prohibit parking between 7AM - 4PM school days only. As stated in the letter, this will also prohibit residents from parking on the street during this timeframe.

If you have any other questions, please don't hesitate to contact myself or Narciso Chavez, the technician handling this request.

Keith,

I received a letter via US mail in regards to a request to prohibit parking along Tierra Azteca Dr. between Tierra Este Rd. and Tierra Meca Rd., Tierra Plata Dr. between Tierra Azteca Dr. and Tierra Cobre Dr. and all of Tierra Rea Way.

I would like to inform you that prohibiting parking in these areas is an excellent idea, I agree 100%! I was not given the opportunity to sign the petition, but given the chance, I would've signed it.

I reside at 12337 Tierra Azteca Dr.

Thank you for accepting my input in the matter.

Ms. Sunderland,

We appreciate your response to our letter and note your request for the restricted parking time to be between 8AM - 4 PM. This timeframe is a good possibility since El Dorado doesn't start up until 8:40AM. Once we receive sufficient response from the neighborhood we will proceed with drafting the ordinance and placing the item on City Council Agenda for approval.

We will do our best to keep the neighborhood informed of the progress with make concerning the parking situation in this area. If you have any further questions, please don't hesitate to contact myself or Mr. Narciso Chavez (Technican working this complaint) at 541-4051.

Thank you for contacting me through mail and letting me know of the signed petition concerning parking on my street. I was unaware this was taking place. Still, I support this and believe it would help the congestion and maybe the graffiti taking place on our street. I am concerned about the hours and would like the hours to be from 8:00 a.m. to 4:00 p.m. on School Days as I do not hold the same hours or work days as the SISD campus. Their are times members of my family must park on the street and this would allow us time to move our vehicles. Please feel free to contact me at my home email ESUNDEREliz@aol.com or cell number (915) 449-224 for any further questions or concerns.

Good Afternoon Ms. Bennett,

This e-mail may be too late as far as the letter I received about the parking of students around the residential area of El Dorado High School.

However, I will respond.

As a resident, no I do not approve of them parking there. Sometimes they can be disrespectful of the property. They have no business parking there when there is a student parking on campus. They just do not want to abide by the rules. I am in agreement of placing a removal of parking for that area.

As an employee at El Dorado High School, I further do not approve of the students parking over there. If they were driving under all the legalities and requirements asked of them they would be parking on campus where we have allocated plenty of parking for them with proper documentation.

I hope this helps. Thank you,
