Subject: Denial of Zoning Case, ZON 08-00120 from R-5 to C-4, 5713-5707 Welch Ave. (Vacant Lot)

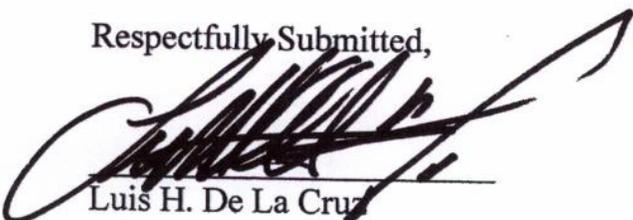

Dear Representative Acosta,

On February 12, 2009, Mr. Jorge Venezuela requested a change of zoning from R-5 to C-4 at 5713 to 5717 Welch for a small warehouse. This request was denied based on the determination that C-4 zoning was not compatible with the existing residential neighborhoods; even though there are many existing heavy manufacturing uses (M-1 and C-4) in the adjacent and surrounding areas of the proposed zoning site. The Commission failed to recognize that the proposed use for this site is the most suitable, and will not in any way be detrimental to the neighborhood. This area of Welch Ave. is comprised of very heavy manufacturing businesses (see attached zoning map).

It is my professional opinion that a reclassification to C-4 or C-3 would not have an adverse affect on the best interest, safety or welfare of the general public or the surrounding area. In addition, this site will have paving, landscaping, sidewalks, lighting, and a 6.0 ft. rock-wall adjacent to the N.P.L. Consequently, we believe this rezoning request will bring added value to the neighborhood and to the City of El Paso.

Your favorable consideration is respectfully requested.

Respectfully Submitted,

Luis H. De La Cruz

The City Plan Commission (CPC), on February 12, 2009, voted **5-0** to recommend **DENIAL** of rezoning subject property from R-5 (Residential) to C-4 (Commercial).

The CPC found that the rezoning is not in conformance with The Plan for El Paso and the proposed rezoning is not in conformance with the Year 2025 Projected General Land Use Map. The CPC also determined that the rezoning will not protect the best interest, health, safety and welfare of the public in general; that the proposed use is not compatible with adjacent land uses; and the rezoning will have an effect on the natural environment, social economic conditions, and property values in the vicinity and the city as a whole.

Applicant is seeking to appeal the denial recommendation made by CPC on February 12, 2009.

There was **one letter in opposition and three citizens did speak at the CPC hearing in opposition** to this request.

Attachment: Appeal to City Council Form, staff report, zoning map, aerial map, conceptual site plan, and letter in opposition.
