3. **CONSIDERATION.** As consideration for this Special Privilege, Grantee shall pay to the City FOURTEEN THOUSAND TWO-HUNDRED FIFTY-NINE DOLLARS AND NINETEEN CENTS (\$14,259.19) per year for use of the public right of way. Payment shall be paid in advance and payable to "The City of El Paso" and delivered to the Development Services Department. If the Special Privilege is disapproved by the City Council, a full refund of the advance payment shall be made by the Office of the City Comptroller within fifteen (15) days of the denial action.

Each year, no later than the tenth day of the month in which the Special Privilege was approved by the City Council, the grantee shall remit to the City payment in full of all annual fees. Failure to remit such payment will be cause for termination.

Grantee expressly accepts and agrees that the fee set forth herein is subject to any and all future amendments to Section 15.08.120.D of the El Paso City Code. Grantee expressly agrees to pay any additional amounts as consideration for this Special Privilege, which could result from a re-computation or assessment of fees pursuant to enactment of future code amendments. This Special Privilege is granted on the condition that Grantee shall pay for all costs associated with all the encroachments on public rights-of-way as well as all costs for the restoration of the Premises.

4. **USE OF PUBLIC PROPERTY.** This Special Privilege is granted solely for the use of the area identified above and solely for the purposed identified above.

As an express condition of this Special Privilege, and not as a mere covenant, Grantee agrees to restore the Premises to its original state upon removal of any of the encroachments stated herein. Grantee shall coordinate all design and construction plans with the Director of the Development Services Department or his designee. Grantee shall not commence construction under this Special Privilege until the Development Services Department has approved all plans for the construction of the Structures as appropriate under the applicable City ordinances and the terms of this Special Privilege. This Special Privilege shall not be construed to waive any permit requirements of the City. Grantee shall be responsible for all maintenance and any damages due to a failure to maintain.

Nothing contained herein shall grant or be construed to grant any real property interest to the Grantee, nor shall it give rise to any vested right in the Grantee, his assigns or successors in interest who shall not have a cause of action for damages upon revocation of this Special Privilege.

Nothing contained herein shall be construed to imply that the City is involved in the design, construction, maintenance or repair.

Grantee shall provide El Paso Water Utilities 24 hour daily access to the property. Should it be necessary for EPWU to make repairs to EPWU facilities located along Sunglow, the Grantee will be responsible costs of any surface repair required as a result of the EPWU repairs. In no event, shall either EPWU or the Grantor be responsible for such surface repairs.

No additional encroachments, other than as stated in this agreement, shall be allowed.

5. **IMPROPER USE.** This Special Privilege shall not permit or be construed to permit any other private use of the City's right-of-way (hereinafter referred to as "City Right of Way"), which impairs its function as a right-of-way. Grantee shall not construct any additional improvements, or

make any additions or alterations on or over the City right-of-way, without the prior written consent of the City Council.

6. **REPAIRS.** Grantee shall keep the property, Structure, and Premises in good condition and repair and in a clean, orderly and attractive condition during the term of this Special Privilege. Grantee shall be responsible for all maintenance of the Structure and Premises and shall repair any damage to the Premises regardless of the cause of such damage, at Grantee's sole expense.

7. **INDEMNITY.** As a condition of the Special Privilege, Grantee shall indemnify, defend and hold harmless the City, its officers, agents, servants and employees from any and all claims, losses, damages, causes of action, suits, and liability of every kind, including all expenses of litigation for injury or death of any person, or for damage to any property, arising out of or in connection with Grantee's use of the City Right of Way, regardless of whether such injuries, death, or damages are caused in whole or in part by the negligence of the City.

8. **LIABILITY INSURANCE.** Grantee shall provide public liability insurance for personal injuries and death growing out of any one accident or other cause in a minimum amount of Two Hundred Fifty Thousand and No/100 Dollars (\$250,000.00) per person, and Five Hundred Thousand and No/100 Dollars (\$500,000.00) for two (2) or more persons in any one accident, and, in addition, shall provide property damage liability insurance in a minimum sum of One Hundred Thousand and No/100 Dollars (\$100,000.00) for property damage growing out of any one accident or other cause. These amounts are not a limitation upon the Grantee's agreement to indemnify and hold the City harmless.

Grantee shall maintain said insurance with a solvent insurance company authorized to do business in Texas. The policy shall provide that the insurer will defend against all claims and lawsuits which arise and will pay any final judgment of a court of competent jurisdiction against the City, its officers, agents, servants or employees and Grantees, his officers, agents, servants, or employees. All policies shall name the City, its officers, agents, servants and employees as additional insured's to the full amount of the policy limits.

No special privilege license shall be granted by City Council until Grantee files a copy of the policy or certificate of liability insurance as herein set forth with the City Clerk, the City Attorney's Office, and the Development Services Department. Such policy or certificate shall provide that the insurance cannot be canceled or the amount of coverage changed without ten (10) days prior written notice to the City Clerk. Failure to keep the policy in full force and effect throughout the term of the Special Privilege shall be grounds for cancellation of this Special Privilege.

9. **CANCELLATION.** Should the City at any time or for any reason decide that the right-of-way onto which any of the encroachments are situated are needed, the City may, upon thirty (30) days written notice, cancel this Special Privilege at no cost to the City and may take possession of the public right-of-way. All rights of the Grantee in the Premises shall then be terminated. Grantee may cancel this Special Privilege, for any reason, upon thirty (30) days prior written notice to the City, and all rights of the Grantee shall then be terminated.

In addition, if, for a period of six (6) months, Grantee ceases to use or occupy the property for the purposes herein contemplated, or if Grantee defaults in any of his obligations under this Special Privilege and fails to correct such defaults within thirty (30) days after written notice to do so; the City

may cancel this Special Privilege and take possession. All rights of the Grantee on the City right-of-way shall then terminate.

Any waiver by the City of any breach of any of Grantee's obligations shall not be deemed a continuing waiver, and shall not prevent the City from exercising any remedy it may have for any succeeding breach of the same or another obligation of the Grantee.

Upon termination of this Special Privilege for whatever reason, all encroachments shall become the property of the City and shall, at the option of the City, be removed by the Grantee without cost to the City.

10. LIENS AND ENCUMBRANCES. Grantee shall defend and indemnify the City against any liability and loss of any type arising from any lien or encumbrance on the property that arises or is alleged to have arisen from Grantee's use of the Premises.

11. ASSIGNMENT. Grantee shall not assign this Special Privilege without the prior written consent of the City Council.
