DISTRICT(S) AFFECTED: 7

SUBJECT:

Award Bid for the construction of Bowen Drive Subsurface Storm Drainage System and Retention Pond (Solicitation No. 2009-188) to SAAB Site Contractors, L.P. Base Bid I \$188,021.00, Option I \$65,895.00, in the estimated contract amount of \$253,916.00 as per recommendations from the Engineering Department.

SAAB Site Contractors, L.P. is the lowest responsible, responsive Bidder. It is requested that the City Manager be authorized to sign the referenced contract.

BACKGROUND / DISCUSSION:

The project completes the drainage system for Bowen Street. The first phase of the project was completed with all the underground storm water system. The parcel for the pond was acquired after the first phase. The current project completes the system by providing an outlet to the installed storm sewer.

BASE BID

The project consists of construction improvements of a retention pond, the extension of an existing subsurface storm drainage system at Bowen Drive to the retention pond, the construction of an access drive from Alameda Ave. (S.H. 20) to the retention pond. Incidental improvements include the relocation and/or adjustments of fencing, gates, backflow preventer, water meter, water valves, trees, and the selective demolition of pavement, driveway, concrete, concrete curb, gutter, storm pipe, vegetation, and fencing.

Option No. I

This option includes 690 PR of 12" thick mortared rock rip-rap for the side slope stabilization at the retention pond.

Option No. II

This option includes 7,600 SF of concrete grid pavers for the side slope stabilization at the retention pond.

RECOMMENDATION:

Award of Solicitation No. 2009-188, for the Bowen Drive Subsurface Storm Drainage System and Retention Pond to SAAB Site Contractors, L.P., for a total estimated amount of \$253,916.00.

It is requested that the City Manager of the City of El Paso be authorized to sign any contracts or other documents required to effectuate this award.

Work under this unit price contract is only an estimated value and will be ordered, performed, invoiced, and paid by measured quantity. The actual cost of this contract may be higher or lower than the total estimated value and will be the sum total of unit prices at the end of the contract term.

As a part of this award, upon the review of the City Attorney, the City Engineer may without further authorization from City Council approve contract changes which are necessary for proper execution of the work and carrying out the intent of the project, which are in accordance with applicable law, do not make changes to the prices and are within the appropriate budget.

This is a low bid, unit-price contract. The Financial Services and Engineering Departments recommend award as indicated to the lowest responsible bidder.

SUBJECT: Bowen Drive Subsurface Storm Drainage System and
Retention Pond
Solicitation 2009-188

We have reviewed and analyzed the bid tabulations for the above-mentioned project. Engineering Department is recommending that the project be awarded to the lowest responsive and responsible bidder, **SAAB Site Contractors, L.P.** It is also recommended that MLEE Corporation be deemed non-responsible bidder. The amount of the bid that they have for Option II will be insufficient to accomplish the job required of Option II. The bid amount is \$3.50/sf, yet the material cost is \$10.00/sf.

We are recommending that the following be awarded:

Base Bid I	\$ 188,021.00
Option I	\$ 65,895.00

Total Project Amount	\$ 253,916.00
