ORDINANCE NO. _____

AN ORDINANCE VACATING A PORTION OF SAN FRANCISCO STREET AS SHOWN ON THE MILLS MAP AND CAMPBELL'S ADDITION, CITY OF EL PASO, EL PASO COUNTY, TEXAS

WHEREAS, Union Pacific Railroad Company (Union Pacific) desires to realign its main tracks in the vicinity of the Bataan Memorial Trainway and the Union Depot as part of its on-going velocity project; and

WHEREAS, as part of a conveyance of City-owned property to Union Pacific which will allow additional property to be incorporated into the design of its velocity project, Union Pacific has requested a vacation of a portion of San Francisco Street, as shown on the Mills Map and Campbell's Addition, City of El Paso, El Paso County, Texas.,

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF EL PASO:

That a determination has been made that it is in the best interest of the public that a 0.365 acre parcel of land, more or less, being a portion of San Francisco Street, as shown on the Mills Map and Campbell's Addition, City of El Paso, El Paso County, Texas, and which is more fully described in the attached metes and bounds description, identified as Exhibit "A" and in the attached survey identified as Exhibit "B" and made a part hereof by reference, be and is hereby vacated subject to the following condition:

The vacated right-of-way shall be subject to a public utility easement reserve for any existing utilities located within the vacated right-of-way. The owner or operator of the utilities may inspect, maintain, replace, or upgrade the utilities any time. All utilities located within the vacated right-of-way may be removed, relocated, lowered or protected in place at the expense of Union Pacific. If such utilities are governed by an agreement, the costs of relocation shall be allocated as set forth in such agreement except that any relocation costs of the City in any such agreements shall be paid by Union Pacific. Union Pacific agrees to coordinate with the City and the applicable owners of the utilities as to any relocations. Without any monetary consideration, to the extent it is physically possible to do so, Union Pacific may relocate the Utilities located within the vacated right-of-way to locations under the roadway between the curbs of San Francisco Street.

In addition, the City Manager is authorized to sign an instrument conveying all of the City's right, title and interest in and to such vacated property to the Union Pacific Railroad Company.

DEVELOPMENT COORDINATING COMMITTEE

The Development Coordinating Committee recommends **approval** of San Francisco Street Vacation subject to the following conditions and requirements:

Planning Division Recommendation:

Approval.

City Development-Land Development:

No objection.

Planning - Transportation:

Approval.

El Paso Water Utilities:

1. EPWU does not object to this request

EPWU-PSB Comments

Water:

2. EPWU maintains an existing 48-inch diameter water distribution main crossing the proposed vacation area following Anthony St. alignment. EPWU requires a thirty (30) feet wide utility easement across the proposed vacation area. If new tracks are built over the existing 48-inch diameter water main, the main shall be encased by EPWU in a 60-inch diameter steel casing prior to construction of the new rails at the expense of the applicant. Preliminary and final plans for improvements shall be reviewed and approved by EPWU prior to construction.

3. EPWU maintains two existing fire hydrants (#2200 and #2202) located within the proposed vacation area. These fire hydrants shall be relocated at the expense of the applicant.

4. EPWU maintains an existing water meter at the intersection of San Francisco St. and Anthony St. within the proposed vacation area. The meter shall to be removed and the service line shall be cut and plugged at the main by EPWU at the expense of the applicant.

5. There is an existing 8-inch diameter water main along San Francisco St. This main is located approximately 20 feet north of the southern right-of-way line.

Sewer:

6. EPWU maintains an existing 12-inch diameter sanitary sewer main that crosses the proposed vacation area. EPWU requires a 20 foot wide utility easement across the proposed vacation area. If new tracks are built over the existing 12-inch diameter sanitary sewer main, the main shall be encased in a 24-inch diameter steel casing by EPWU prior to construction of the new rails at the expense of the applicant. Preliminary and final plans for improvements shall be reviewed and approved by EPWU prior to construction.

General:

7. New service applications are available at 1154 Hawkins, 3rd floor and should be made 6 to 8 weeks in advance of construction to ensure water for construction work. A site plan, utility plan, grading and drainage plans, landscaping plan, the legal description of the property and a certificate-of-compliance are required at the time of application. Service will be provided in accordance with the current EPWU – PSB Rules and Regulations. The applicant is responsible for the costs of any necessary on-site and off-site extensions, relocations or adjustments of water and sanitary sewer lines and appurtenances.

Parks and Recreation:

We have reviewed San Francisco Street, a Street vacation survey map and offer “No” objections to this proposed street vacation request.
