DISTRICT(S) AFFECTED: 3

SUBJECT:

An Ordinance granting a special privilege license to Texas Tech University Health Sciences Center for the construction, maintenance, use and repair of a surface parking lot within portions of City right-of-way along Alberta Avenue beneath the Raynolds Street Overpass Bridge for a term of four years with a renewable four year term followed by an additional renewable two year term (NESV12-00039) District 3.

BACKGROUND / DISCUSSION:

Texas Tech University Health Sciences Center is requesting to construct, maintain, use and repair a surface parking lot within City right-of-way beneath the Raynolds Street overpass bridge. The parking lot will serve the employees at the facility and will be gated to restrict access. The parking lot is utilizing space that is currently not utilized. The parking lot will be screened with landscaping.

The property is located within the Tax Increment Reinvestment Zone (TIRZ) number 6. The annual fee for the special privilege is \$5,280.00; however, the applicants are requesting the City Council reduce the annual fee by the depreciating the costs of the improvements made on the site (\$4,500.00 per year) for a ten year period, which would reduce the annual consideration to \$780.00 per year. The applicants are requesting to pay the entire term up front (\$2,711.00) at a 3% discount of the net present value. The next payment in four years will be \$2,408.00) and the final payment in eight years will be \$1,102.00 for a total of \$6,221.00 paid to the City.

SECTION 5. TERM

At the end of this term, the City shall have the unilateral option of renewing this Special Privilege for one (1) additional four (4) year term followed by one (1) additional two (2) year term, under the same terms and conditions of this License. The entire term of this License, including options for renewal shall not extend beyond ten (10) years. Should Grantee fail to submit such request for the renewal of this License to the City as herein required, the License shall expire upon the expiration date. The City shall notify Grantee of work to be performed as herein described. The City shall not be liable to Grantee for any damage resulting there from, nor shall the City be liable to Grantee for any damages arising out of the performance of any work by the City, its contractors or subcontractors not willfully and unnecessarily occasioned; provided, however, nothing herein shall relieve any other persons or entities from liability for damage to the License Area. The City does not waive any limitations on liability pursuant to this Agreement and by federal and state law. Grantee may pursue any cause of action available to it by law not addressed in this Agreement. If the City requires Grantee to alter, change, adapt, remove, or relocate the Parking Lot due to imminent public safety concerns, or because of changes

in the grade of the License Area or in the location or manner of constructing a water pipe, sewer pipe or other underground or aboveground pipes owned by the City, Grantee shall make the alterations or changes as soon as practicable when ordered in writing by the City without claim for reimbursement or damages against the City. If these requirements impose a financial hardship upon Grantee, Grantee shall have the right to present alternative proposals for the City's consideration. If the City requires Grantee to remove, alter, change, adapt or relocate its Parking Lot or any portion thereof to enable any other entity or person, except the City, to use, or to use with greater convenience, the License Area, Grantee shall not be required to make such changes until such other entity or person shall have undertaken with solvent bond, to reimburse Grantee for any loss and expense which will be caused by or arise out of such removal, alteration, change, adaptation or conformance of the Parking Lot; provided, however, the City shall not be responsible nor liable for such reimbursement.

SECTION 8. CONSIDERATION

As consideration for this Special Privilege, Grantee shall pay to the City SEVEN HUNDRED EIGHT AND NO/100 DOLLARS (\$708.00) per year. Said \$708.00 reflects the balance of the annual fee (\$5,208.00) as calculated in accordance with Section 15.08.120.F.3 (Fees) minus the depreciated cost of improvements (\$4,500.00) per year. The first annual consideration shall be due and owing prior to the El Paso City Council approval of this License. The advance payment shall be in the form of a cashier's check or business check payable to "The City of El Paso" and delivered to the City Development Department for remittance to the Financial Services Department. If the Special Privilege is disapproved by the El Paso City Council, a full refund of the payment shall be made by the Financial Services Department within fifteen (15) days of the denial action. Should Grantee select the advance payment option, Grantee shall not be entitled to a refund of the consideration paid to the City in case of cancellation by the City and/or the Grantee prior to the expiration of each term.

Both the annual consideration and the advance payment shall be exclusive of and in addition to all general municipal taxes of whatever nature, including, but not limited to, ad valorem taxes, assessments for public improvements or any other assessments that Grantee is not exempt from as a state governmental entity, and that may be enacted during the term of this License or any renewal, except hereinafter provided. The fee payment shall be exclusive of and in addition to all costs of obtaining required permits, plans and other approvals as necessary to conform to all other applicable City Special Privileges and regulations.

SECTION 9. INSURANCE

SECTION 11. RIGHTS IN THE EVENT OF ABANDONMENT

As an express condition of this License, and not as a mere covenant, in the event Grantee abandons the Parking Lot or a portion thereof or ceases to use the Parking Lot for the purposes enumerated herein for any period of six (6) months or longer, other than the time elapsing between the effective date of this license and the completion of construction of the Parking Lot, this License shall automatically terminate, free and clear of any right, title, or interest in Grantee without the necessity of any notice to Grantee or any re-entry by the City.

SECTION 12. CANCELLATION

Grantee shall have the option to terminate this License at any time upon giving the City written notice thirty (30) days in advance of such termination. In addition, the City shall have the option to cancel and terminate this License for failure of Grantee to comply with any material provision or requirement contained in this agreement after thirty (30) days written notice to Grantee. However, if said breach or failure to comply cannot be reasonably cured within thirty (30) days, if Grantee shall proceed promptly to cure the same with due diligence, the time for curing such failure to comply shall be extended for such period of time as may be deemed reasonably necessary by the City to complete such curing unless such breach involves public safety.

The City shall have the option to terminate this License at any time upon giving the Grantee written notice thirty (30) days in advance of such termination, at no cost to the City and may take possession of the City right-of-way. All rights of the Grantee for the City right-of-way shall then be terminated. If the License is cancelled by the City, Grantee shall not be entitled to a refund of the paid annual consideration for the months remaining in the License year (the twelve month period beginning on the effective date of this License). If this License is cancelled due to Grantee's failure to cure any default under this License, abandonment or cancellation by Grantee, Grantee shall not be entitled to a refund of consideration paid to the City.

Upon termination of this License, prior to the expiration of the original term for any reason, Grantee shall remove Grantee's Parking Lot located in the License Area at no cost to the City. Grantee shall restore the License Area to the reasonable satisfaction of the City Engineer and in accordance with City specifications, at Grantee's own cost and expense. Any such restoration shall be subject to the reasonable approval of the City. If the Grantee fails to restore the License

Area as required herein, the City may at its option restore the License Area and charge such costs to Grantee who shall be responsible for payment of such repair and restoration costs.
