Reason for appointment:

As a blind and visually impaired individual, and as an advocate for people with disabilities, I feel that I am qualified to help provide the best services available. My experiences and knowledge afford me the opportunity to help both those who administer and are responsible for providing the service as well as people with disabilities.

I understand that the advisory committee serves a dual purpose of special transportation as well as the fixed route. I am willing to assist wherever my services are needed.

I wish to take this moment to thank Ms. Quintana for offering me the opportunity to serve on the advisory committee.
