To: Mr. Alonzo Soto

Thank you for your phone call on the 25th of March. As per our conversation, I respectfully request that the fifteen street angle parking spaces on the east side of Mescalero Drive in front of Valley View Baptist Church at 1500 Mescalero be repainted upon the resurfacing of Mescalero Drive. I further request that the east side curbing on Mescalero bordering the entrance/exit to the parking lot of Valley View Baptist Church be re-painted yellow to insure the safe passage of vehicles in and out of the Church parking lot. The on street angle parking has been present since at least 1957 according to some of the older members of the congregation.

Thank you for your assistance in this matter. Please let me know if I can be of further assistance.

Respectfully submitted,

Pastor Ronald E. Fox
Valley View Baptist Church
(915) 779-0131

P.S. I am including the latest survey of the property (2006) that shows the placement of the angle street parking. R.F.
