MEMORANDUM

DATE: April 16, 2007
TO: The Honorable Mayor and City Council
Joyce A. Wilson, City Manager
FROM: Esther Guerrero, Planner
SUBJECT: ZON07-00006

The City Plan Commission (CPC), on March 15, 2007, voted **6-0** to recommend **APPROVAL** of rezoning the subject property from R-4 (Residential) to C-3 (Commercial), and imposing the following conditions: “retail uses, automotive repair garage, fueling stations, and ground mounted personal wireless service facilities are prohibited.”

The CPC found that this rezoning is in conformance with The Plan for El Paso; and the proposed use is in conformance with the Year 2025 Projected General Land Use Map. The CPC also determined that this rezoning protects the best interest, health, safety and welfare of the public in general; that the proposed use is compatible with adjacent land uses; and the effects of the rezoning will have no effects on the natural environment, social economic conditions, and property values in the vicinity and the city as a whole.

Thirty letters in opposition have been received to date.

Location Map

General Information:

The applicant is requesting a rezoning from R-4 (Residential) to C-3 (Commercial) in order to permit a parking lot. The conceptual site plan proposes a 48 space parking lot. Access proposed via the existing parking lot located at Casa Ford on Montana Avenue. There are no current zoning conditions on this property.

Staff Recommendation:

The Development Coordinating Committee (DCC) recommended **DENIAL** of the request. The proposed use is not compatible with surrounding development and may have an adverse impact on the neighborhoods. Also, there is an open space plan underway that addresses the easements for future planning and to help develop infrastructures such as these areas.

The recommendation is based on the following:

- **The Plan for El Paso** City-Wide Land Use Goals recommends that El Paso “Maintain development standards that protect residential neighborhoods from uses that increase traffic and noise, reduce privacy, and adversely affect the health, safety and welfare of residents.”
- **The Year 2025 Projected General Land Use Map** for the Central Planning Area designates this property for **Residential** land uses.

Findings:

The Commission must determine the following:

1. Will the rezoning protect the best interest, health, safety and welfare of the public in general?
2. Will the parking lot be compatible with adjacent land uses?
3. What is the relation of the proposed rezoning to the City’s Comprehensive Plan?
4. What effects will the proposed rezoning have on the natural environment, social and economic conditions and property values in the vicinity and the city as a whole?

Development Services - Building Permits and Inspections Division Notes:

Zoning: Parking lot permitted on proposed C-3 Commercial District. Parking lot as submitted does not meet minimum A.D.A. requirements. A 6 ft. high masonry screening wall along properties lines abutting R-4 Residential District will be required.

Landscaping: No comments received.

Development Services - Planning Division Notes:

Current Planning: Recommends denial based on incompatibility with abutting residential neighborhoods. The Year 2025 Projected General Land Use Map designates this property for residential land uses.
